2. SUPPLY OF ELECTRICITY

2.1 Deemed Purchase: If the Purchaser takes a supply of Electricity (which is generated or made available by ECNZ) from the National Grid other than in accordance with a formal supply contract with ECNZ or an Alternative Supplier the Purchaser shall thereby be deemed to have accepted that such supply is on the terms set out in these Conditions.

2.2 No Liability: Notwithstanding ECNZ permitting the Purchaser to continue to take a supply of Electricity without a formal agreement between ECNZ and such Purchaser, such continued supply shall not be construed as implying that ECNZ accepts any responsibility for Electricity injected into the National Grid and in particular ECNZ accepts no responsibility for:

- (a) the quality of Electricity taken by the Purchaser; or
- (b) any interruptions to supply to the Purchaser or lack of a continuous supply;

and further ECNZ shall have no liability to the Purchaser arising from any non-supply of Electricity, interruption to the supply of Electricity or any loss or damage incurred by the Purchaser as a result of the Purchaser taking a supply of Electricity in accordance with these Conditions howsoever that loss or damage arises.

3. PRICING AND PAYMENT

3.1 Pricing: Subject to the provisions hereof, the price payable by the Purchaser for the supply of Electricity to the Purchaser pursuant to these Conditions including losses

incurred in the transmission of such Electricity shall be as set out in the Schedule to these Conditions.

3.2 G.S.T.: All charges and prices referred to in these Conditions (including those specified in the Schedule) and payable by the Purchaser are stated exclusive of G.S.T. or any other taxes or levies (if any). The Purchaser shall pay to ECNZ at the time of payment for the supply an amount equal to all G.S.T. on supplies made under these Conditions and in addition shall be liable to pay to ECNZ on demand amounts equal to all other taxes, duties, levies or other charges (other than taxes on income) which are, after the date of these Conditions, imposed from time to time on the supply by ECNZ of Electricity or incurred by ECNZ in respect of the operation of ECNZ's System.

3.3 Payment: Subject to clause 3.4, all charges payable by the Purchaser for Electricity supplied shall be paid by 2.00 p.m. on the 20th day of the Month following supply or 5 Business Days after receipt of an invoice from ECNZ (whichever is the earlier). Where the date is other than a Business Day, then the account shall be due and payable by 2 pm on the first Business Day following.

3.4 Prepayment: If, at the commencement of any Month during which the Purchaser takes supply from ECNZ under these Conditions, the Purchaser does not meet ECNZ's credit requirements, then:

3.4.1 The Purchaser shall pay:

- (a) on or before the first day of the first Month in which the Purchaser takes Electricity pursuant to these Conditions, all charges that would be payable if it takes in that Month and the succeeding two Months quantities of Electricity equal to the quantities expected to be taken by the Purchaser in those three Months. ECNZ shall, prior to commencement of the Month, render an account to the Purchaser for its estimate of the quantities of Electricity it considers the Purchaser will take in the next three Months;
- (b) on or before the first day of every Month following, a further charge based on the charges that will be payable for the quantities of Electricity expected to be taken by the Purchaser in the third Month following.

3.4.2 All monies prepaid by the Purchaser in accordance with clause 3.4.1 shall, subject to clause 3.4.4, bear interest calculated Monthly on the daily balance from time to time at a rate equivalent to the Bank Bill Bid Rate. For the purposes of this clause 3.4.2, the Bank Bill Bid Rate shall be in accordance with the definition in clause 1.1 of these Conditions except that the bid rate shall be the one Month bid rate. Such interest shall be credited to the Purchaser's account with ECNZ on the last day of each Month.

3.4.3 Following the end of each Month ECNZ shall calculate the amount payable by the Purchaser for the quantities actually taken by the Purchaser in that Month (“the Actual Amount”). The Actual Amount shall be compared with the sum of the amount prepaid in respect of that Month and the interest credited pursuant to clause 3.4.2 (“the Prepaid Amount”). If:

- (i) the Actual Amount is greater than the Prepaid Amount the Purchaser shall pay the difference to ECNZ on the first day of the second Month following the relevant Month of supply or 2 Business Days after receipt by the Purchaser of an account from ECNZ for that difference (whichever is the later);
- (ii) the Actual Amount is less than the Prepaid Amount ECNZ shall credit the difference towards the next payment due from the Purchaser or, if no payment is due from the Purchaser, ECNZ shall pay the difference to the Purchaser on the first day of the second Month following the relevant Month of supply.

