Dumping and Countervailing Duties Act 1988

Final Determination and Imposition of Anti-Dumping Duty and Retrospective Measures: Refined Sugar From the Netherlands, Belgium and Denmark, Amendment No. 1

Pursuant to section 14 of the Dumping and Countervailing Duties Act 1988 ("the Act"), the Minister of Commerce gives the following notice.

Notice

1. Title—(1) This notice may be cited as the Final Determination and Imposition of Anti-Dumping Duty and Retrospective Measures: Refined Sugar From the Netherlands, Belgium and Denmark, Amendment No. 1.

(2) This notice shall come into force on the day after the date on which it is published in the *Gazette*.

2. Anti-dumping duty amended—(1) The notice given by the Minister of Commerce entitled "Final Determination and Imposition of Anti-Dumping Duty and Retrospective Measures: Refined Sugar From the Netherlands, Belgium and Denmark" dated 7 June 1989 and published in the *Gazette* of 15 June 1989 ("the principal notice") is hereby amended by omitting the Schedule and substituting the Schedule to this notice.

(2) For the purposes of duty payable on importations of sugar

to which the principal notice relates which were purchased prior to the day on which this notice comes into force, the principal notice shall apply as if this notice had not been given.

Schedule

Formula for Calculation of Amount of Anti-Dumping Duty

The anti-dumping duty to be charged, collected and paid pursuant to this notice shall be, in respect of each importation of the goods, the lesser of the amounts A and B calculated in accordance with the following formulae:

$$A = [(RSP \times 1.05) + \$NZ145] - \text{Export Price}$$

$$B = \text{Normal Value} - \text{Export Price}$$

where—

"RSP" is the Raw Sugar Price per tonne, to be established as at the London time of sale of the imported refined sugar, and being:

(a) The London Daily Price for raw sugar established on a cost/insurance/freight (CIF) basis each London market day as published by the London Futures and Options Exchange; and

(b) Converted to a Free on Board and Stowed (FOBS) basis by deducting the Caribbean/UK freight rate set for that day as published by the London Futures and Options Exchange; and

"Export Price" is the price paid or payable per tonne of the imported sugar;

"Normal Value" in relation to refined sugar imported from one of the countries listed below, is the value listed beside the name of that country:

Country of Origin	Normal Value
Belgium	US\$747 per tonne
Denmark	US\$824 per tonne
The Netherlands	US\$741 per tonne

Where either formula specified above yields a value for A or B of zero or less then no anti-dumping duty is payable.

Note

All amounts expressed in units of currency other than New Zealand dollars shall be converted to New Zealand dollars for the purposes of applying this formula (for example, the Raw Sugar Price is quoted in US dollars per tonne). The exchange rate applicable for converting any such unit of currency into NZ Dollars shall be the rate, as gazetted by the New Zealand Customs Department in the appropriate Customs Exchange Rate Notice, applying at the London time of sale.

Dated at Wellington this 30th day of January 1990.

D. BUTCHER, Minister of Commerce.

Explanatory Note

This note is not part of the notice, but is intended to indicate its general effect.

This notice amends the principal notice given by the Minister of Commerce on 7 June 1989, by changing the amount of the cost difference (being the difference between cost and profit levels of the New Zealand industry and of importers of the sugar) in the formula from \$NZ152 to \$NZ145, and providing that the Raw Sugar Price per tonne be established at the London time of sale.

Further, anti-dumping duty is payable only where the normal value determined for each exporting country is greater than the export price of the goods. If the calculated amount exceeds the determined normal value in relation to exports from any one of the countries named, the export price will be deducted from the normal value.
