Termination of Undertaking Applying to Carbon-Zinc Primary Cell Batteries From Korea

Pursuant to section 15 of the Dumping and Countervailing Duties Act 1988, I, Philip Burdon, Minister of Commerce, hereby give notice that I have terminated the undertaking entered into by the Rocket Electric Company Limited of Korea, notified in the *New Zealand Gazette* of 25 June 1992 at page 2169, that it will export carbon-zinc primary cell batteries of Australian standard AS2176, sizes AA, C and D (and the equivalent sizes irrespective of which identification system is used for those types), to New Zealand at prices equal to or above the assessed normal values established by investigation. The brief reasons for releasing the company from the undertaking are:

- There is no longer a New Zealand industry producing the goods; and
- There can therefore be no injurious effects upon a New Zealand industry required to be counteracted by the undertaking.

Dated at Wellington this 24th day of September 1993.

of Output Connection of all those persons having plant of any kind whatsoever connected to such facilities for the purpose of injecting or receiving Electricity;

"National Grid Manager" means the person for the time being operating the National Grid;

"Points of Output Connection" means the outgoing terminals of the feeder circuit breaker at the facilities where the Purchaser uplifts, or arranges for the uplift of Electricity from the National Grid;

"Purchaser" means any person taking a supply of Electricity (which is generated or made available by ECNZ) from the National Grid other than in accordance with a formal supply contract with ECNZ or with an Alternative Supplier;

"Reconciliation Agreement" means the Electricity Metering and Reconciliation Agreement between, amongst others, ECNZ and National Grid Manager which, amongst other things, provides for the appointment of an independent third party (which may include the National Grid Manager) to undertake the task of providing an accurate assessment of the quantity of Electricity bought and sold by all parties buying and selling Electricity supplied through the National Grid including allowances for losses incurred in transmission of the Electricity;

"Year" means a period of 365 days or, in the case of a leap year, a period of 366 days;

1.2 Headings: Clause and other headings are for ease of reference only and shall not be deemed to form any part of the context or to affect the interpretation of these Conditions;

1.3 Clauses etc: References to clauses and the schedule are references to clauses and to the schedule to these Conditions;

1.4 Plural and Singular: Words importing the singular number shall include the plural and vice versa;

1.5 Negative Obligations: Any obligation not to do something shall be deemed to include an obligation not to suffer, permit or cause that thing to be done;

1.6 Statutes and Regulations: References to a statute include references to regulations, orders or notices made under or pursuant to such statute or regulations made under the statute and references to a statute or regulation include references to all amendments to that statute or regulation whether by subsequent statute or otherwise and a statute or regulation passed in substitution for the statute or regulation referred to;

1.7 Time: Any reference to time is expressed on a 24 hour clock basis in New Zealand standard time or New Zealand daylight time, whichever is in force, as defined in the Time Act 1974;

1.8 Currency: All amounts referred to in these Conditions are denominated in New Zealand currency; and

1.9 Liability: Where there is more than one Purchaser reference to a Purchaser shall be deemed to include all of the Purchasers jointly and severally.

2. SUPPLY OF ELECTRICITY

2.1 Deemed Purchase: If the Purchaser takes a supply of Electricity (which is generated or made available by ECNZ) from the National Grid other than in accordance with a formal supply contract with ECNZ or an Alternative Supplier the Purchaser shall thereby be deemed to have accepted that such supply is on the terms set out in these Conditions.

2.2 No Liability: Notwithstanding ECNZ permitting the Purchaser to continue to take a supply of Electricity without a formal agreement between ECNZ and such Purchaser, such continued supply shall not be construed as

implying that ECNZ accepts any responsibility for Electricity injected into the National Grid and in particular ECNZ accepts no responsibility for:

- (a) the quality of Electricity taken by the Purchaser; or
- (b) any interruptions to supply to the Purchaser or lack of a continuous supply;

and further ECNZ shall have no liability to the Purchaser arising from any non-supply of Electricity, interruption to the supply of Electricity or any loss or damage incurred by the Purchaser as a result of the Purchaser taking a supply of Electricity in accordance with these Conditions howsoever that loss or damage arises.

3. PRICING AND PAYMENT

3.1 Pricing: Subject to the provisions hereof, the price payable by the Purchaser for the supply of Electricity to the Purchaser pursuant to these Conditions including losses incurred in the transmission of such Electricity shall be as set out in the Schedule to these Conditions.

