## ANNOUNCEMENT OF RESULTS

8. Each tenderer will be notified in writing of the results of its bids.

## PAYMENT OF PREMIUMS

10. A non-refundable deposit of 25 percent of the premium bid must accompany each bid made. Except in the case of zero bids an invoice will be sent to successful tenderers for the balance of the premium due for the licence to which it relates. The balance must be received by the Finance Section, Ministry of Commerce, P.O. Box 1473, Wellington, no later than the date specified on the invoice (which will be about three months from the invoice date). If payment is not received by the due date, the successful tenderer will forfeit its entitlement to licence and deposit.

## GOODS AND SERVICES TAX

11. GST is not payable on the premiums.

## REFUNDS OF DEPOSITS

12. Deposits remitted in respect of unsuccessful or invalid bids will be returned to the tenderer.

## VALIDITY OF LICENCES

13. Licences won in this round will be valid from the date they are signed by the authorising officer.

## UNPAID LICENCES

14. Licences not paid for by the due date will be reallocated to unsuccessful tenderers in the tender numbers concerned. The units available will be offered to unsuccessful tenderers in descending bid rate order. Those tenderers will be offered the units previously bid for at the bid rate made. The offer will be on an "all or nothing" basis. The offer will not be made to successful tenderers who failed to pay the balance of premium owing, or to unsuccessful tenderers who declined the first offer. Payment for the full amount of premium due on such reallocated unpaid licence will be required within 10 working days.

## CONTINUITY LICENCE

15. Licences won in this round will entitle the winners to continuity licence, viz 50 percent of the licence value won in this round will be offered, valid from 10th October 1990. The premium rate will be the same as was paid for the licence won in this round. The continuity offer will be attached to the licence issued to successful tenderers; to obtain the continuity licence, acceptance must be made by the time stipulated on the offer and payment forwarded against invoice by the due date given on the invoice.

## REFUND FOR EXEMPTIONS

16. Goods for tender numbers 6725 to 6727 (Margarine) and tender numbers 6728-6738 (Rubber), will be exempt from import licensing control on 1st January 1990. No refunds will be made available on unused balances unless exemption occurs earlier than this date. For tender numbers 6723-6724 (Apparel), where before 10th October 1990, the goods covered by a licence won in this round:

(a) move to licence on demand; or

(b) are removed from the First Schedule to the Import Control Regulations 1988 (are removed from licence control)—

refunds will be available on request for the proportion of the premium paid for the licence which corresponds to the proportion of the licence not used. Requests for refunds must be made within 12 months of the date of movement to licence on demand or removal of licence control.

## CLOSING OF BIDS

17. **Bids must be received by the Import licence tendering Section of the Ministry of Commerce in Wellington by 5 p.m. on Tuesday, 26 September 1989.** Late bids cannot be accepted.

18. Bids should be addressed to the Senior Advisor, Import Licensing Tendering Section, Ministry of Commerce, P.O. Box 1473, Wellington. Envelopes should be clearly marked "IMPORT LICENCE TENDER" in the bottom right hand corner of the envelope. Bids can be put in the Tender Box situated on the First Floor, Bowen State Building, Bowen Street, Wellington. No other correspondence should be placed in the tender box.

## SECOND SCHEDULE

The Item Code groupings tendered hereunder derive from the Import Licence Schedule:

NOTE: Before completing the bid forms tenderers should read the terms and conditions set out in the First Schedule carefully as these are binding on all bids made.

## APPAREL TENDER ALLOCATIONS: 1989/90 MEN'S AND BOYS' JACKETS

Points to Note:

## Continuity Licence

1. Please note that the amounts tendered in this round for men's and boys' jackets (G906 and G907) represent 50 percent (less continuity) of the total tender allocation for 1989/90, the other 50 percent having already been tendered in May 1989, Round 75. In future there will no longer be two separate tender allocations each year for the two men's and boys' jacket tender categories. The allocations will be combined into one call, which for the 1990/91 licence year, is scheduled to be called in May 1990. As a result, acceptance of continuity from this second jacket round—Round 78, will be required to be given at a considerably earlier date than that normally required. Successful tenderers in this round should therefore take careful note of the early continuity reply date stipulated on the offer.
