#### Explanatory Note

*This note is not part of the order, but is intended to indicate its general effect.*

This order vests certain Crown land in Landcorp Farming Limited, a subsidiary of a State enterprise, on 28 May 1992. The land concerned is part of a larger area of land intended to be vested by an earlier order; but because some of that larger area was land of a kind not capable of being vested by such an order, the vesting of the larger area was not effected. This order consequentially amends the earlier order by omitting the description of the larger area.
