Southland Flood Relief Committee Empowering Bill (Mr R. J. S. Munro)	Internal Affairs and Local Government
--	---------------------------------------

Summary of Bills Introduced

Southland Flood Relief Committee Empowering

The objects of this Private Bill are to discharge the Southland Flood Relief Committee from the administration of certain moneys held in trust for the charitable purpose of providing relief or assistance to persons suffering financial hardship by loss or damage from floods which occurred in Southland in January 1984, and to appoint trustees to administer the unexpended balance of the fund for the relief of those persons who have suffered financial hardship due to loss or damage from any subsequent flooding, or other natural disaster.

Fisheries Amendment

This Bill amends the Fisheries Act 1983 in relation to the quota management system. The main areas where changes are to be instituted are: provisions for compensating fishers for reductions in individual quotas; restrictions on the amount of quota available and able to be transferred; prohibition on commercial fishing without a permit; prohibition on the sale of certain fish species outside the quota system; provisions for fishers to offer quota for lease in lieu of paying deemed value; powers of Fishery Officers; and regulations concerning freshwater fish farming.

New Zealand Society of Accountants Amendment Bill

This Bill amends the New Zealand Society of Accountants Amendment Act 1963, which contains, in Part I, provisions relating to the New Zealand Society of Accountants Fidelity Fund.

The amendment provides that the annual fee payable by chartered accountants into the Fidelity Fund, which is prescribed by the Council of the New Zealand Society of Accountants, shall no longer have a maximum amount and shall be a minimum of \$50.

The amendment also removes the \$100 maximum levy that may be imposed on chartered accountants by the Council of the New Zealand Society of Accountants if the Council considers that the amount in the Fidelity Fund is not sufficient to meet actual or prospective claims. The imposition of any such levy would instead be subject to the approval of the Minister of Finance.

Civil Aviation Amendment Bill

The Civil Aviation Amendment Bill amends the Civil Aviation Act 1991 and makes other provisions with respect to civil aviation in New Zealand.

Clause 2 amends section 66 of the principal Act, which relates to appeals to the District Court against decisions made under the principal Act.

Clause 4 repeals section 103 of the principal Act, which continues in force the Civil Aviation Regulations 1953.

Clause 5 contains transitional provisions to continue in force and amend the Civil Aviation Regulations 1953 and the Civil Aviation (Security) Regulations 1989 for three years, to be replaced by ordinary rules made by the Minister of Transport under sections 25 to 30 of the principal Act.

Clause 6 enables the Secretary for Transport to delegate to persons employed in the Ministry of Transport and other persons, functions and powers that are conferred or imposed on the Secretary. At present there is some doubt about this.

Clause 7 provides for refunds to be made in respect of fees and charges paid under the Civil Aviation Charges Regulations 1990.

Clause 8 corrects an oversight in section 2 of the Transport Accident Investigation Commission Act 1990 by inserting a definition of "Convention" (which refers to the Chicago Convention of 1944).

Clause 9 provides that clauses 5 and 6 expire 3 years after the commencement of the Bill.

Westland Bank Community Trust

Annual Report for the 1990–91 Year

Chairperson: James Keenan, Hokitika.

Trustees: Stanley Dawson, Hokitika; Jean Doland, Hokitika; Peter Kerridge, Greymouth; Graham Williams, Greymouth; Peter Roselli, Westport; Jean Dellaca, Westport; and Sheila Thomas, Reefton.

The Westland Bank Community Trust fulfilled its purpose of distributing funds for charitable, cultural, philanthropic, recreational and other purposes beneficial to the Buller/West Coast community by disbursing the sum of \$121,455 to 204 organisations as scheduled in the annual accounts. The trust has therefore granted a total of \$175,242 to 334 organisations since its inception on 1 June 1988. This represents an average grant of just in excess of \$524.

