Indecent Publications Act 1963

Decision No. 5/88

Reference No.: IND 9/87

In the matter of the Indecent Publications Act 1963, and in the matter of an application by the Comptroller of Customs for a decision in respect of the following publications: *Fiesta*, Vol. 17, No. 6, 7 and 12; *Fiesta*, Vol. 18, No. 1-12; *Fiesta*, Vol. 19, No. 2, 3, 9; *Fiesta Special*; *Fiesta Xmas 1984 and 1985*; *Best of Fiesta*; *Fiesta Holiday Special*, No. 6, 7 and 8; *Knave*, Vol. 15, No. 11; *Knave*, Vol. 16, No. 1-6, 10, 11; *Knave*, Vol. 17, No. 6:

Before the Indecent Publications Tribunal

Chairman: Judge R. R. Kearney.

Members: R. Barrington, A. J. Graham, K. Hulme, and S. Middleton.

Hearing at Wellington on the 11th day of April 1988.

Appearances: G. Ellis for publisher and importer; M. Wotherspoon for Comptroller of Customs.

Decision

These publications were imported by Waverly Publications in Auckland in or about December 1986. The publications were released in error by Customs and subsequently sold to Progressive Mail Order in Hamilton, and that company responsibly requested that they be submitted to the Tribunal for decision and classification. A seizure notice was accordingly issued by the Comptroller of Customs on 11 February 1987 and the books submitted to the Tribunal for classification and decision. In decision No. 24/87 issued on 16 December 1987 the Tribunal said:

"Other issues of *Knave* and *Fiesta* were previously considered by the Tribunal, and were the subject of a decision which went to appeal before the full Court of the High Court in Wellington. The full Court in its decision referred the publications back to the Tribunal for further consideration, and a date for the hearing of that matter has yet to be determined with counsel for the publishers. Prior to the Tribunal hearing on 11 September 1987 application was made by the New Zealand solicitors for the English publishers and the New Zealand importers and distributors that the hearing in respect of these particular publications should be deferred and be heard conjointly with the publications which were referred back to the Tribunal by the full Court. The Tribunal accepts that it would be pointless to deal with these particular publications separate from the other publications, and accordingly the decision on these matters is deferred until the further hearing of the Tribunal."

In a decision issued contemporaneously with this decision the Tribunal has classified other issues of *Knave* and *Fiesta* as indecent in the hands of persons under the age of 18 years and has in addition made a serial order in terms of section 15A of the Indecent Publications Act 1963.

The Tribunal is unanimous in its finding that these particular publications would be injurious to younger readers and accordingly classifies each as indecent in the hands of persons under the age of 18 years. The Tribunal also makes a serial order in terms of section 15A of the Indecent Publications Act 1963 in respect of the publications *Knave* and *Fiesta*.

Dated at Wellington this 29th day of April 1988.
