CATHERINE A. TIZARD, Governor-General
ORDER IN COUNCIL

At Wellington this 28th day of June 1993

Present:

HER EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL

Whereas by Letters Patent of Her Majesty The Queen, dated the 16th day of September 1955, the Australasian Institute of Mining and Metallurgy (hereinafter called the Institute) was, by Charter passed under the Great Seal, established, created, and incorporated into a body corporate and public: And whereas by clause 15 of the said Charter it is provided that the majority of the corporate members present in person or by proxy and voting at a general meeting of the Institute specially called for the purpose of which due notice has been given shall have power from time to time to make such bylaws as shall seem requisite and convenient for the regulation, government, and advantage of the Institute its members and property and for the furtherance of its objects and purposes, and from time to time to revoke, alter, or amend any bylaw or bylaws previously made but so that the same be not repugnant to the Charter or to the laws and Statutes of Australia and New Zealand or any State or Territory thereof: And whereas it is further provided by clause 15 of the said Charter that no such bylaws, revocation, alteration, or amendment shall take effect until approved by the Governors-General-in-Council of Australia and New Zealand: And whereas certain bylaws were made in accordance with the provisions of the said Charter on the 30th day of November 1956 and were approved, as required by the

Charter, on the 25th day of September 1957: And whereas the said bylaws subsequently have been amended from time to time in accordance with the provisions of the said Charter and the amendments approved, as required by the Charter: And whereas the said bylaws as so amended were further amended in accordance with the provisions of the said Charter by resolution of general meetings of the Institute specially called for the purpose of which due notice had been given and held on the 16th day of August 1989 and the 17th day of July 1992.

Now therefore, Her Excellency the Governor-General of New Zealand, acting by and with the advice and consent of the Executive Council, hereby approves the said further amendments of the bylaws of the Institute as set out under each respective heading in the Schedule hereto.

Schedule

Bylaw 10 (c)—

(c) have held a position of major responsibility in the mining and/or metallurgical industries, government, educational or research organisations for a minimum of 15 years during which time he has achieved distinction by some definite personal contribution to the science and practice of these industries either through personal participation in technical activities or through administrative direction and leadership of qualified technical personnel, and be not less than forty-five years of age.

Bylaw 24—

24. Every person or organisation shall become a member of The Institute in the grade to which they are elected upon receipt of ballots as defined in Bylaw 23.

Bylaw 28—

28. (1) In this Bylaw, "Ethics complaint" means a complaint that a member of The Institute has breached the Code of Ethics or Code for Consultants prevailing at the relevant time and "Ethics Committee" means a committee of not less than five members of the Council appointed by the Council from time to time to hear and determine ethics complaints.

(2) An ethics complaint shall be referred to the Ethics Committee for hearing and determination as expeditiously as is reasonable.

(3) A member against whom an ethics complaint is made shall be entitled to notice in writing of the grounds of the complaint and to a reasonable opportunity to be heard in respect of such complaint before the Ethics Committee, and the procedure to be adopted in respect of an ethics complaint shall be in the discretion of the Ethics Committee.

(4) At the conclusion of the hearing of an ethics complaint, the Ethics Committee may find that the complaint has not been established, or may find that the complaint has been established, in which case the Ethics Committee may decide to take no further action, or it may warn or reprimand the member concerned or suspend the membership of the member

concerned for a period not exceeding 12 months, or resolve that the member be expelled from The Institute.

- (5) A resolution of the Ethics Committee that a member be expelled shall not take effect until such resolution is confirmed by an ordinary resolution of the Council of The Institute, and the member concerned shall be given the opportunity to be heard by the Council before it decides whether or not to adopt any such resolution of the Ethics Committee.
- (6) A member who is dissatisfied with a decision on an ethics complaint by the Ethics Committee adverse to that member may by notice in writing delivered to the Chief Executive Officer of The Institute within sixty days of the giving of such a decision (or within such later time as the Council may by ordinary resolution allow) appeal against such decision.
- (7) The Council shall proceed to hear and determine an appeal from a decision of the Ethics Committee as expeditiously as is reasonable. The member appealing shall be given a reasonable opportunity to be heard on the appeal, but otherwise the procedure to be adopted shall be in the discretion of the Council. The Council shall decide the appeal by ordinary resolution, and shall in reaching a decision as to what should be the outcome of the ethics complaint giving rise to the appeal have all of the powers of the Ethics Committee, and may, within those powers, decide to vary the penalty that was imposed by the Ethics Committee.
- (8) On the hearing of an appeal by the Council, and in considering whether or not to confirm a resolution of the Ethics Committee that a member be expelled, the Council shall be provided with a record of the proceedings before the Ethics Committee, including the evidence, and shall be bound by any findings of fact made by the Ethics Committee, unless it is persuaded that it would be manifestly unjust for it to do so, and it shall not be necessary for the evidence before the Ethics Committee to be recalled before the Council.
- (9) In any proceeding under this Bylaw neither the Ethics Committee nor the Council shall be bound by the rules of evidence and each shall proceed with as little formality and technicality and as much expedition as a fair consideration permits.
- (10) The Ethics Committee or the Council may direct that any finding made by the Ethics Committee or the Council (as the case may be) made against a member as a result of an ethics complaint be reported to members in a publication of The Institute, or be reported to appropriate regulatory authorities.
- (11) A member about whom an ethics complaint has been made and which is subsequently dismissed may publicise that dismissal to the same extent as any publicity given the lodging of the ethics complaint.
- (12) The Council may from time to time make or amend Guidelines to assist members in the implementation of this Bylaw. Such Guidelines must not be inconsistent with this Bylaw.
- (13) All members are bound by a determination of the Ethics Committee or the Council made pursuant to this Bylaw.
- (14) Notwithstanding the above, if a member against whom the Council has made an adverse resolution in respect of an ethics complaint is dissatisfied with that resolution, the member shall have the right to appeal to the President of The Institute of Arbitrators Australia to appoint an arbitrator to make a determination in accordance with the procedures of that Institute. The determination of the arbitrator

shall be accepted by the Council and by every person concerned.

