#### Report of Chairman for the Period Ending 31 March 1989

This is the first public report of the newly formed Trust Bank Wellington Community Trust. The trust was formed pursuant to a Government decision to separate the management of the banking activities of the trust banks from the distribution of dividend income earned by the trust banks to charitable, welfare and educational groups, principally though not exclusively in their own respective areas. Each activity was felt to require its own expertise. The Trust Banks Restructuring Act 1988 accordingly required every trustee bank to form and register a public company in which the shareholders should be the trustees of a community trust in its area and authorised the Minister of Finance to execute a trust deed for each trust bank establishing a trust to acquire shares in the capital of the various companies. The Minister was also authorised to appoint the first trustees of each trust. Pursuant to that legislation a trust deed for the Trust Bank Community Trust was executed on 30 May 1988 and the inaugural meeting of the board of trustees was held on 15 June 1988.

Since that time the board has been formulating policies that will enable distribution of dividend income to local groups in the Wellington region in accordance with the deed.

As shareholders of the newly formed bank, Trust Bank Wellington Limited, the community trust was also involved in the negotiation and final acceptance of the memorandum and articles of association for the new company.

In July 1988, the trustees agreed to sell and exchange all their shares in Trust Bank Wellington Limited for shares in Trust Bank New Zealand Limited.

##### Donations

To meet one of the principal objectives of the trust, that is "to enable distribution of grants to charitable, cultural,

educational, recreational and other purposes being beneficial to the Wellington region community", has required the board to study carefully other practices and prepare a general policy for application in Wellington.

It is hoped that this work will be completed soon and some donations will be made to local groups later this year.

##### Finance

The only income received by the trust this year was a grant of \$30,000 from Trust Bank Wellington Limited. This generosity, together with the administrative facilities the bank is providing at no cost to the trust, is sincerely appreciated by the board.

##### Appreciation

I record my appreciation to all members of the board of trustees. Their attention to the trust affairs has involved several meetings and all members have displayed a keen and positive interest in the trust's affairs.

Although the trust is in its early development, I believe that the regular dividend stream to be anticipated through our shareholding in Trust Bank New Zealand Limited, will prove a valuable resource for the Wellington region.

F. D. O'FLYNN, Chairperson.

**Notes to the Financial Statements for the Period Ended 31 March 1989****1. Statement of Accounting Policies***General Accounting Policies*

The general accounting policies adopted in the preparation of these financial statements are:

- ★ The measurement base adopted is the historical cost basis.
- ★ Reliance has been placed on the fact that the entity is a going concern.
- ★ The matching of revenues earned and expenses incurred using accrual accounting except that dividend income is accounted for on a receipts basis.

*Particular Accounting Policies*

The following are the particular accounting policies which have a material effect on the measurement of results and financial position:

- (a) *Dividend income*: Dividend income from Trust Bank New Zealand Limited is included in the income and expenditure account when it is received.
