RELATIONS—TRADE AGREEMENT (ANZCER:TA)

1986-87 EXCLUSIVE AUSTRALIAN LICENCES

CALL FOR TENDERS: ROUND 35

TENDERS CLOSE ON 9 JUNE 1986 AT 5 P.M.

CALL FOR TENDERS : ROUND 35

PURSUANT to the Import Control Regulations 1973, Amendment No.3 (S.R. 1980/246), and within the terms of the Australia - New Zealand Closer Economic Relations Trade Agreement (ANZCERTA), I, J. W. H. Clark, Secretary of Trade and Industry, acting under delegated authority, hereby call for tenders for import licences (Tendered Exclusive Australian Licences or TEALs) for the goods specified below.

The instructions for tenders for ANZCERTA tenders and the general terms and conditions which apply to the submission and acceptance of tenders are set out in the Guide to Global Import Licence Tendering, published October 1985, and the TEAL and MEAL Allocation Procedures, published in March 1985. Tenderers should note that while in general the rules for global licence tendering also apply to ANZCERTA tenders, some rules, including some important ones, differ. Both guides should be studied carefully before tender bids are lodged.

NOTES -

1. This supplement to the *New Zealand Gazette* will be sent to all persons and organisations on the Register of Tenderers. Prospective tenderers not on the Register of Tenderers can purchase the *Gazette* at the bookshops of the Government Printer. Registered tenderers will also be sent bid forms. Other persons can obtain these from Collectors of Customs and the Department of Trade and Industry. Application forms for entering on to the Register of Tenderers can be obtained from the Department of Trade and Industry.

SUBMISSION OF BIDS

2. TENDERS CLOSE AT 5 P.M. ON MONDAY, 9 JUNE 1986, WITH THE REGISTRAR, IMPORT LICENCE TENDERING, DEPARTMENT OF TRADE AND INDUSTRY, P.O. BOX 3146, WELLINGTON. NO LATE TENDERS CAN BE ACCEPTED. Tenders must be mailed to the above address in time to arrive before the closing time or delivered by hand to the First Floor Reception, Bowen State Building, Bowen Street, Wellington. Hand deliveries may be made between 8.30am and 5pm, Monday to Friday. Bid forms can be mailed using the Bureaufax Service of the GPO. Telex and telegram bids will NOT be accepted. Envelopes should be clearly marked 'ANZCERTA Import Licence Tender' on the bottom right-hand corner.

BID FORMS

3. The bid forms to be used are printed on green coloured paper and are marked 'T.I. 335D'. They are the same forms as are used for global import licence tenders.

MEAL HOLDERS

4. A manufacturer, including its subsidiaries and associates, who receives and retains a share of the Manufacturers Exclusive Australian Licences (MEALs) in an item code is not permitted to tender in the same item code, with the exception of tender numbers 4892 and 4893. For further details, please refer to the TEAL and MEAL Allocation Procedures.

TENDER AMOUNTS

5. All licences, with the exception of tender number 4893, are tendered in units of \$2,000 CIF. Tender number 4893, synthetic carpet, is tendered in units of 2000 square metres. Tenderers may bid for all or any number of the units available. All licences won by a tenderer in each tender number will be aggregated into one licence. One invoice will similarly be issued for each tender number to successful bidders for the amount of the premium due for that tender number.

LICENCE PERIOD

6. All licences, with the exception of tender numbers 4892 and 4893, are valid for the 1986/87 licensing year, this commences on 1 July 1986 and ends on 30 June 1987. Licences won under

tender numbers 4892 and 4893 are valid for the 1986 calendar year and will expire on 31 December 1986.

7. Licences will not be extended except in very exceptional circumstances.

CONTINUITY LICENCE

8. All licences won in this tender round, with the exception of tender numbers 4892 and 4893, carry the right to continuity licence for the 1987/88 licensing year. Continuity licence is available subject to the qualifying conditions as detailed in the Guide To Global Import Licence Tendering.

9. NO continuity licences will be available for licences won under tender numbers 4892 and 4893.

RULES OF ORIGIN

10. ANZCERTA import licences may only be used to import goods of Australian origin. The rules of origin for Australian goods are contained in the Customs Regulations 1968, as amended, and in Article 3 of the ANZCER Trade Agreement.

CLASSIFICATION OF GOODS

11. Tenders are by Import Licensing Schedule item code classifications. In some cases item codes are split into two or more tender numbers or combined with other item codes into one tender number. A brief description of the goods being tendered is given to assist tenderers but is not intended to be definitive. For a full identification of the goods concerned tenderers should refer to the Import Licensing Schedule and the Customs Tariff and should consult the Department of Trade and Industry or the Customs Department. It is the responsibility of the tenderer to confirm the correct classification of the good he or she wishes to import.

12. Some item codes contain tariff items that are exempt from the requirements of import licences, or are subject to licence on demand, when of Australian origin. Both categories are detailed in the Import Licensing Schedule. TEALs can not be used for these goods. No licence is required to import exempt goods. Licences for goods subject to licensing on demand are issued on application to the Collector of Customs.

13. The Import Licensing Schedule provides in some item codes that licences will be endorsed as not available for some goods in that item code (of a type made in New Zealand). These endorsements do not apply to ANZCERTA Licences. TEALs may be used to import these goods. All exclusions from the item code coverage applying to ANZCERTA licences are detailed in full as part of the brief description given here (and will be printed on licences when issued).

FUTURE LICENSING EXEMPTIONS

14. As a result of proposed ANZCERTA exemptions it is possible that some of the item codes tendered in this round may have moved to exempt licence for goods of Australian origin by 1 July 1986. Where this is the case any premiums due will be cancelled and any premiums already paid will be refunded.

OTHER STATUTES AND REGULATIONS

15. The granting of an import licence does not relieve the licence holder of any responsibility to meet the requirements of other statutes, regulations, standards, etc. Tenderers should be conversant with the requirements for the importation and sale of goods being tendered.

MOTOR VEHICLES AND COMPONENTS

16. Access arrangements for most motor vehicles and parts for motor vehicles are provided for by the Motor Vehicle Industry Plan. ANZCERTA TEALs cannot be used to import these goods. Licences for item codes in which motor vehicles parts fall will have their product coverage endorsed "excluding those of a kind commonly used with the vehicles specified in appendix B attached". A copy of Appendix B will be attached to relevant

licences. It reads:

1. Pursuant to Annex C of the ANZCER Trade Agreement, in the item codes listed below, the Exclusive Australian Licences are only available for goods EXCLUDING components of a kind commonly used with:

- (a) Tractors for articulated vehicles, being tractors that are designed for operation solely or principally on the highway; or
- (b) Vehicles of Tariff Heading 87.02, other than air-cushioned vehicles or assembled convertible road rail motor coaches.

2. The item codes concerned are:

70.010	84.890	85.075
70.015	84.910	87.035
83.010	85.015	87.040
84.520	85.021	87.045
84.523	85.024	87.055

ENQUIRIES

17. Any enquiries should be directed to General Industries Two, Department of Trade and Industry, Private Bag, Wellington, Telephone Wellington 720.030.

J. W. H. CLARK,
Secretary for Trade and Industry.