- (15) A member about whom an ethics complaint is made may be represented at any hearing of that ethics complaint or any appeal by a duly qualified legal practitioner.

Bylaw 31—

31. Entrance and transfer fees and annual subscriptions shall be fixed on the recommendation of Council. Council may increase subscriptions in any one year by up to 10 percent without calling an Extraordinary General Meeting of the membership. Should Council resolve to increase subscriptions by more than 10 percent it shall seek approval of the membership.

A member who has reached the age of 60 years and has a combined age plus years of paid subscription amounting to 95 may apply to pay a reduced annual subscription equal to 25 percent of the annual subscription payable by the grade of member to which he belongs. In special cases the Council may waive these requirements.

A member with at least five years service who has reached the age of 55 years and has retired or substantially retired may apply to pay a reduced annual subscription equal to 50 percent of the normal annual subscription for the grade of membership. Substantial retirement means that professional income is less than ten percent of the pre-retirement professional income.

Bylaw 59—

59. The Council may appoint a Finance and Audit Committee as a sub-committee of the Executive Committee. It shall consist of the Chairman of the Executive Committee, the Honorary Treasurer, the Chief Executive Officer and one Councillor. The Finance and Audit Committee shall submit its recommendations for approval at the next meeting of the Executive Committee unless already charged by the Executive Committee to take that decision.

Bylaw 72—

72. Voting for Candidates—The names of all candidates for election to the Council shall be listed on the ballot paper in random lot. A voter shall strike out the names on the list of such persons for whom he does not intend to vote. Any ballot paper which has been returned showing more names than there are vacancies shall be deemed invalid.

Bylaw 75—

75. Any ballot paper received after forty (40) days from the date of posting from The Institute shall be deemed to be invalid. All ballot papers received within forty (40) days shall be opened and examined by two scrutineers appointed by the Council who shall report the results to the Council. The ballot papers shall be destroyed by the Scrutineers after they have certified the results and Council has ratified this decision.

Trust Bank Canterbury Community Trust

Trustees Report

On behalf of the trustees of the Trust Bank Canterbury Community Trust, I am pleased to present the fifth annual report.

The trust was established in 1988 by the Government and given the specific task of distributing the dividends received from its investment in the Trust Bank Group for charitable, cultural, philanthropic and recreational purposes beneficial to the communities of Canterbury, Marlborough and Nelson.

The trust's investment in Trust Bank New Zealand Limited is proving to be profitable and has enabled the trust to expand its charitable work while maintaining a sound financial position.

During the financial year under review the trust has successfully fulfilled its role by giving donations totalling \$2,700,000 to over 1000 community groups. We have been acutely aware of the huge demands on community groups and their need to find finance and although every need cannot always be met the trust is pleased to make such a positive contribution.

Thirty special projects were supported during the year. These included support for a conductive education unit which will serve Canterbury, Nelson and Marlborough, redevelopment of the playground in the Botanical Gardens, helping establish the Canterbury Environmental Trust facility in the Craigieburn Ranges, provision of equipment for the neonatal unit at Christchurch Women's Hospital, plus the building of an arena for Marlborough Riding for the Disabled and extending the accommodation wing of the Riverside Trust in Nelson. The community trust also responded to the snow relief appeal in Canterbury. Fifty tertiary bursaries were established and top up salary support given to 100 Taskforce Green positions throughout the community trust region.

The community trust is pleased to be able to support the people of Canterbury, Nelson and Marlborough in such a tangible way. VIKI BUCK, Chairperson.

Notes to the Financial Statement for the Year Ended 31 March 1993

1. Statement of Accounting Policies

General Accounting Policies

The following general accounting policies have been adopted in the preparation of the financial statements.

- (i) The measurement base adopted is that of historical cost, except for the revaluation of fixed interest Government and local authorities securities. Reliance is placed on the fact that the trust is a going concern.
- (ii) The matching of revenue earned and expenses incurred using accrual accounting concepts.

Specific Accounting Policies

Depreciation—Depreciation has been charged in the financial statements using rates which will write off the cost of assets less their estimated residual value over their estimated economic lives. The depreciation rates used are:

Plant and equipment	20 percent cp
Motor vehicles	20 percent cp
Computer	20 percent cp

Fixed Assets—Fixed assets are recorded at cost less accumulated depreciation.

Dividend Income—Dividend income from Trust Bank New Zealand Limited is included in the income and expenditure statement when it is received.

Donations—Donations are generally included in the income and expenditure statement when paid. Exceptions are made where a one-off commitment is to be paid soon after balance date, and its funding size warrants disclosure in the current year's results.

Investments—Shares held in Trust Bank New Zealand Limited are stated at cost. Government and local authorities securities are shown at market value.

Taxation—For taxation purposes the trust is deemed to be a charitable organisation. Its income is not subject to taxation.

Goods and Services Tax—The trust is not registered for G.S.T. purposes and therefore the financial statements have been prepared on a G.S.T. inclusive basis.

Changes in Accounting Policies—There have been no changes in accounting policy. All policies have been applied on bases consistent with those used in the previous year.

Auditors' Report to the Members of Trust Bank Canterbury Community Trust Inc

We have audited the financial statements in accordance with accepted auditing standards, and have carried out such procedures as we considered necessary.

In our opinion the financial statements give, using the historical cost method, a true and fair view of the financial position of the trust as at 31 March 1993 and the results of its activities and cash flows for the year ended on that date.