3.4.4 Pending such payment or credit being given pursuant to clause 3.4.3:

- (i) the amount due from the Purchaser pursuant to subclause 3.4.3(i) (if any) shall be deducted from; or
- (ii) the amount due from ECNZ pursuant to subclause 3.4.3(ii) (if any) shall be added to,

the balance on which interest is to be calculated under 3.4.2.

3.5 Default Interest: Subject to clause 3.6, any amounts due for Electricity supplied and other services associated with the supply of Electricity which remain unpaid after the due date as set out in clauses 3.3 or 3.4, shall attract interest calculated daily at the Default Rate until the date payment is received, which interest shall be capitalised daily and shall accrue after as well as before judgment. All legal costs and expenses reasonably incurred by ECNZ in collecting or attempting to collect any overdue amount shall be payable by the Purchaser.

3.6 Disputes as to Accuracy of Accounts: If the Purchaser disputes the accuracy of any account for Electricity:

3.6.1 Payment of Undisputed Amount: The Purchaser shall notify ECNZ accordingly within 5 Business Days of receipt of such account. The Purchaser shall pay the undisputed amount owing in accordance with the provisions of clauses 3.3 or 3.4. ECNZ and the Purchaser shall take all steps necessary to resolve the dispute as soon as possible and neither party shall unreasonably impede settlement;

3.6.2 Payment of Balance: On settlement, the Purchaser shall pay to ECNZ any outstanding balance of the account together with interest at the Bank Bill Bid Rate plus 3 per cent per annum but otherwise calculated in accordance with clause 3.5.

3.7 Payment Without Prejudice: If the Purchaser disputes the accuracy of any account for Electricity the Purchaser, after notifying ECNZ of the dispute, may nevertheless forward payment for the entire account rendered. Should it be later agreed that, as a result of an incorrect account, the Purchaser has paid a higher sum than that actually owed, the overpayment shall be refunded together with interest from the due date until the date payment is made at the Bank Bill Bid Rate but otherwise calculated in accordance with clause 3.5.

3.8 Continuing Liability: Notwithstanding the cessation of supply, the Purchaser shall remain liable for any accrued charges and amounts payable under these Conditions.

4. DETERMINATION OF QUANTITY

4.1 Quantity Taken: Until clause 4.3 applies but subject to clause 4.2 the Purchaser shall be deemed to have purchased from ECNZ all Electricity drawn off from the National Grid at each Point of Output Connection, unless any other person also draws Electricity off from the National Grid at that Point of Output Connection which draw off is exclusively measured by separate Metering Equipment at the Point of Output Connection. In that event the Purchaser shall not be deemed to have purchased such separately measured Electricity.

4.2 Local Customers: If:

- (a) ECNZ is supplying Electricity to a person ("Local Customer") other than the Purchaser from the same Point of Output Connection as that from which the Purchaser is drawing its supply of Electricity from the National Grid; and
- (b) the Electricity being supplied to that Local Customer is measured with the Electricity being supplied to the Purchaser,

then the quantity of Electricity deemed to be taken by the Purchaser pursuant to clause 4.1 shall be reduced by the

amount of Electricity supplied to such Local Customer over the same period together, if applicable, with an appropriate allowance for line losses that might be suffered in transmitting the Electricity from the Point of Output Connection to the point where Metering Equipment used for measuring the quantity of Electricity sold to the Local Customer is situated.

4.3 Reconciliation Agreement: If there is a Reconciliation Agreement applicable to the supply of Electricity under these Conditions the quantities of Electricity which the Purchaser shall be deemed to have purchased from ECNZ shall be determined in accordance with the Reconciliation Agreement and the provisions of that Reconciliation Agreement shall apply in lieu of clauses 4.1 and 4.2.

4.4 Basis of Measurement: Measurement of Electricity supplied shall be carried out in a prudent and responsible manner using the most appropriate Metering Equipment available at the point of supply to measure the relevant supply. The Purchaser shall not do any act or thing whereby it shall cause the quantity of Electricity measured in each Half Hour to be less than the amount for which it would be liable to ECNZ if measured in the usual and proper manner and shall not in any way interfere with or allow to be tampered with the Metering Equipment on which ECNZ is or may be relying.

