Electricity Act 1968

Southpower Electricity Supply Licence 1991

I, John Luxton, Minister of Energy, acting pursuant to section 20 of the Electricity Act 1968, hereby licence the joint venture of the Christchurch City Council Electricity undertaking and the Central Canterbury Electric Power Board known as Southpower, hereinafter called the Electrical Supply Authority to supply electricity, and to lay, construct, put up, place and use all electric lines and works which may from time to time be required for the distribution and supply of electricity within the area specified in the First Schedule hereto. The licences described in the Second Schedule hereto are hereby consequentially revoked.

This licence is issued subject to the following conditions:

1. This licence may be cited as the Southpower Electricity Supply Licence 1991.

2. The Electrical Supply Authority shall comply with the provisions of this licence, the Electricity Act 1968 and all enactments made in amendment of or substitution for that Act, any electrical codes of practice made under that Act, the Electrical Supply Regulations 1984, the Electrical Wiring Regulations 1976 and all regulations made in amendment of or substitution for any of those regulations.

3. Any notice to be given to the Electrical Supply Authority shall be sufficient if sent by registered post letter to the offices of the Electrical Supply Authority or sent by telefacsimile or delivered by hand to that registered office. Such notice if sent by post will be deemed to have been received by the Electrical Supply Authority on the third day after the date of posting.

4. Any notice to be given on the part of the Minister of Energy shall be sufficient if given in writing signed by the Minister or by any persons acting under the authority of the Minister.

5. Any notice to be given to the Minister of Energy shall be sufficient if given in writing to or sent by registered post letter addressed to the Secretary of Commerce, Ministry of Commerce, Wellington.

6. This licence shall come into force on the 1st day of April 1991 and shall continue in force until the 31st day of March 2012 unless it is sooner lawfully determined in accordance with clauses 7 or 8 hereof.

7. The Governor-General in Council may pursuant to section 22 of the Electricity Act 1968 cancel this licence if the Electrical Supply Authority is in breach of the provisions contained in clause 2 of these conditions.

8. This licence may be cancelled by the Minister of Energy at the request of or with the consent of the Electrical Supply Authority.

9. At the expiry or cancellation of this licence, the Electrical Supply Authority shall as required by notice in writing by the Minister of Energy remove all buildings, poles and other erections and all transmission lines, plant and other machinery and other removable equipment authorised by the licence to be erected, installed or provided and if within 12 months after being so required the Electrical Supply Authority fails or neglects to remove the same, then the same shall, without payment of any compensation vest in and become the property of the Crown and it shall be lawful for any person authorised by the Minister of Energy in that behalf, subject to compliance with section 15A of the Electricity Act 1968 to enter upon any land or premises and take possession of and remove the same or any part thereof.

10. Nothing contained in the licence, either expressly or by

implication shall be deemed to authorise the Electrical Supply Authority to erect, construct or maintain any lines or works except subject to such conditions (not inconsistent with this licence) as may from time to time be lawfully imposed by any local authority within the district of which any such lines or works may be situated.

11. The systems of supply shall be as described in paragraphs (a), (b), (c), (d), (e) and (f) of Regulation 13 of the Electrical Supply Regulations 1984.

12. The Electrical Supply Authority shall, six months prior to the expiry of the term of this licence provided in clause 6 herein, make written application to the Minister of Energy for the granting of a new licence.

A Water Supply Easement in Gross Acquired in Manukau City

Pursuant to section 20 of the Public Works Act 1981, and to a delegation from the Minister of Lands, the Manager, Lands and Property, Department of Survey and Land Information, Auckland, declares that an agreement to that effect having

been entered into, the water supply easement in gross described in the First Schedule is hereby acquired over the land described in the Second Schedule and the said easement shall vest in perpetuity in The Auckland Regional Council for water supply purposes on the date of the publication in the *Gazette*.

First Schedule

North Auckland Land District

Description of Easement

1. The full, free uninterrupted, and unrestricted right, liberty, and privilege for The Auckland Regional Council (hereinafter called "the Council") from time to time and at all times to take convey and lead water in a free and unimpeded flow (except when the flow is halted for any reasonable period necessary for essential repairs) and in any quantity, consistent with the rights of other persons having the same or similar rights, from the point of entry and upon and across the land described in the Second Schedule (hereinafter called "the easement land") together with the following additional rights incidental thereto:

2. To use any tunnel or line of pipes laid in or on the said easement land or any tunnel or pipe or pipes in replacement or in substitution for the tunnel or all or any of those pipes.

3. Where no such tunnels or line of pipes exist to lay, place and maintain, or to have laid placed and maintained, a tunnel or line of pipes of a sufficient internal diameter and of suitable material for the purpose under or over the surface of the easement land.

4. In order to construct or maintain the efficiency of any such tunnel or pipe line, the full free uninterrupted and unrestricted right, liberty and privilege for the council, its servants, agents, and workmen, with any tools, implements, machinery, vehicles, or equipment of whatsoever nature necessary for the purpose, to enter upon the easement land and to remain there for any reasonable time for the purpose of laying, inspecting, cleansing, repairing, maintaining and renewing the tunnel or pipe line or any part thereof and of opening up the soil of that land to such extent as may be necessary and reasonable in that regard, subject to the condition that as little disturbance as possible is caused to the surface of the easement land and the access to and from any building erected thereon and that the surface is restored as nearly as possible to its original condition and any other damage done by reason of the aforesaid operations is repaired and that any such work is completed with all reasonable speed.

5. Foodtown Properties Limited the one time owners of the easement land did covenant that they together with their heirs, successors and assigns, shall not at any time on or over the said easement area on the easement land and without the prior written consent of the council:

(a) Place any buildings, erections or permanent improvements of any nature;

(b) Do permit or suffer any act whereby the rights, powers, licences and liberties hereby granted to the council may be interfered with or affected; or

(c) Do permit or suffer any act whereby the said water pipes may be interfered with or damaged;

(d) Nothing herein contained or implied shall be deemed to compel the council to convey water through the said pipes and mains and the council may from time to time discontinue the conveyance of water through the same at will.

6. The council will at all times repair and maintain such pipes and mains and associated works as may be constructed or laid through or under the said easement area on the easement land in pursuance of these presents in a good and efficient state of repair for the purposes of which the same are designed and will prevent the same from becoming a nuisance.

7. Cause as little damage as possible to the surface of the easement land and repair and make good all damage caused

by any such works to fences and drains in upon or around the easement land.

8. The rights and powers specified in the Seventh Schedule of the Land Transfer Act 1952 and implied in all registered easements by section 90D of the said Act shall apply in respect of the water supply easement hereby created.
