## Charitable Trusts Act Notices

### Notice of Application for Approval of a Scheme

#### The Millson Memorial Trust

In the High Court of New Zealand, Blenheim Registry

In the matter of the Charitable Trusts Act 1957, and in the matter of a certain will of **George Millson** dated the 19th day of October 1967:

#### Statement of Facts:

1. By his will dated on the 19th day of October 1967, **George Millson**, horticulturalist of Blenheim, who died on the 27th day of October 1968 at Blenheim, bequeathed to his trustees certain property upon trust as a trust fund to be called "The Millson Memorial Trust", the funds of the trust to be dealt with as follows:

- (a) The initial funds of the trust shall be invested in New Zealand Government Stock or New Zealand Local Authorities Stock for terms which will yield the best possible rate of interest.
- (b) The interest received on the said initial funds of the trust and all subsequent interest earned shall forthwith on being received be in turn invested in New Zealand Government stock or New Zealand Local Authorities Stock so that the funds of the trust shall increase as rapidly as possible.
- (c) At the expiration of 50 years after the date of my death or at such earlier date as my trustees shall consider there is sufficient accumulation of funds in my residuary estate to permit the carrying out or the commencement of the carrying out of the objects of The Millson Memorial Trust as hereinafter set out my trustees shall call together a meeting of senior citizens of recognised ability and good character with a view to the establishment of a garden settlement free of any church or public body influence or control, my purpose and my direction being that such garden settlement is to exist as a self-supporting community where retired people of 60 years of age or over and in good financial circumstances may live in congenial surroundings. Such meeting of senior citizens shall be called upon to form a committee of 5 members who will act as elected representatives of those who are to occupy the garden settlement and the said committee (the personnel of which may from time to time be altered by majority vote of the settlers assembled at a duly called meeting) shall act in conjunction with my trustees in

ensuring that the spirit and intention of this my will is carried out.

- (d) There shall be purchased by my trustees a suitable site in a convenient setting in either the Marlborough or the Nelson district and there shall be erected upon such site cottages, cabins or other suitable accommodation for the housing of the settlers, each of whom shall pay a rent for the cottage or cabin or other accommodation of a sufficient amount to cover a reasonable proportion of the general overhead costs of the garden settlement and to provide an additional amount for the improvement or expansion of the settlement.
- (e) I leave it to the discretion of my trustees in conjunction with the committee of senior citizens above referred to, to decide upon the type of living accommodation to be erected on the garden settlement but with due regard to my general object and intention that the settlement shall be a place of beauty and superior quality for the benefit of the elderly people who are not provided for by the government or by the churches or charitable organisations (as in the case of pensioners and infirm persons) but who have the means to afford accommodation of a good type and are desirous of living in a special community with others similarly placed for the sake of companionship and convenience. It is accordingly my direction that the buildings shall be so designed and placed as to create an obviously well-planned and attractive property.

#### Submissions:

1. The trust falls within the provisions of Section 32 (1) of the Charitable Trusts Act 1957, in particular in that the amount available is inadequate to carry out the purpose of the trust.

2. The proposed scheme satisfies the provisions of Section 56 of the Act, in that the scheme is a proper one and carries out the desired purpose, and is not contrary to law or public policy or good morals; that the scheme is charitable and can be carried out.

3. That the scheme very closely follows the wishes of the testator refer *re* Goldwater 1967 New Zealand Law Reports 754 and *re* Twigger Endowments H.C. Christchurch M. 724/85.

#### Scheme:

Whereas The New Zealand Guardian Trust Company Limited has not established a garden settlement as was desired by the testator under the above-mentioned deed of trust.

And whereas it is inexpedient for the trustee to establish such a garden settlement with the amount of money available being inadequate to carry out that purpose.

And whereas there has been incorporated a charitable trust known as the Bethsaida Home Trust whose objects *inter alia* are to administer villas for occupation and ownership by the elderly.

And whereas the said Bethsaida Home Trust has acquired further property in Blenheim to enable it to continue to provide accommodation for the elderly.

And whereas the trustee desires that the trust assets shall be dealt with pursuant to the provisions of Part III of the said Act.

Now therefore the trustee has prepared a scheme for the disposition of the trust assets and the said scheme is as follows:

1. The trustee being satisfied that the property situated at Blenheim but more particularly described as 1.1914 hectares being Lot 1 on Deposited Plan 4754 and being all the land in certificate of title Volume 3A, folio 799 (Marlborough Registry), has been transferred to the Bethsaida Home Trust. The trustee shall transfer, assign and deliver to the Bethsaida Home Trust completely and free from any of the trusts

contained in the said Deed of Trust all property of any kind then belonging to or held by the Trustee under the said Deed of Trust, including all funds.

2. The reasonable costs of and incidental to, preparing and advertising this scheme and of having the same approved by the Court, including the costs of the Attorney General, shall be paid out of the trust assets.

The New Zealand Guardian Trust Company Limited as applicant, by its solicitor, Gascoigne Wicks & Co., per:

R. N. WILKES.

*Hearing of Application:*

The hearing of the application by the Court has been set down for Monday, the 20th day of July 1992 at 10 a.m. at the Courthouse, Blenheim.

*Opposition to Scheme:*

Any person desiring to oppose the scheme shall, not less than 7 clear days before the date proposed for the hearing of the application by the Court, give written notice of his/her intention to oppose the scheme to the Registrar, High Court, Blenheim and to the New Zealand Guardian Trust, P.O. Box 541, Nelson and to the Attorney-General, care of Crown Law Office, P.O. Box 5012, Wellington.