5. RIGHTS OF ACCESS

5.1 Authorised Representatives of Seller and Purchaser: For the purposes of this clause 5, the term "ECNZ" shall be deemed to include the employees and authorised agents and contractors of ECNZ.

5.2 Metering Equipment on Purchaser's Property: Where the Metering Equipment at any Point of Output Connection is located on any property (including buildings and other structures) owned or occupied by the Purchaser or otherwise reasonably under its control the Purchaser shall grant or procure the grant to ECNZ of authority to install, test, maintain, read, inspect, replace, repair or operate the Metering Equipment together with reasonable rights of access to such property in accordance with clause 5.3 and such access is deemed to be granted by the Purchaser to ECNZ as a result of the Purchaser taking Electricity in accordance with these Conditions. Such rights of access shall extend to removal by ECNZ of the Metering Equipment owned or provided by it at any time following the cessation of supply of Electricity.

5.3 Right of Access to Purchaser's Property: The following provisions shall apply to the rights of access conferred by clause 5.2:

5.3.1 Notice: Where practicable, ECNZ shall give to the Purchaser reasonable notice of the work ECNZ proposes to undertake;

5.3.2 Minimise Inconvenience: In carrying out any such work, ECNZ shall cause as little inconvenience to the Purchaser as practicable and shall observe recognised safe working practices at all times; and

5.3.3 Ownership of Equipment: Ownership of all Metering Equipment installed or previously installed by ECNZ or on ECNZ's behalf on the Purchaser's property shall remain the property of ECNZ or of its agent or assignee (as the case may be).

5.4 Right of Access to National Grid Manager: The Purchaser shall allow the National Grid Manager the right to read (electronically or otherwise) any Metering Equipment on the Purchaser's property for monitoring use of the National Grid.

6. CESSATION OF SUPPLY

ECNZ reserves the right to request the National Grid Manager to De-energise the Purchaser, or to take steps to disconnect the Purchaser if there is any breach of these

Conditions including, without limitation, any failure to make any due payment under these Conditions.

7. WITHDRAWAL OF CONDITIONS

7.1 Withdrawal: ECNZ reserves the right at any time and from time to time to withdraw or amend these Conditions by notice in the *New Zealand Gazette*. ECNZ shall also endeavour to advertise the notice in newspapers circulating in the area, but any failure to so advertise shall not affect the validity of the notice. With effect from the date specified in such notice any supply of Electricity taken by the Purchaser shall be deemed to be taken on the revised Conditions then applying.

Amendments to Special Benefit Direction

I hereby direct that the Direction that I gave in relation to grants of special benefit dated the 28th day of March 1995 shall, after the date of this direction, be read as if the amendments specified in the Schedule to this Direction were incorporated within it.

Dated this 8th day of May 1995.

PETER J. GRESHAM, Minister of Social Welfare.

Schedule

Provision Amended

Part III, the definition of "Allowable costs":

Amendment

Delete paragraph (a):

Substitute:

"(a) The applicant's actual accommodation costs including arrears, provided that any arrears incurred while the person was in receipt of accommodation benefit, accommodation supplement, rent rebate allowance, or tenure protection allowance under the Act are not to be included; and"

Delete paragraph (c):

Substitute:

"(c) Disability related expenses, being expenses of a kind for which a disability allowance would be payable under section 69c of the Act (but not including any counselling costs in excess of the amount made available by way of disability allowance under the Act); and"

Schedule, column

headings:

Schedule, clause 4 (c)

Delete "Standard Income":

Substitute "Standard Costs"

Delete "135.15":

Substitute "136.15".

Explanatory Note

This Direction amends the Direction given by the Minister dated 28 March 1995 relating to grants of special benefit under the Social Security Act 1964.

The amendments to the definition of Allowable costs correct two errors in the previous direction where any accommodation supplement, rent rebate allowance, tenure protection allowance, and disability allowance were counted twice in the assessment, as they are also included in the definition of Chargeable income by virtue of being benefits payable under Part I of the Act.

The amendments to the Schedule correct typographical errors.

The Direction of the Minister of Social Welfare relating to grants of special benefit of 28 March 1995 was published in *New Zealand Gazette*, 6 April 1995, No. 31, page 909.