3.2 G.S.T.: All charges and prices referred to in these Conditions (including those specified in the Schedule) and payable by the Purchaser are stated exclusive of G.S.T. or any other taxes or levies (if any). The Purchaser shall pay to ECNZ at the time of payment for the supply an amount equal to all G.S.T. on supplies made under these Conditions and in addition shall be liable to pay to ECNZ on demand amounts equal to all other taxes, duties, levies or other charges (other than taxes on income) which are, after the date of these Conditions, imposed from time to time on the supply by ECNZ of Electricity or incurred by ECNZ in respect of the operation of the ECNZ's System.

3.3 Payment: All charges payable by the Purchaser for Electricity supplied shall be paid by 2.00 pm on the 20th day of the Month following supply or 2 Business Days after an invoice from ECNZ (whichever is the later). Where the date is other than a Business Day, then the account shall be due and payable on the first Business Day following.

3.4 Default Interest: Subject to clause 3.5, any amounts due for Electricity supplied and other services associated with the supply of Electricity which remain unpaid after the due date as set out in clause 3.3, shall attract interest calculated daily at the Default Rate until the date payment is received, which interest shall be capitalised daily and shall accrue after as well as before judgment. All legal costs and expenses reasonably incurred by ECNZ in collecting or attempting to collect any overdue amount shall be payable by the party in default.

3.5 Disputes as to Accuracy of Accounts: If the Purchaser disputes the accuracy of any account for Electricity:

3.5.1 Payment of Undisputed Amount: The Purchaser shall notify ECNZ accordingly within 5 Business Days of receipt of such account. The Purchaser shall pay the undisputed amount owing in accordance with the provisions of clause 3.3. ECNZ and the Purchaser shall take all steps necessary to resolve the dispute as soon as possible and neither party shall unreasonably impede settlement;

3.5.2 Payment of Balance: On settlement, the Purchaser shall pay to ECNZ any outstanding balance of the account together with interest at the Bank Bill Bid Rate plus 3 per cent but otherwise calculated in accordance with clause 3.4.

3.6 Payment Without Prejudice: If the Purchaser disputes the accuracy of any account for Electricity the Purchaser, after notifying ECNZ of the dispute, may nevertheless forward payment for the entire account rendered. Should it be later agreed that, as a result of an incorrect account, the Purchaser has paid a higher sum than that actually owed,

the overpayment shall be refunded together with interest from the due date until the date payment is made at the Bank Bill Bid Rate but otherwise calculated in accordance with clause 3.4.

3.7 Continuing Liability: Notwithstanding the cessation of supply, the Purchaser shall remain liable for any accrued charges and amounts payable under these Conditions.

4. DETERMINATION OF QUANTITY

4.1 Quantity Taken: Until clause 4.3 applies but subject to clause 4.2 the Purchaser shall be deemed to have purchased from ECNZ all Electricity drawn off from the National Grid at each Point of Output Connection, unless any other person also draws Electricity off from the National Grid at that Point of Output Connection which draw off is exclusively measured by separate Metering Equipment at the Point of Output Connection. In that event the Purchaser shall not be deemed to have purchased such separately measured Electricity.

4.2 Local Customers: If:

- (a) ECNZ is supplying Electricity to a person (Local Customer) other than the Purchaser from the same Point of Output Connection as that from which the Purchaser is drawing its supply of Electricity from the National Grid; and
- (b) the Electricity being supplied to that Local Customer is measured with the Electricity being supplied to the Purchaser,

then the quantity of Electricity deemed to be taken by the Purchaser pursuant to clause 4.1 shall be reduced by the amount of Electricity supplied to such Local Customer over the same period together, if applicable, with an appropriate allowance for line losses that might be suffered in transmitting the Electricity from the Point of Output Connection to the point where Metering Equipment used for measuring the quantity of Electricity sold to the Local Customer is situated.

4.3 Reconciliation Agreement: If there is a Reconciliation Agreement applicable to the supply of Electricity under these Conditions the quantities of Electricity which the Purchaser shall be deemed to have purchased from ECNZ shall be determined in accordance with the Reconciliation Agreement and the provisions of that Reconciliation Agreement shall apply in lieu of clauses 4.1 and 4.2.

