## Trust Bank Bay of Plenty Community Trust Incorporated

### Trustee Banks Restructuring Act 1988

#### Trust Particulars

The Trust Bank Bay of Plenty Community Trust was incorporated on 5 August 1988 as a charitable trust in accordance with the provisions of the Trustee Banks Restructuring Act 1988. The purpose of the community trust is to provide charitable, cultural, philanthropic and recreational benefits to the community.

#### Trustees:

Mr R. B. Tait (Chairperson), Mr J. M. Black, Mr T. A. Currie, Mr M. B. Dickie, Mr S. J. Edward, Mr P. J. Howard, Ms H. P. Jones, Mr E. E. Ogier, Mr M. E. Rex Benner, Mr B. J. Scantlebury, Mrs G. P. Searancke, Mr T. Te Heuheu, Mr L. Thurston, Mrs M. Townshend.

#### Secretary:

Mr A. T. Short.

#### Bankers:

Trust Bank Bay of Plenty Limited.

#### Auditor:

Ingham Mora Malcolm & Russell.

#### Trustees' Report for the Period Ended 31 March 1995

##### Objectives of the Trust:

To receive income and allocate such income for charitable, cultural, philanthropic, recreational and other purposes, being purposes beneficial to the community principally in the Bay of Plenty area.

##### Policies and Structure of the Trust:

A charitable trust designed to administer capital and distribute income for charitable purposes in the Bay of Plenty area.

*Activities of the Trust:*

The trust has continued the policy of selecting a number of projects in each region to receive large donations and providing smaller amounts to many other organisations. The 1995 dividend income totals \$1,897,857, which is higher than the previous year by \$816,582 if one disregards last year's 1:1 bonus share dividend from Trust Bank New Zealand Limited. This increase in dividend income is due primarily to the increased shareholding of the trust in Trust Bank New Zealand, effected last year. A consequence of these increased dividends is that the trust has donated to community organisations throughout the Bay of Plenty, a record total of \$654,660.

*Review of Results and Financial Position of the Trust:*

Total gross income of the trust for the financial year ended 31 March 1995 is \$2,016,221 against which operating costs of \$110,819 have been incurred. The net surplus after deduction of donations and scholarship payments is \$1,240,242 and this is added to the trust's accumulated funds.

During the year, the trust established investment policies which resulted in the purchase of additional Government stock totalling \$749,787. Whilst the year's results reflect primarily the additional dividends stemming from the increased number of shares held, it is noted that the very good results of Trust Bank New Zealand Limited have also been a factor in the record result achieved. The trust's increased operating costs are caused mainly by the first full year operating an independent administrative structure and the greater work load on trustees during the year.

**Chairperson's Report**

This is the seventh annual report of the Trust Bank Wellington Community Trust.

**Objective**

The trust remains committed to providing support to cultural, charitable, philanthropic and recreational organisations and groups in the area served by Trust Bank Wellington.

**Trustees**

Right Hon. F. D. (Frank) O'Flynn retired in May. Being the inaugural chairperson of the trust he had seen the trust grow from a fledgling organisation through to the dynamic trust that it is today. His wisdom and expertise will be missed. Two new trustees were appointed this year—Mr Peter Richardson, a solicitor from Upper Hutt; and Mr Peter Willis, an accountant from Eastbourne. Mr G. Littlefair was not reappointed.

**Administration**

1994 saw the trust employ a salaried staff member for the first time. Frances Russell now has the responsibility of administering the trust. Office space is rented in BDO House on Customhouse Quay. This move coincided with the restructuring of Trust Bank New Zealand Limited.

**Fund Manager**

The cash asset of the trust increased significantly last year due to the sell down of shares when Trust Bank New Zealand listed on the New Zealand Stock Exchange. This sell down gave an \$8 million cash asset to the trust. It was initially invested with Trust Bank Wellington.

The Investment Sub Committee consisting of Graeme Reeves, Debbie Chin and Malcolm Dunphy, selected a Fund Manager, Tower Corporation Holdings Limited, to manage both the cash asset, and the total share portfolio. This approach was seen as a prudent move by the trust to protect the investment as well as protect the trustees. Consequently our share portfolio with the bank and our cash asset are continually monitored by professionals who have the responsibility of minimising our risk, and maximising our investment so that the largest possible return is available for distribution.

**Bank Liaison**

During the year we have continued to have a professional and working relationship with Trust Bank Wellington. Once again local branch managers organised functions for the trust so that many of the successful groups were able to attend in person to collect their grants.

It is my intention to maintain a mutually beneficial relationship between the trust and the bank. To that end I pay tribute to the retiring General Manager, Reece Mead, for his energetic contribution, and also wish both him and Carol all the best for the future.

**Grants**

The trust operates under predetermined guidelines for the distribution of grants to community organisations and groups. This year applications were received seeking over \$2.5 million. The amount sought by applicants varies considerably from year to year but has always been well beyond the trust's resources on each occasion.

The gap between expectation and realisation may be narrowed this coming year because of the successful share float of TBNZ and our decision to sell down some of our holding. The ensuing year could see almost \$1 million being available for distribution to groups within the Trust Bank Wellington area. The criteria for grants have basically remained the same over the years, however this year the application form and information brochure have been combined making completion easier for applicants, and at the same time allowing the procedure for a more stringent audit process to be put in place.

The Grants Sub Committee, consisting of David Gibbons, Peter Willis, Michael Jameson and myself evaluated the applications and recommended that \$627,076 be distributed to 439 applicants. It is my intention to significantly reduce the workload of the sub committee in 1995 as our administrator, who fully participated in all aspects of the grants round last year, will be in a position to classify the applications.

For the first time it was agreed to make a substantial donation to one applicant. Wellington Girls College Foundation submitted an excellent application outlining a project to set up a language centre at the college. The trust viewed the application with great interest as the project was seen to be a visionary one, and the foundation had worked very hard to raise a large amount of money from other sources, needing the final donation to get the project started. The \$25,000 donation in 1994, with the promise of another \$25,000 in 1995, also secured naming rights to the building. This institution and the subsequent exposure has attracted much favourable comment for the bank and the trust.

It is always very difficult to give away money prudently, and this year was no exception. Each application is evaluated individually, some are declined because they fall outside the trust's criteria, or because of commercial content, and others because of insufficient information. However, at the end of the process the trustees believe that all possible steps have been taken to be fair and equitable to all applicants.

**Appreciation**

The trustees of Trust Bank Wellington Community Trust have continued to act in a diligent and prudent manner. With the restructuring of Trust Bank New Zealand and the proposed amendments to the trust deed the trustees are moving the trust into a challenging and exciting phase.

I offer my sincere thanks to all the trustees, and especially those who have carried out activities over and above the call of duty. Also to the executive, Frances Russell, and Brian McLaughlin (part time accountant), for their excellent day to day running of the trust.

The trust continues to play an important role in the philanthropic, cultural and recreational development of our region and now, with the increased income, a greater number of worth-while charitable organisations will benefit.

W. A. (Bill) BRIEN, Chairperson.
