Dumping and Countervailing Duties Act 1988

Initiation of Dumping Investigation: G-Clamps From the United Kingdom

Notice is hereby given that, acting pursuant to section 10 (1) of the Dumping and Countervailing Duties Act 1988, and under delegated authority from the Secretary of Commerce, I have initiated an investigation to determine both the existence and effect of the alleged dumping of the goods described and from the country of origin specified in the Schedule to this notice, being satisfied that sufficient evidence has been provided that:

- (a) The goods imported or intended to be imported into New Zealand are being dumped; and
- (b) By reason thereof material injury to an industry has been or is being caused,—

and also being satisfied that the collective output of those New Zealand producers who have, in writing, expressed support for the application constitutes—

- (c) Twenty-five percent or more of the total New Zealand production of like goods produced for domestic consumption (assessed during the most recent representative period, being not less than 6 months); and
- (d) More than 50 percent of the total production of like goods produced for domestic consumption (as so assessed) by those New Zealand producers who have, in writing, expressed support for or opposition to the application.

SCHEDULE

Goods Subject To Investigation
