## Authorities and Other Agencies of State

### Broadcasting Standards Authority

#### Broadcasting Act 1989

##### Broadcasting Standards Authority—Decision No. 37/91

Pursuant to section 15 of the Broadcasting Act 1989, notice is hereby given that the Broadcasting Standards Authority has made the following decision on a complaint referred to it for investigation and review.

In decision 37/91, the Authority upheld a complaint by Mr George Ngaei of Invercargill that the broadcast by Radio New Zealand Limited of news items on 30 May 1990

breached the responsibility placed on broadcasters to deal justly and fairly with any person referred to in any programme and that the broadcast of news items on the same date and on 22 and 23 June 1990 breached the responsibility placed on broadcasters to show balance impartiality and fairness in dealing with all questions of a controversial nature and to make reasonable efforts to present significant points of view in the same period or in other programmes within the period of current interest.

Copies of decisions may be purchased from the Broadcasting Standards Authority, P.O. Box 9213, Wellington at the price of \$5.00 each or by annual subscription of \$100.00.

Dated at Wellington this 16th day of August 1991.

### An Easement in Gross Required for a Cathodic Protection System in Auckland City

Pursuant to section 20 of the Public Works Act 1981, and to a delegation from the Minister of Lands, the Manager, Lands and Property, Department of Survey and Land Information, Auckland, declares that, agreements to that effect having been entered into, the easement in gross described in the First Schedule is hereby acquired over the land described in the Second Schedule and the said easement shall vest in perpetuity in The Auckland Regional Council for a cathodic protection system on the date of publication in the *Gazette*.

#### First Schedule

##### North Auckland Land District

###### Description of Easement

1. Gertrude Louise Roberts, Monica Clare Johns and Lois Elizabeth Mary McKendrey (hereinafter together with their heirs, successors and assigns, called "the owners") are the grantors and The Auckland Regional Council (hereinafter called "the council") is the grantee of an easement in gross, for the purposes of perpetual cathodic protection system (hereinafter called "the system") over the land described in the Second Schedule (hereinafter called "the easement land") upon the following terms and conditions.

2. To use the system already laid in or on the said easement land or any cable or anode bed in addition, in replacement or in substitution for or of the system;

3. Where no such system exists, to lay, place and maintain or to have laid, placed and maintained, a cable and/or anode bed of suitable material for the purpose under the surface of the easement land;

4. In order to construct or maintain the efficiency of the system the full, free, uninterrupted and unrestricted right, liberty and privilege for the council, its servants, agents and workmen, with any tools, implements, machinery, vehicles or equipment of whatsoever nature necessary for the purpose, to enter upon the easement land and to remain there for any reasonable time for the purpose of laying, inspecting, cleansing, repairing, maintaining and renewing the system or any part thereof and of opening up the soil of the easement land to such extent as may be necessary and reasonable in that regard, subject to the condition that as little disturbance as possible is caused to the surface of the easement land and that the surface is restored as nearly as possible to the condition in which the land was in immediately prior to any workings being undertaken and any other damage done by reason of the aforesaid operations is repaired.

5. The owners shall not at any time on or over the above described easement land and without the prior written consent of the council:

(a) Place any buildings, erections or fences or permanent improvements of any nature;

(b) Do permit or suffer any act whereby the rights, powers, licences and liberties hereby granted to the council may be interfered with or affected; or

(c) Do permit or suffer any act whereby the said system may be interfered with or damaged.

6. That where the terms set out herein require the consent of the council to be obtained in respect of any matter herein referred to them the council shall not unreasonably or arbitrarily withhold such consent.

7. The council will:

(a) At all times repair and maintain the system and associated works as may be constructed or laid through or under the easement land in pursuance of these presents in a good and efficient state of repair for the purposes for which the same are designed and will prevent the same from becoming a nuisance;

(b) Cause as little damage as possible to the surface of the easement land and repair and make good all damage caused by any such works to landscaping fences and drains in, upon or around the easement land;

(c) Indemnify the owners from and against any loss or damage caused to the easement land or anything on or upon the easement land directly or indirectly arising from the construction, maintenance or operation of the easement;

(d) At all times use its best endeavours to ensure access to the easement land is maintained for the owners and their invitees while the council is performing or having the work performed;

(e) Ensure that any spoil from excavation or work will be removed from the land on a regular basis as the work progresses.

### Land at Madras Street and Coventry Street Acquired for Technical Institute

Pursuant to sections 20 (1) and 50 of the Public Works Act 1981, and to a delegation from the Minister of Lands, the District Solicitor, Department of Survey and Land Information, Christchurch, declares that, an agreement to that effect having been entered into, the land described in the First Schedule hereto is hereby acquired for technical institute and shall vest in the Crown on the date of publication of this declaration in the *Gazette*. The land is acquired subject to an easement in gross to convey electric power reserved in favour of The Christchurch City Council (called "the grantee") upon the terms and conditions as set out in the Second Schedule.

