ROUND 37: CALL FOR TENDERS WHICH CLOSED ON 21 JULY 1986

PURSUANT to the Import Control Regulations 1973 (S.R. 1980/246) the Deputy Secretary (Industries) of Trade and Industry, acting under delegated authority called tenders for the goods specified below. Tenders closed on 21 July 1986 at 5 p.m.

Residual Licence

At the foot of the results of those tender numbers where all the licence put up for tender was not all taken, the Residual number of units and the price is printed. Applications for any residual licence should be made on the "Request for Residual Licence" T. & I. 401 forms available from any office of the Department of Trade and Industry (Auckland, Wellington, Christchurch and Dunedin) and should be sent to the Registrar of Tenders, P.O. Box 3146, Wellington and the envelope must be marked "Round 37 Residual" on the bottom right hand corner.

Where demand for residual licence exceeds supply the computer is programmed to make a random selection.

Results of residual licence allocation will be made known as soon as possible by letter after the 3-week period for applications to be made following publication of these results.

Payment should not be made until invoices are received. Payment should be made by bank cheque preferably to avoid the 5 working days clearance for other cheques.

Licences still left over after this allocation of residuals will be available on request. Please refer to paragraphs 36 to 39 inclusive in the Guide Notes.
