Broadcasting Standards Authority

Broadcasting Act 1989

Broadcasting Standards Authority—Decision No. 26/90, 27/90, 28/90, 29/90 and 30/90

Pursuant to section 15 (1) of the Broadcasting Act 1989, notice is hereby given that the Broadcasting Standards Authority has made the following decisions on complaints referred to it for investigation and review:

(i) In decision No. 26/90 and 27/90, the Authority upheld complaints by the New Zealand Business Roundtable and the Treasury of Wellington that the broadcast by TVNZ Ltd. of the *Frontline* programme "For the Public Good" breached the responsibility placed on broadcasters to be truthful and accurate on points of fact and to show balance, impartiality and fairness in dealing with political matters, current affairs and all questions of a controversial nature. The Authority ordered TVNZ Ltd. to broadcast, no later than 21 December 1990, a correction and apology statement as a result of its decision on each complaint; in the case of the decision on the New Zealand Business Roundtable complaint, TVNZ Ltd. was also ordered to refrain from broadcasting advertising programmes on TV1 on Sunday, 3 February 1991 from 6 p.m. until closedown.

(ii) In decision No. 28/90, the Authority declined to uphold a complaint by Miss Patricia Bartlett of Lower Hutt, on behalf of the Society for Promotion of Community Standards that the broadcast by TVNZ Ltd. of a programme entitled "Safer Sex" breached the responsibility placed on broadcasters to maintain standards which are consistent with the observance of good taste and decency and the principle that when controversial

issues of public importance are discussed, reasonable efforts are made, or reasonable opportunities are given, to present significant points of view either in the same programme or in other programmes within the period of current interest.

(iii) In decision No. 29/90, the Authority declined to uphold a complaint by John O'Neill of Dunedin, that the broadcast by TVNZ Ltd. of a programme entitled "Safer Sex" breached the responsibility placed on broadcasters to maintain standards which are consistent with the observance of good taste and decency; the maintenance of law and order; the principle that when controversial issues are discussed, reasonable efforts are made, or reasonable opportunities are given, to present significant points of view either in the same programme or in other programmes within the period of current interest; to be truthful and accurate on points of fact; and to avoid the use of deceptive programme practices.

(iv) In decision No. 30/90, the Authority declined to uphold a complaint by Liz MacRaid of Wellington, on behalf of CORSO Inc. that the broadcast by TVNZ Ltd. of a *Frontline* programme which focused on CORSO breached the responsibility placed on broadcasters, *inter alia*, to be truthful and accurate on points of fact and to maintain standards consistent with both the privacy of the individual and the principle that when controversial issues are discussed, reasonable efforts are made, or reasonable opportunities are given, to present significant points of view either in the same programme or in other programmes within the period of current interest.

Copies of decisions may be purchased from the Broadcasting Standards Authority, P.O. Box 9213, Wellington at the price of \$5 each or by annual subscription of \$100.

Notice of Intention to Take Land Under the Public Works Act 1981 for Pedestrian Accessway at Kerikeri

Notice is hereby given pursuant to section 23 of the Public Works Act 1981, of the intention of The Far North District Council to take land.

The land to be taken has an area of 1014 square metres, more or less, and is described as Part Old Land Claim 60, shown on Deposited Plan 43386, being the residue of the land comprised in certificate of title, Volume 640, folio 120 (North Auckland Registry); it adjoins 90 Kemp Road, Kerikeri.