#### First Schedule

##### Canterbury Land District—Christchurch City

All that piece of land containing 2860 square metres, being Section 1, Survey Office Plan 17162. All certificate of title 30K/1192, Canterbury Registry.

#### Second Schedule

##### Description of Easement to Convey Electric Power in Gross

The full, free, uninterrupted and unrestricted right, liberty and privilege for the grantee, its servants, tenants, agents, workmen, licensees and invitees, from time to time and at all times to take, convey and lead electric power in an unimpeded flow (except when the flow is halted for any reasonable period necessary for essential repairs) and in any quantity consistent with the rights of other persons having the same or similar rights from the source of supply or point of entry as the case may be and following the stipulated area within the land described in the First Schedule, and shown marked "A" in Deposited Plan 54502.

Conditions applying to the easement:

1. That all works authorised to be carried out hereunder on the easement line shall be carried out as expeditiously as possible and with as little disturbance to the surface of the land as is reasonably possible and immediately upon completion of any such work the surface of the land shall be restored as nearly as is reasonably possible to its former condition.

2. That the Crown will not place any buildings, erections or fences or plant or allow or suffer to grow any tree or shrub on the stipulated easement line and will not at any time hereafter do or permit or suffer any act whereby the rights hereby granted to the grantee may be interfered with or affected in any way provided always that this provision shall not affect any boundary fence between the land and any adjoining land.

3. That nothing herein contained or implied shall impose any liability upon the Crown to contribute to the cost of any such works hereinbefore described except where such work has been caused by the actions or omissions of the Crown or the Crown's tenants, servants, agents or workmen.

4. That nothing herein contained shall be deemed to abrogate, limit, restrict or abridge any other rights, powers and remedies vested in the grantee by any statute and in particular by the Public Works Act 1981 and the Local Government Act 1974 or any amendments thereof or any Act or Acts passed in substitution therefore.

## General

### Otago Regional Council

#### Water and Soil Conservation Act 1967

##### The Local Water Conservation (Lake Tuakitoto) Notice 1991

**1. Title and commencement**—(1) This notice may be cited as the Local Water Conservation (Lake Tuakitoto) Notice 1991.

(2) This notice shall come into force on the 14th day after the date of its notification in the *Gazette*.

**2. Interpretation**—In this notice, unless the context otherwise requires:

“Act” means the Water and Soil Conservation Act 1967.

“Lake Tuakitoto” means the variable and more or less continuous body of water commonly known as Lake Tuakitoto, including Robson’s Lagoon, situated at and about map reference NZMS260 H46:650370. The shoreline of the lake is defined as the variable extent of surface water, as it is observed at any particular time,

whether of natural extent or whether restricted by any floodbank.

“Natural water” means natural water as defined in the Act.

**3. Regionally significant features**—It is hereby declared that Lake Tuakitoto provides for regionally significant recreational and wildlife habitat features.

**4. Minimum lake level**—The level of natural water in Lake Tuakitoto shall not be artificially lowered below 100.77 metres above datum on The Otago Regional Council gauge at the lake outlet during the period beginning 30 September in any year and ending 16 May in any following year.

**5. Water rights and general authorisations**—(1) Because of the regionally significant features declared in clause 3 of this notice, no water right shall be granted under section 21 of the Act, and no general authorisation shall be made under section 22 of the Act, if the effect of any such right or authorisation would be to have a significant detrimental effect on the regionally significant recreational and wildlife habitat features of Lake Tuakitoto, or if the effect of any such right or authorisation would be that the provisions of this notice cannot remain without change or variation:

Provided that the grant of water rights or the making of

general authorisations for or in connection with the drainage of land that is above 101.42 metres above datum on The Otago Regional Council gauge at the lake outlet shall not be prohibited.

(2) Nothing in this notice shall prevent the grant of water rights for the enhancement of wildlife habitats.

(3) Nothing in this notice shall prevent the renewal in substantially the same terms and conditions of any or all of the water rights or general authorisations affecting Lake Tuakitoto, current at the date of commencement of this notice.

**6. Limit of notice**—Nothing in this notice shall be construed as limiting the effect of the second proviso to Section 21 (1) of the Act relating to the taking or use of natural water for domestic needs, for the needs of animals, and for or in connection with fire fighting purposes.

Dated this 12th day of August 1991.

H. BAYLY, Chief Executive Officer.
