Dumping and Countervailing Duties Act 1988

Determination as a Specified Importer

Notice is hereby given that acting pursuant to section 3A (2) of the Dumping and Countervailing Duties Act 1988 as in force immediately before the commencement of the Dumping and Countervailing Duties Amendment Act 1994, in accordance with section 21 of the Dumping and Countervailing Duties Amendment Act 1994, and under delegated authority from the Secretary of Commerce, I have determined that G.U.D. (N.Z.) Limited, a New Zealand producer of oil filters, who is also an importer of like goods, is a "specified importer".

The brief reasons for this determination being made are that having regard to the nature and extent of the importations

of the allegedly dumped goods including the value, quantity, frequency and purpose of the importations, I am satisfied that G.U.D. (N.Z.) Limited should not be excluded from being treated as a New Zealand producer for the purposes of the Dumping and Countervailing Duties Act 1988 as in force immediately before the commencement of the Dumping and Countervailing Duties Amendment Act 1994.

Dated at Wellington this 21st day of February 1996.

A. H. MCPHAIL, for Secretary of Commerce.