Investment of Capital

In accordance with the trust's policy to provide for inflation the capital of the trust was increased from \$3 million to \$3.15 million and was invested at good rates of interest varying from 11.85 percent for a term of 180 days to 14.4 percent for a term of 6 months. In addition and in line with our responsibility under the Trustees Act to invest prudently, the trust spread its investments so that instead of having all the capital invested with Westland Bank Limited; at 31 March 1991 the investments were placed with Westland Bank Limited, Postbank, National Bank, Westpac and the Rural Bank with the terms varying from 3 months to 4 years, the latter term being with the Rural Bank which offered an interest rate of 13.05 percent at a time when short-term interest rates were falling quite sharply.

Trust Membership

During the year Mary Reynolds of Westport tendered her resignation as a trustee due to personal reasons and was replaced by Jean Dellaca. The Minister of Finance also appointed Stanley Dawson of Hokitika to replace John Stott.

Meetings

The trust held 4 ordinary meetings during the financial year in addition to the public meeting which was held in the Westland District Council Cultural Room, Hokitika on Tuesday, 17 July 1990.

Remuneration

The Minister of Finance advised that he had agreed with the trustees recommendation regarding remuneration, namely that the honoraria remain at the previous year's level but that the meeting fees be increased from \$70 per half day and \$100 per full day to \$90 and \$140 respectively.

Public Meeting

The trustees were again disappointed at the poor attendance at the public meeting held on Tuesday, 17 July 1990 and have invited the latest recipients of grants to the next public meeting.

Appreciation

As chairperson I express my appreciation of the support received from all trustees and for the time they have devoted to meeting attendance and in particular to the consideration they have given to the large number of applications for grants during the year. I would also like to acknowledge the excellent service given by our secretary, Alison Alldridge throughout the year. The trust also wishes to place on record the generosity of Westland Bank Limited in making their boardroom available free of charge for our ordinary meetings.

J. F. KEENAN, Chairperson.

Dated this 1st day of May 1991.

Audit Report to the Trustees of Westland Bank Community Trust

We have audited the financial statements in accordance with accepted auditing standards, and have carried out such procedures as we considered necessary.

In our opinion, the financial statements are properly drawn up and show a true and fair view, on a historical cost basis, of the financial position of the trust as at 31 March 1991 and income and expenditure for the year ended on that date.

Notes to the Financial Statements for the Period Ended 31 March 1991

Statement of Accounting Policies

1. The Westland Bank Community Trust ("the trust") was formed on 30 May 1988 through the creation of a trust deed in compliance with the Trustee Banks Restructuring Act 1988. Under the terms of the trust deed the trust was settled with 2 000 000 \$1 fully paid ordinary shares in Westland Bank Limited representing 100 percent of the issued capital of the bank.

These shares were sold for \$3,000,000 to the ASB Bank Limited on 28 September 1989.

General Accounting Policies

The measurement base adopted is that of historical cost. Reliance is placed on the fact that the trust is a going concern. Accrual accounting is used to match income and expenditure.

Particular Accounting Policies

2. *Investments*—Investments are valued at cost price.

3. *Committed Grants*—Committed grants are the amounts estimated to be disbursed to charitable organisations after providing for any expenditure expected to be incurred in the near future.

4. *Dividends and Interest*—Dividends and interest are recognised as income when they are earned by the trust.

Changes in Accounting Policies—There is a change in policy as compared to last year. This year's financial accounts have been prepared on an accrual accounting basis whereas last year's financial statements were prepared on a cash accounting basis. Any difference in the financial statements as a result of the change in policy is insignificant.

Depreciation

5. Depreciation has been charged on a straight line basis on the typewriter based on an estimated life of 5 years. Depreciation is calculated as follows:

<i>Asset</i>	<i>Cost</i> \$	<i>Estimated</i> <i>Life</i>	<i>Residual</i> <i>Value</i>	<i>Depreciation</i> \$	<i>Closing Book</i> <i>Value</i> \$
