ANNOUNCEMENT OF RESULTS

8. Each tenderer will be notified in writing of the results of its bids.

PAYMENT OF PREMIUMS

10. A non-refundable deposit of 25 percent of the premium bid must accompany each bid made. Except in the case of zero bids an invoice will be sent to successful tenderers for the balance of the premium due for the licence to which it relates. The balance must be received by the Finance Section, Department of Trade and Industry, P.O. Box 1473, Wellington, no later than the date specified on the invoice (which will be about 3 months from the invoice date). If payment is not received by the due date, the successful tenderer will forfeit its entitlement to licence and deposit.

11. GST is not payable on the premiums.

REFUNDS OF DEPOSITS

12. Deposits remitted in respect of unsuccessful or invalid bids will be returned to the tenderer.

VALIDITY OF LICENCE

13. Licences won will be valid from the date they are signed by the authorising officer. There will be no end date to licences won in this tender round.

UNPAID LICENCES

14. Licences not paid for will be reallocated to unsuccessful tenderers in the tender numbers concerned. The units available will be offered to unsuccessful tenderers in descending bid rate order. Those tenderers will be offered the units previously bid for at the bid rate made. The offer will be on an "all or nothing" basis. The offer will not be made to successful tenderers who failed to pay the balance of premium owing, or to unsuccessful tenderers who declined the first offer. Payment for the premiums due on such reallocated unpaid licence will be required within 10 working days.

CONTINUITY LICENCE

15. Licences won in this round will entitle the winners to continuity licence, viz., 50 percent of the licence value won in this round will be offered, valid from the start of the following (annual) tender period. The premium rate will be the same as was paid for the licence won in this round. The continuity offer will be attached to the licence issued to successful tenderers; to obtain the continuity licence, acceptance must be made by the time stipulated on the offer and payment forwarded against invoice by the due date given on the invoice.

REFUND FOR EXEMPTIONS

16. Except where the call for tenders provides otherwise, where the goods covered by a licence won:—
 - (a) move to licence on demand; or
 - (b) are removed from the First Schedule to the Import Control Regulations 1988 (are exempted from licence control)—within 12 months of the issue of the licence, refunds will be available on request for the proportion of the premium paid for the licence which corresponds to the proportion of the licence not used.

CLOSING OF BIDS

17. Bids must be received by the Import Licence Tendering Section of Department of Trade and Industry in Wellington by 5 p.m. on Thursday, 1st December 1988. Late bids cannot be accepted.
