New Zealand Game Industry Board

Game Industry Board Regulations 1985

Game Industry Board – Board Levy

1.1 Pursuant to regulation 17(3) of the Game Industry Board Regulations 1985, notice is given that the Game Industry Board hereby fixes the rates of board levy (which

levy rates are exclusive of goods and services tax imposed by the Goods and Services Tax Act 1985) as follows:

(a) On each deer, other than fallow, slaughtered in deer slaughtering premises, per kilogram hot clean carcass weight after removal of condemned parts:

“A” 25 cents “B” 25 cents plus (or minus) x cents.

(b) On each fallow deer slaughtered in deer slaughtering premises, per kilogram hot clean carcass weight after removal of condemned parts:

“A” 18 cents “B” 18 cents plus (or minus) x cents.

(c) On each killed game deer carcass received at a game packing house, zero cents per kilogram cold clean carcass weight after removal of condemned parts.

(d) On each piece of antler from fallow deer received at a game packing house for processing or packing per kilogram green weight:

“A” \$1.30 “B” \$1.30 plus (or minus) y cents.

(e) On each piece of antler from deer other than fallow deer received at a game packing house for processing or packing per kilogram green weight:

“A” \$3.30 “B” \$3.30 cents plus (or minus) y cents.

Where x = any increase (or decrease) in the number of cents per kilogram of venison to be attributed as the Animal Health levy referred to in the clause below *provided that* x shall be limited to no more than that number which will ensure that “B” does not exceed the equivalent 1994/95 board levy plus 20%.

Where y = any increase (or decrease) in the number of cents per kilogram of velvet to be attributed as the Animal Health levy referred to in the clause below *provided that* y shall be limited to no more than that number which will ensure that “B” does not exceed the equivalent 1994/95 board levy plus 20%.

1.2 The board levy rates set out above marked “A” shall be payable from 1 October 1995 until such date as the Game Industry Board so resolves, and by *Gazette* notice notifies, that the board levy rates set out above marked “B” shall be payable.

1.3 No levy will be payable when the velvet grade value, as defined by the Industry Agreed Grading Standard, is less than or equal to \$15/kg (G.S.T. exclusive).

1.4 If, in breach of the statutory obligation to keep adequate records the board levy, at the rates set out above, will be

assessed by the Game Industry Board with reference to such information as the Game Industry Board considers fit.

2 An Animal Health levy will be collected by DSP's and velvet processors and is incorporated into the levy structure as outlined above. The levy will be broken down as follows:

2.1 GIB levy:

- venison (fallow) 15 cents per kg.
- venison (other) 22 cents per kg.
- velvet (fallow) \$1.00 per kg.
- velvet (other) \$3.00 per kg.

2.2 Animal Health levy:

- venison 3 cents per kg. Subject to *Note 1* following.
- velvet 30 cents per kg. Subject to *Note 1* following.

Note 1: The number of cents per kg of venison/velvet to be attributed to Animal Health levy shall be determined by the Game Industry Board upon the outcome of the arbitration now commenced between the Game Industry Board, the New Zealand Dairy Board and the New Zealand Meat Producers Board, concerning their respective contributions to the Animal Health Board's funding.

3 Companies will not be required to collect levies on Tb reactors but will be required to report the number of reactor deer slaughtered to the GIB in their monthly returns. The levy will be waived for those Tb reactors which are identified with an official MAF reactor tag and where they arrive at the DSP accompanied by an official MAF permit to move.

4 A nil rate of levy will apply to any farmed deer or killed game deer carcasses which are wholly condemned for any reason following slaughter or receipt into a game packing house.

5 No levy shall be payable in respect of any one farmed deer carcass or piece of antler more than once.

6 These rates of levy will come into effect from and inclusive of the 1st day of October 1995 and apply during the 1995-96 season and subsequently until such time as new levy rates are fixed and come into force.

7.1 Pursuant to regulation 17A (1) notice is given that the Game Industry Board hereby fixes the rate of additional levy payable in respect of failure to pay, or late payment of, amounts of board levy payable on or after the 1st day of October 1995 at 10 percent of the amount of levy unpaid.

7.2 This additional levy for failure to pay or late payment may be applied by the board at a rate of 10 percent on the outstanding balance following expiration of the period within which payment is required to be received by the board, and shall be payable by the proprietor of the deer slaughtering premises or game packing house concerned.

Dated at Wellington this 20th day of September 1995.
