Except in the case of zero bids an invoice will be sent to successful tenderers for the balance of the premium due for the licence to which it relates. The balance must be received by the Finance Section, Ministry of Commerce, P.O. Those tenderers will be offered the units previously bid for at the bid rate made. The offer will be on an "all or nothing" basis. The offer will not be made to successful tenderers who failed to pay the balance of premium owing, or to unsuccessful tenderers who declined the first offer. Payment for such unpaid licence will be required within 10 working days.

## CONTINUITY LICENCE

15. Licences won in this round will entitle the winners to continuity licence, viz., 50 percent of the licence won in this round will be offered, valid from the start of the following (annual) tender period. The premium rate will be the same as was paid for the licence won in this round. The continuity offer will be attached to the licence issued to successful tenderers; to obtain the continuity licence, acceptance must be made by the time stipulated on the offer and payment forwarded against invoice by the due date given on the invoice.

## REFUND FOR EXEMPTIONS

16. Except as stated later in this paragraph, where the goods covered by a licence won pursuant to this tender:

(b) are removed from the First Schedule to the Import Control Regulations 1988 (are exempted from licence control)—

within 12 months of the issue of the licence, refunds will be available on request for the proportion of the premium paid for the licence which corresponds to the proportion of the licence not used. The foregoing provisions of this paragraph do not apply to tender numbers 6630, 6631 and 6632. The goods covered by those tender numbers are to become exempt from licence control on 1 January 1990.
