*Education (Corporal Punishment) Bill*

Also provides for amendment to the Crimes Act 1961 to permit the use of reasonable force against children by principals and any person delegated by a principal.

#### *Mixed Member Proportional Representation Referendum Bill*

Provides for the holding, in the year 1993, of a referendum on the reform of the electoral system to introduce mixed member proportional representation. The referendum is to be held on Saturday, 27 March 1993.

Many of the provisions are of a machinery nature relating to the taking of the referendum. However, clause 30 has a mechanism which puts an affirmative result for mixed member proportional representation in place for the 1993 General Election. Clause 29 provides for preparatory boundary work to be done by the Representation Commission.

The First Schedule gives a proposed form of mixed member proportional representation. The Second Schedule gives the form of the voting paper to be used in the referendum.

## Government Notices

### Commerce

#### **Dumping and Countervailing Duties Act 1988**

##### **Termination of Dumping Investigation: Steel Reinforcing Bar from India**

Pursuant to section 11 (1) of the Dumping and Countervailing Duties Act 1988, the Secretary of Commerce hereby gives notice of the termination of the dumping investigation in respect of a dumping complaint lodged by the New Zealand steel reinforcing bar industry against imports of steel reinforcing bar from India, as described in the Notice of Initiation of Dumping Investigation of 18 September 1992.

The Secretary is satisfied, as a result of investigations carried out, that the goods from India which were under investigation, being steel reinforcing bar imported from Tata Iron and Steel Co. Ltd., are not goods in respect of which a determination may be made under the Dumping and Countervailing Duties Act 1988, for the reason that the New Zealand steel reinforcing bar industry has withdrawn its complaint. The Secretary is satisfied that there is insufficient evidence that material injury is being caused or threatened as a result of the importation from India of the goods subject to the investigation.

Dated at Wellington this 13th day of November 1992.

## ASB BANK COMMUNITY TRUST

### Notes to the Financial Statements for the period ended 31 March 1992

#### 1. STATEMENT OF ACCOUNTING POLICIES

The ASB Bank Community Trust ("the Trust") was formed on 30 May 1988 through the creation of a trust deed in compliance with the Trustee Banks Restructuring Act 1988. Under the terms of the trust deed the Trust was settled with 60 million \$1 fully paid ordinary shares in ASB Bank Limited representing 100% of the issued capital. As at 31 March 1988 the

net tangible asset backing of those 60 million shares was \$147,655,000. Subsequently 45 million shares were sold in 1989 to the Commonwealth Bank of Australia for \$252,000,000 which was then donated to the ASB Charitable Trust.

### GENERAL ACCOUNTING POLICIES

The measurement basis adopted is that of historical cost adjusted for the revaluation of certain assets. Reliance is placed on the fact that the Trust is a going concern. Accrual accounting is used to match income and expenditure.

### PARTICULAR ACCOUNTING POLICIES

#### Bank

Bank is stated as the balance in the bank account rather than the balance as per the cash book.

#### Depreciation

Office equipment and furniture were depreciated on a diminishing value basis.

#### Dividends

Dividends are recognised as income when they are received by the Trust, and include imputation tax credits if any.

#### Donations

Donations are accounted for as they are distributed or committed to be distributed to eligible organisations as approved by the Trustees except that where donations approved are payable over a number of accounting periods the future donations payable are accounted for in the year in which they are paid.

#### Fixed Assets

Fixed Assets were valued at cost less accumulated depreciation.

#### Investments

Investments in shares are valued at the net tangible asset backing as disclosed in the latest published accounts. Any revaluation difference is transferred direct to an investment revaluation reserve.

#### Taxation

Taxation includes both current and deferred tax. Deferred tax is calculated using the liability method.

#### Changes in Accounting Policies

There have not been any material changes in accounting policy during this accounting period.

### REPORT OF THE AUDITORS TO THE TRUSTEES OF ASB BANK COMMUNITY TRUST

We have examined the accompanying balance sheet, statement of income and expenditure and statement of cash flows and have obtained all the information and explanations we have required.

We are of the opinion that proper accounting records have been kept by the Trust, that the balance sheet, statement of income and expenditure and statement of cashflows are properly drawn up and give, on an historical cost basis, adjusted by the revaluation of certain assets, a true and fair view of the financial position of the Trust as at 31 March 1992 and its results and cash flows for the year ended on that date.

## ASB CHARITABLE TRUST

### Notes to the Financial Statements for the period ended 31 March 1992

#### 1. STATEMENT OF ACCOUNTING POLICIES

The ASB Charitable Trust ("the Trust") was formed on 31 May 1989 through the creation of a trust deed by the ASB Bank Community Trust and a donation of \$252,000,000.

#### GENERAL ACCOUNTING POLICIES

The measurement basis adopted is that of historical cost adjusted for the revaluation of certain assets. Reliance is placed on the fact that the Trust is a going concern. Accrual accounting is used to match income and expenditure.

#### PARTICULAR ACCOUNTING POLICIES

##### Bank

Bank is stated as the balance in the bank account rather than the balance as per the cash book.

##### Currency Hedges

All hedging contracts are revalued using the New Zealand dollar rate at balance date and all realised and unrealised gains and losses are recognised in income and expenditure for the period.

##### Depreciation

Depreciation is provided over the useful life of the assets. The rates used are:

Buildings	2.5% straight line basis
Vehicle, office equipment & furniture	20% diminishing value basis

##### Dividends

Dividends are recognised as income when they are received by the Trust and exclude imputation tax credits.

##### Donations

Donations are accounted for as they are distributed or committed to be distributed to eligible organisations as approved by the Trustees. Where donations approved are payable over a number of accounting periods the future donations payable are accounted for in the year in which they are paid.

##### Expenses

Some expenses are shared jointly with the ASB Bank Community Trust. Whilst each Trust bears its own specific costs, the joint expenses are allocated between the Trusts on the basis of the number of applications processed by each.

Joint expense allocations were:	1992	1991
This Trust	60%	50%
ASB Bank Community Trust	40%	50%

##### Fixed Assets

Fixed Assets are valued at cost less accumulated depreciation.

##### Foreign Currencies

All amounts denominated in foreign currencies are converted to New Zealand dollars at balance date and all realised and unrealised gains and losses are recognised in income and expenditure for the period.

##### Investments

Investments are stated at market value. Any unrealised gains or losses are recognised in income and expenditure for the period.

Investment transactions are recorded by the Fund Managers on a settlement date basis. Unsettled transactions are disclosed in the Notes as commitments.

##### Reserves

The Investment Fluctuation Reserve consists of unrealised gains, which are recognised as income for the period. Transfers to all other Reserves from the Unallocated Surplus are made at the discretion of the Trustees.

##### Taxation

The Trust has been accorded tax exempt status in New Zealand and Australia but is liable to taxation on investment income in some other overseas countries. Tax on overseas income is accounted for as a reduction of that income.

#### Changes in Accounting Policies

There have not been any material changes in accounting policies in this accounting period.

ASB CHARITABLE TRUST

We have examined the accompanying balance sheet, statement of income and expenditure and statement of cash flows and have obtained all the information and explanations we have required.

We are of the opinion that proper accounting records have been kept by the Trust, that the balance sheet, statement of income and expenditure and statement of cashflows are properly drawn up and give, on an historical cost basis, adjusted by the revaluation of certain assets, a true and fair view of the financial position of the Trust as at 31 March 1992 and its results and cash flows for the year ended on that date.
