- Apply to money not yet borrowed pursuant to the Local Authorities Loans Exemption Order 1985;
- Apply to money not borrowed before 1 August 1986, but where the loan has been sanctioned by the Local Authorities Loans Board;
- Notwithstanding subclause (a) hereof not apply except in respect of clause 10 hereof to special loans wholly funded by the Housing Corporation of New Zealand or the Rural Banking and Finance Corporation of New Zealand.

The life of the assets shall be as set out in Schedule I. Where a loan involves a mixture of assets with different life periods, a composite life period shall be calculated based on the weighted average of the individual lives of the parts of the asset created.

- By equal aggregate annual or half-yearly instalments of principal and interest;
- Except in the case of Hospital Boards, by establishing a sinking fund before raising the said loan or any issue relating thereto and by making annual payments to such sinking fund at a percentage rate of the amount of the loan or of that issue, as the case may be (other than any part being repaid pursuant to subparagraph (a) of this clause), for the time being borrowed and not repaid. The said percentage rate shall be calculated on the maximum term of the loan and shall be not less than that set out in the Schedule II hereof.

7. (a) In respect of the loan, a placement fee, where a placement of not less than \$20,000 is made by a single lender, may be paid in respect of:

- Placements received by local authorities whose total authorised loan raising is such that public issues are not placed on the market;
