REGISTERED ENGINEERS

Annual List of Registered Engineers

Acting pursuant to section 4 of the Engineer's Registration Amendment Act 1944, I, Philip Ralph Burdon, Minister of Commerce, published this list of registered engineers who for the time being are holders of annual practising certificates, showing the particulars entered on the register in respect of each engineer.

The certificates will expire on 31 March 1991. The list was provided to me by the Engineers Registration Board of New Zealand pursuant to section 4 (1) of the Engineers Registration Act 1944.

Dated at Wellington this 4th day of March 1991.

PHILIP BURDON, Minister of Commerce.

ENGINEERS REGISTRATION BOARD OF NEW ZEALAND

List of Registered Engineers as at 1 April 1990 and Expiring 31 March 1991

Explanation

Particulars of each column are as follows:

Column 1—This contains the name and qualifications of each engineer who at the date of the list is the holder of an annual practising certificate issued under section 3 of the Engineers Registration Amendment Act 1944. An engineer who has been registered is required to hold a current annual practising certificate in order to retain the full rights of registration.

Column 2—This gives the postal address, either business or residential, as on the application for Annual Practising Certificate.

Column 3—This shows the date of original registration.

It is also to be noted that corporate membership of one of the recognised British Engineering Institutions entitles the holder to be styled as a "Chartered Engineer", but this information is omitted from the list.

P. E. MCGILL, Registrar.
