Explanatory Note

This note is not part of the notice, but is intended to indicate its general effect.

This notice, which comes into force on the day after the date of its notification in the *New Zealand Gazette*, exempts persons who issue or allot shares to any specified person, or to Apple Fields Limited from Part I of the Overseas Investment Regulations 1985. The term "specified person" is defined to mean a person which is an overseas person under the regulations, but which would not be an overseas person if Apple Fields Limited were not an overseas person.

The notice also exempts Apple Fields Limited and specified persons from the requirement of Part I of the regulations in relation to the issue or allotment of shares to overseas persons, where that issue or allotment is made instead of the payment of dividends in cash.

The notice exempts Apple Fields Limited and specified persons from the requirements of Part II (except regulation 16) of the regulations (which relates to takeovers by overseas persons) and from Part III of the regulations (which relates to the acquisition by an overseas person of assets used in carrying on a business).

The notice also exempts persons from compliance with regulation 16 in relation to any contract or agreement which provides for the transfer of shares in a company to a specified person or to Apple Fields Limited.
