Fisheries Act 1983**Fisheries (Bycatch Trade-off) Notice (No. 3) 1991, (No. 5106)**

Pursuant to section 28ZG of the Fisheries Act 1983, and delegations made pursuant to section 41 of the State Sector Act 1988, the Director (Operations), MAF Fisheries hereby gives the following notice.

Notice

1. Title and commencement—(1) This notice may be cited as the Fisheries (Bycatch Trade-off) Notice (No. 3) 1991.

(2) This notice shall come into effect on the 1st day of August 1991 and shall expire on the last day of September 1991.

2. Interpretation—In this notice:

(a) Any reference to Quota Management Area means the appropriate Quota Management Area as defined in the Fisheries (Quota Management Areas, Total Allowable Catches and Catch Histories) Notice 1986*; and

(b) Target species and bycatch species are specified by way of fishstock codes, being Fishstock Codes defined in the Second Schedule of the Fisheries (Reporting) Regulations 1990†.

3. Offering a lease of quota in lieu of paying deemed value—As from the date this notice comes into effect, any commercial fisherman who could be required under section 282D of the Fisheries Act 1983 to pay the deemed value of any fish that is specified as a bycatch species in this notice, may offer the Director-General a lease or sublease of the right to take fish, being fish that are specified in this notice as a target species in relation to that bycatch species, as specified in the tables below. The ratios, as specified, are the amounts of target species which may, in lieu of such payments, be accepted by way of lease or sub-lease in relation to the amount of the bycatch species for which the offer of quota is made, e.g., if a fisher could be required to pay deemed value for 1 tonne of GUR1 and wishes to offer a lease of SCH1 then the amount that can be offered is 1 tonne \times 0.88 = 0.88 tonnes of SCH1.

Pursuant to section 15 of the Broadcasting Act 1989, notice is hereby given that the Broadcasting Standards Authority has made the following decisions on complaints referred to it for investigation and review.

- (i) In decision 28/91, the Authority declined to uphold a complaint by Mr L. J. - (ii) In decision 29/91, the Authority declined to uphold a complaint by Mr A. N. Dewar of Wellington that the broadcast by Television New Zealand Limited of news items on 16 November 1990 concerning the Gulf crisis breached the responsibilities placed on broadcasters to be truthful and accurate on points of fact and to show balance, impartiality and fairness in dealing with political matters, current affairs and all questions of a controversial nature.
- (iii) In decision 30/91, the Authority declined to uphold a complaint by the Group Opposed to the Advertising of Liquor that the broadcast by Radio Pacific (Waikato) Limited of an advertisement for Davies Corner Liquor Store breached the responsibility placed on broadcasters not to suggest that the consumption or presence of liquor will create a significant change of mood.
- (iv) In decision 31/91, the Authority declined to uphold a complaint by Mr R. Terry of Napier that the broadcast by Television New Zealand Limited of news items on 9 October 1990 about the visit by the then Leader of the Opposition to Hawke's Bay breached the responsibility placed on broadcasters by section 4 (1) (d) of the Act that, when controversial issues of public importance are

discussed, reasonable efforts are made or reasonable opportunities are given to present significant points of view.

- (v) In decision 32/91, the Authority upheld a complaint by Ms Barbara Holt of Auckland that the broadcast by Television New Zealand Limited of an advertisement on 23 October 1990 for the Southern Cross Medical Care Society breached the responsibility placed on broadcasters not to broadcast advertisements which contain any statement or visual presentation which directly or by implication is likely to deceive or mislead the consumer.
- (vi) In decision 33/91, the Authority upheld a complaint by Mr R. G. Rutherford of Christchurch that the broadcast by Television New Zealand Limited of an item on the *Fair Go* programme on 6 March 1990 breached the responsibility placed on broadcasters by section 4 (1) (d) of the Act that, when controversial issues of public importance are discussed, reasonable efforts are made or reasonable opportunities are given to present significant points of view. The Authority ordered Television New Zealand Limited to broadcast a brief summary of the decision on a *Fair Go* programme before 22 August 1991.
- (vii) In decision 35/91, the Authority declined to uphold a complaint by the Group Opposed to the Advertising of Liquor that the broadcast by Television New Zealand Limited of an item on *Sport on One* on 2 March 1991 breached the responsibility placed on broadcasters to avoid any deceptive programme practice, and declined to determine the complaint that the programme (1) breached the requirement to show balance, impartiality and fairness in dealing with controversial issues and (2) breached any responsibilities with regard to advertising.
- (viii) In decision 36/91, the Authority upheld a complaint by the Group Opposed to the Advertising of Liquor that the broadcast by TV3 Network Services Limited of the DB Ironman Triathlon on 17 March 1991 breached the responsibility placed on broadcasters that liquor advertising not include references to a brand name which is not identical to the name of the advertiser.
