Bill Introduced

Government Bill

(Minister/Member in Charge Shown in Parenthesis)

12 July 1990

Gaming and Lotteries Amendment Bill (Hon. Margaret Austin.)

Referred to Select Committee

Internal Affairs and Local Government

Summary of Bill Introduced

Gaming and Lotteries Amendment Bill

This bill amends the Gaming and Lotteries Act 1977 to encompass a new category of gaming activity known as "instant games". These are essentially instant lotteries, whereby tickets bearing a prize are predetermined. These activities include "New Zealand instant games" run by the New Zealand Lotteries Commission, mystery envelopes, and various other small scale instant lotteries. The main object of the bill is to allow the Commission to conduct instant games as games of chance rather than as prize competitions, obviating the need to include a "skill test".
