The Far North District Council

Public Works Act 1981

Notice of Intention to Take Land and Easement Over Land for Sewerage Treatment Ponds Pipeline and Leachate Control at Rawene, Under the Public Works Act 1981:

Notice is hereby given that The Far North District Council under the provisions of the Public Works Act 1981 requires to take the land described in Part A of the Schedule hereto, and take an easement over the land described in Part B of the Schedule hereto.

The first described land is required for sewerage treatment ponds and the easement for a pipeline and leachate control. It is intended to use the first described land for the treatment of sewerage within the context of the Rawene Sewerage Scheme for which purpose the land has been used since 1986, for a pipeline and to control leachate from the existing refuse site on the land secondly described. The rights and powers to be vested in The Far North District Council pursuant to the easement are to be those specified in Parts 2 to 5 inclusive, of the Seventh Schedule of the Land Transfer Act 1971 and shall in addition include the power to do such other things as are required to properly control leachate from the refuse site.

The reasons why The Far North District Council considers it reasonably necessary to take these interests in the land, are as follows:

- (a) The land in Part A of the Schedule has been used for purposes of sewerage treatment ponds with the consent of the occupiers of the land since 1986 but a dispute has arisen with the present owner as to ownership of the land;
- (b) The land forms an integral part of the Rawene Sewerage Scheme;
- (c) There is no other land which is suitable for sewerage treatment ponds within the context of the total sewerage scheme;
- (d) It is in the interest of public health and the district generally that the pipeline is provided for and leachate controls are implemented in connection with the existing refuse site and the easement over land in Part B of the Schedule is required to facilitate this.

Any person having an estate or interest in the land may within twenty (20) working days after the date of publication of this notice send an objection to:

The Registrar, Planning Tribunal, Tribunals Division, Justice Department, P.O. Box 10-044, Wellington.

If any objection is made in accordance with this notice, a public hearing will be held, unless the objector otherwise requires, and each objector will be informed of the time and place of the meeting.

Inquiries in respect of this notice may be made to:

The District Engineer, The Far North District Council, Memorial Avenue, Kaikohe.
