#### PAYMENT OF PREMIUMS

10. Except in the case of successful zero bids an invoice will be sent to successful tenderers for the balance of the premium due for the licence to which it relates. The balance must be received by the Finance Section, Department of Trade and Industry, P.O. Box 1473, Wellington, no later than the date specified on the invoice. If payment is not received by the due date, the successful tenderer will forfeit its entitlement to licence and deposit. The payment of the balance is required within 3 months of the date of the results letter.

#### GOODS AND SERVICES TAX

- 11. GST is not payable on the premiums.

#### REFUNDS OF DEPOSITS

- 12. Deposits remitted in respect of unsuccessful or invalid bids will be returned to the tenderer.

#### VALIDITY OF LICENCE

13. Licences won will be valid from the date they are signed by the authorising officer. There will be no end date to licences issued in this tender round.

#### UNPAID LICENCE

14. Licences not paid for will be reallocated to unsuccessful tenderers in the tender numbers concerned. The units available will be offered to unsuccessful tenderers in descending bid rate order. Those tenderers will be offered the units previously bid for at the bid rate made. The offer will be on an "all or nothing" basis. The offer will not be made to successful tenderers who failed to pay the balance of premium owing, or to unsuccessful tenderers who declined the first offer. Payment for such unpaid licence will be required within 10 working days.

#### CONTINUITY LICENCE

15. Licences won in this round will entitle the original winners to continuity licence, viz., 50 percent of units won in this round will be offered, valid from the start of the following (annual) tender period. The premium rate will be the same as was paid for the licence won in this round. The continuity offer will be attached to the licence issued to successful tenderers; to obtain the continuity licence, acceptance must be made by the time stipulated on the offer and payment forwarded against invoice within a three month period.

#### REFUND FOR EXEMPTIONS AND GLODS

16. Goods covered by tender numbers marked with an asterisk (\*) in the Second Schedule to this notice will move to licence on demand on 1 July 1989. No refunds will be made in respect of licences granted under those tender numbers by reason of their movement to licence on demand. Where goods covered by licences granted under tender numbers not marked with an asterisk—

- (a) move to licence on demand; or
- (b) are removed from the First Schedule to the Import Control Regulations 1988—

within 12 months of the issue of the licence, refunds will be available on request for the proportion of the premium paid for the licence which corresponds to the proportion of the licence not used to import goods.

#### CLOSING OF BIDS

17. Bids must be received by the Department of Trade and Industry in Wellington by 5 p.m. on Thursday, 20th October 1988.