4.4 Basis of Measurement: Measurement of Electricity supplied shall be carried out in a prudent and responsible manner using the most appropriate Metering Equipment available at the point of supply to measure the relevant supply. The Purchaser shall not do any act or thing whereby it shall cause the quantity of Electricity measured in each Half Hour to be less than the amount for which it would be liable to ECNZ if measured in the usual and proper manner and shall not in any way interfere with or allow to be tampered with the Metering Equipment on which ECNZ is or may be relying.

5. RIGHTS OF ACCESS

5.1 Authorised Representatives of Seller and Purchaser: For the purposes of this clause 5, the term "ECNZ" shall be deemed to include the employees and authorised agents and contractors of ECNZ.

5.2 Metering Equipment on Purchaser's Property: Where the Metering Equipment at any Point of Output Connection is located on any property (including buildings and other structures) owned or occupied by the Purchaser or otherwise reasonably under its control the Purchaser shall grant or procure the grant to ECNZ of authority to install, test, maintain, read, inspect, replace, repair or operate the Metering Equipment together with reasonable rights of access to such property in accordance with clause 5.3 and such access is deemed to be granted by the

Purchaser to ECNZ as a result of the Purchaser taking Electricity in accordance with these Conditions. Such rights of access shall extend to removal by ECNZ of the Metering Equipment owned or provided by it at any time following the cessation of supply of Electricity.

5.3 Right of Access to Purchaser's Property: The following provisions shall apply to the rights of access conferred by clause 5.2:

- 5.3.1 Notice:** Where practicable, ECNZ shall give to the Purchaser reasonable notice of the work ECNZ proposes to undertake;
- 5.3.2 Minimise Inconvenience:** In carrying out any such work, ECNZ shall cause as little inconvenience to the Purchaser as possible and shall observe recognised safe working practices at all times; and
- 5.3.3 Ownership of Equipment:** Ownership of all Metering Equipment installed or previously installed by ECNZ or on ECNZ's behalf on the Purchaser's property shall remain the property of ECNZ.

5.4 Right of Access to National Grid Manager: The Purchaser shall allow the National Grid Manager the right to read (electronically or otherwise) any Metering Equipment on the Purchaser's property for monitoring use of the National Grid.

6. CESSATION OF SUPPLY

ECNZ reserves the right to request the National Grid Manager to De-energise the Purchaser, or to take steps to disconnect the Purchaser if there is any breach of these Conditions including, without limitation, any failure to make any due payment under these Conditions.

7. WITHDRAWAL OF CONDITIONS

7.1 Withdrawal: ECNZ reserves the right at any time and from time to time to withdraw or amend these Conditions by notice in the New Zealand Gazette. ECNZ shall also endeavour to advertise the notice in newspapers circulating in the area, but any failure to so advertise shall not affect the validity of the notice. With effect from the date specified in such notice any supply of Electricity taken by the Purchaser shall be deemed to be taken on the revised Conditions then applying.

7.2 Obligations to Survive Withdrawal: Withdrawal of these Conditions or the Purchaser ceasing to take a supply pursuant to these Conditions shall not affect clauses 3, 4 and 5 and shall be without prejudice to any claim, right or remedy to which ECNZ may be entitled in the event of any breach of these Conditions arising prior to withdrawal of the Conditions or the Purchaser ceasing to take supply of Electricity in accordance with these Conditions.

8. NOTICES

8.1 Address for Purchaser: For the purposes of sending any notice or other communication to the Purchaser, ECNZ shall be entitled to send such notice or other communication to the address at the Point of Output Connection or (in the discretion of ECNZ) the last business address known to ECNZ and unless the Purchaser notifies ECNZ otherwise any notice or other communication sent to such address shall be deemed to be validly given and received for the purposes of the Conditions.

