### Dumping and Countervailing Duties Act 1988

#### Termination of Dumping Investigation: Men's Woven Business Shirts From China and Hong Kong

Pursuant to section 11(1) of the Dumping and Countervailing Duties Act 1988, acting under delegated authority from the Secretary of Commerce, I hereby give notice of the termination of the dumping investigation in respect of a dumping complaint lodged by the New Zealand industry producing men's woven business shirts against imports of men's woven business shirts from China and Hong Kong, as described in the Notice of Initiation of Dumping Investigation of 31 January 1994 (*New Zealand Gazette*, 3 February 1994, page 633).

I am satisfied, as a result of investigations carried out, that the goods from China and Hong Kong which were under investigation are not goods in respect of which a determination may be made under the Dumping and Countervailing Duties Act 1988, in that there is insufficient evidence available that material injury is being caused or threatened as a result of the importation from China and Hong Kong of the goods subject to the investigation.

Dated at Wellington this 26th day of April 1994.

A. H. MCPHAIL, Manager, Trade Remedies Group.
