Licence units as advertised in the Supplement to the *New Zealand Gazette*, No. 76.

TYRE AND TUBE INDUSTRY DEVELOPMENT PLAN

This is the seventh allocation of licence under this plan. No single group of companies is allowed to win more than the specified maximum number of units a tenderer may bid for as advertised under each tender for tubes and tyres. A group of companies is regarded as those companies associated by a 25 percent or more direct or indirect common investment. Licence will be withheld entirely from any group of companies going beyond this limit.

FOOTWEAR INDUSTRY DEVELOPMENT PLAN

FOOTWEAR: EIGHTH ALLOCATION

This is the eighth round held under the Footwear Industry Development Plan, and is the first on a value basis (as a result of the 1986 review of the FIDP). Continuity licence is now available and the limit on the amount that can be won by a single tenderer is removed.

Those bidding should note that tariff levels on footwear are to be changed on 1 July 1987 (and 1 July 1988).

The tariff has been restructured with effect from 1 July 1987 to reflect changes in the FIDP review on the size cut-off between children's and adults' footwear: tenderers should refer to the latest Customs Tariff Amendment for new tariff items appearing in the *New Zealand Gazette* of 14 May.

Licences will be valid from 1 July 1987 to 30 June 1988.