8.2 Giving of Notices: All notices and other communications (including accounts) required or permitted under these Conditions shall be in writing and shall be delivered personally, sent through the post (postage prepaid) or sent by facsimile transmission. Notices to the Purchaser shall be sent in accordance with clause 8.1 and notices to ECNZ shall be sent to the address of ECNZ set out at clause 8.3. Proof of posting or dispatch of any notice or communication shall be deemed to be proof of receipt:

- (a) **Facsimile Transmission:** In the case of facsimile

transmission, on the day of receipt (as to which confirmation of transmission in its entirety by the facsimile machine transmitting the notice or communication shall be deemed adequate proof) unless sent after the end of business hours or on a day that is not a Business Day in which event notice shall be deemed to have been given at the commencement of the following Business Day; and

- (b) **Letters:** In the case of letters, on the second Business Day after being put in the post, addressed to the intended recipient.

8.3 Address for ECNZ: The address of ECNZ (unless ECNZ notifies otherwise in accordance with clause 8.2) shall be as follows:

Electricity Corporation of New Zealand Limited
P O Box 930
WELLINGTON

Facsimile Number: (04) 499-1363

PRICING SCHEDULE

1. INTERPRETATION

In this Schedule, unless the context otherwise requires:

“**AC Factor**” means the appropriate AC location factor for the area in which the relevant Point of Output Connection is situated as specified in the Appendix C;

“**Billing Period**” means a Month unless:

- (a) supply under these Conditions commences part way through a normal billing period in which event the first billing period shall be the broken period from the date such supply commences until midnight on the last day of the first Month, or other billing period, of the period of supply; or
- (b) supply under these Conditions terminates part way through a normal billing period in which event the last billing period shall be the broken period commencing at the end of the previous billing period and terminating on termination of supply;

“**Pool Price Margin**” means the relevant Pool Price Margin calculated in accordance with clause 4 of this Schedule;

“**Standard Price**” means the price calculated in accordance with clause 3 of this Schedule;

“**Weekly DC Factor**” means, in respect of Electricity being drawn off from the National Grid at a Point of Output Connection in the North Island, the relevant DC factor for each Half Hour in the week as published for that week by ECNZ but, in respect of Points of Output Connection in the South Island, shall always be 1;

“**Weekly Notified Charge**” means the relevant energy charge for each Half Hour in the week as published for that week by ECNZ;

“**Year Ahead DC Factor**” means the relevant factor for each Half Hour calculated in accordance with the Table in Appendix B unless the Electricity being purchased is being drawn off from the National Grid at a Point of Connection in the South Island in which event the year ahead DC factor shall be 1;

“**Year Ahead Price**” means the relevant charge for each Half Hour calculated in accordance with the Table in Appendix A.

2. PRICING

The amount payable by the Purchaser to ECNZ for the supply of Electricity during any Billing Period shall be the sum of:

- (a) the quantities deemed to be taken by the Purchaser at each Point of Output Connection during each Half Hour of the Billing Period multiplied by the relevant Standard Price for that Half Hour at that Point of Output Connection; plus
- (b) the quantities deemed to be taken by the Purchaser at each Point of Output Connection during each Half Hour of the Billing Period multiplied by the relevant Pool Price Margin for that Half Hour.

3. STANDARD PRICE

For the purposes of clause 2 of this Schedule the Standard Price for a Point of Output Connection for each Half Hour during each Billing Period shall be calculated as follows:

$$SP = P \times ACF_y \times M$$

Where:

SP = Standard Price for that Half Hour for that Place of Measurement

P = the greater of:
(a) $EP_y \times DCF_y$; and
(b) $EP_w \times DCF_w$

EP_y = Year Ahead Price for that Half Hour

DCF_y = Year Ahead DC Factor for that Half Hour

EP_w = Weekly Notified Charge for that Half Hour

DCF_w = Weekly DC Factor for that Half Hour

ACF_y = AC Factor for the Point of Output Connection at which Electricity is drawn off from the National Grid

M = 1.04

4. POOL PRICE MARGIN

The Pool Price Margin for each Half Hour during each Billing Period shall be calculated in accordance with the following table:

For Electricity supplied between:

2400–0700 hours in each day	0.28 cents/kWh
0700–2200 hours in each day	2.20 cents/kWh
2200–2300 hours in each day	1.43 cents/kWh
2300–2400 hours in each day	0.71 cents/kWh

APPENDIX A

Year Ahead Prices

The Year Ahead Price shall be calculated in accordance with the following table:

0700–1100 hours,	weekdays (National Holidays excluded) in Summer Period	2.52 c/kWh
1100–1700 hours,	weekdays (National Holidays excluded) in Summer Period	2.40 c/kWh
