CALL FOR TENDERS: ROUND 66**Industry Development Plans**

I, P. E. Donovan, Deputy Secretary, Department of Trade and Industry, acting on delegated authority, and acting pursuant to regulation 10 of the Import Control Regulations 1988, and subject to the terms and conditions set out in the First Schedule hereto, hereby call for tenders for licences to import the goods specified in the Second Schedule hereto.

- (c) Except in the case of zero bids each bid form must have attached to it a bank cheque to the value of the deposit calculated in the manner shown on the bid form (25 percent of the value of the bid), made payable to the Department of Trade and Industry. If the deposit includes cents the amount must be rounded up to the nearest dollar.
- (d) Make only one bid per form.
- (e) The premium bid per unit must be in whole dollars. If a premium bid entered includes cents the cents will be ignored and the bid will be ranked at the reduced amount. E.G. \$1.58 will be taken as \$1.00.

DETERMINATION OF RESULTS

- 6. All bids will be ranked in order from highest to lowest. Bids of equal value will be ranked on a random selection basis.
- 7. One licence and one invoice will be produced for each winning bid.

ANNOUNCEMENT OF RESULTS

- 8. Each tenderer will be notified in writing of the results of its bids.
- 9. Results will be published in the Trade and Industry Edition of the *New Zealand Gazette*.

PAYMENT OF PREMIUMS

10. Except in the case of successful zero bids an invoice will be sent to successful tenderers for the balance of the premium due for the licence to which it relates. The balance must be received by the Finance Section, Department of Trade and Industry, P.O. Box 1473, Wellington, no later than the date specified on the invoice. If payment is not received by the due date, the successful tenderer will forfeit its entitlement to licence and deposit. The payment of the balance is required within 3 months of the date of the results letter.

GOODS AND SERVICES TAX

- 11. GST is not payable on the premiums.

REFUNDS OF DEPOSITS

- 12. Deposits remitted in respect of unsuccessful or invalid bids will be refunded to the tenderer.

VALIDITY OF LICENCE

13. Licences won will be valid from the date they are signed by the authorising officer. There will be no end date to licences issued in this tender round.

UNPAID LICENCE

14. Licences not paid for will be reallocated to unsuccessful tenderers in the tender numbers concerned. The units available will be offered to unsuccessful tenderers in descending bid rate order. Those tenderers will be offered the units previously bid for at the bid rate made. The offer will be on an "all or nothing" basis. The offer will not be made to successful tenderers who failed to pay the balance of premium owing, or to unsuccessful tenderers who declined the first offer. Payment for such unpaid licence will be required within 10 working days.

CONTINUITY LICENCE

15. Licences won in this round will entitle the original winners to continuity licence, viz., 50 percent of units won in this round will be offered, valid from the start of the following (annual) tender period. The premium rate will be the same as was paid for the licence won in this round. The continuity offer will be attached to the licence issued to successful tenderers; to obtain the continuity licence, acceptance must be made by the time stipulated on the offer and payment forwarded against invoice within a three month period.

REFUND FOR EXEMPTIONS

16. Where the goods covered by a licence won move to licence on demand or to exemption within 12 months of the issue of the licence a refund of premium based on the balance of the licence unused will be available on request except where the decontrol of such goods is announced in the call for tenders.

CLOSING OF BIDS

- 17. Bids must be received by the Department of Trade and Industry in Wellington by 5 p.m. on Thursday, 18 August 1988.
- 18. Bids should be addressed to the Executive Officer, Import Licensing Tendering Section, Department of Trade and Industry,

P.O. Box 3146, Wellington. Envelopes should be clearly marked "IMPORT LICENCE TENDER" in the bottom right hand corner of the envelope. Bids can be put in the Tender Box situated on the First Floor, Bowen State Building, Bowen Street, Wellington.

Points to Note:

19. Please note that there have been some changes in the access and tariff conditions for handkerchiefs (G941) as follows: the tender level for 1988/89 has been increased by 3% rather than the 2% which has been applied to all other textile and plastic apparel; the LDC tariff level will be increased to 24% on 1 September 1988.

20. Please also note that the amounts tendered in this round for men's and boys' jackets (G906 and G907) represent only 50% of the total tender allocations for 1988/89. The balance, less continuity, will be tendered later.

21. It should also be noted that at present there is underway a review of access and tariff levels for apparel. Government decisions on this review are expected to be announced in the first half of August 1988.

SECOND SCHEDULE

The goods tendered hereunder derive from the Import Licence Schedule:

Note: Before completing the bid forms tenderers should read the terms and conditions set out in the First Schedule carefully as the procedures for this round differ markedly in a number of respects from previous Rounds.
