NOTICE is hereby given pursuant to section 6 of the Charitable Trusts Act 1957 that the New Plymouth High School Board has made application to the High Court at New Plymouth for approval of a scheme for variation of the trusts of the will of Leonard Allen Alexander.

The statement of facts and scheme was submitted to the Attorney General in accordance with section 35 of the Charitable Trusts Act 1957.

The particulars of the scheme are set out in the statement of facts and scheme. The general effect and nature of the proposed variations is as follows:

1. Appointment of a new board of trustees which will apply for incorporation as a board under the Charitable Trusts Act 1957.

2. Redefinition of the purposes for which the trustees shall hold the trust funds as follows:

(a) to establish and maintain upon the deceased's farm at Tikorangi an educational centre to be known as the 'L. A. Alexander Agricultural College';

(b) to provide at the college educational facilities in such fields of agriculture, horticulture and all types of farming as the trustees determine;

(c) to provide access elsewhere to such facilities, where they cannot conveniently be provided at the college.

3. In implementing these purposes, the trustees shall include provision for practical experience; aim to create an understanding and appreciation of the place in the New Zealand economy of farming pursuits; aim to develop in students an appreciation of the environment and of balanced attitudes to conservation; provide and encourage learning situations which will demonstrate and reinforce the subject matter of curricula provided by the schools and educational facilities operated by the trustees; grant financial assistance to enable students to undergo education in agriculture and horticulture; make the facilities available for use by pupils of colleges, polytechnics or other tertiary establishments.

4. The trustees are to be empowered to accumulate and invest moneys and to raise moneys for the purpose of the trust. They will also be required to account and will be audited in each financial year. Trust powers are as set out in the schedule to the scheme.

5. The power to appoint new trustees is to be vested in the New Plymouth High School Board, the Council of the Taranaki Polytechnic and the Board of Governors of New Plymouth Boys' High School, which will each appoint 2 trustees.

6. Procedures for the trustees to transact business and hold meetings are set out in the schedule. A management committee of up to 7 members may be appointed by the trustees and any person may be appointed. Various powers specified in the scheme may be conferred on the management committee.
