2. Statement of Accounting Policies—The general accounting principles recognised as appropriate for the measurement and reporting of results and financial position under the historical cost method have been observed in the preparation of these statements.

Accrual accounting has been used to match expenses and revenue.

Auditor's Report to the Trustees of Westland Bank Community Trust

We have audited the financial statements in accordance with accepted auditing standards and in terms of the trust's trust deed, and have carried out such procedures as we considered necessary.

In our opinion, the financial statements give, using the historical cost method, a true and fair view of the financial position of the trust as at 31 March 1993, and the results of its activities for the year ended on that date.

DEVLIN WILDING & CO., Hokitika.

Dated this 5th day of July 1993.
