CONCESSION PROCESSING FEE

The Customs Supplement to the *New Zealand Gazette* dated 19 March 1991 published guidelines relating to the payment of processing fee for tariff concession applications.

Note 2 of the guidelines explained that the \$252 processing fee is required to be in the form of a certified bank cheque.

It has subsequently been decided to rescind this requirement and allow the fee to be paid by personal or company cheque. Obviously if a cheque is found to be invalid the processing of the application will cease and the application returned to the applicant.
