rate of duty to be paid in respect of subject goods imported or intended to be imported from producers. The rate specified in the Second Schedule applied to the types and sizes of the subject goods for each producer, including Dongbo Grinding Wheel Co. The reassessment was initiated following a change in the export arrangements for the subject goods produced by Dongbo Grinding Wheel Co which changed the export prices for the goods. The change meant that the goods were no longer dumped, and accordingly no duty should be paid in respect to certain types and sizes of abrasive discs and wheels exported by Dongbo Grinding Wheel Co.

Third Schedule

List of Suppliers and Exporters

² New Zealand Customs holds schedules of Normal Value (Value for Duty Equivalent) amounts and weighted average dumping margins for the suppliers and exporters listed in the Third Schedule to this notice. These amounts are confidential to the suppliers concerned."

Dated at Wellington this 8th day of April 1996.

JOHN LUXTON, Minister of Commerce.

Note:

The original determination provided a mechanism by which suppliers and exporters other than those investigated, could request that Normal Value (Value for Duty Equivalent) amounts be established. This mechanism enabled the

Extract from *New Zealand Gazette*, 18 April 1996, No. 36, pages 1049–1050

updating of existing schedules and the addition of new filters to those schedules.

The Explanatory Note to the principal notice invited suppliers and exporters to lodge requests, backed by the necessary supporting evidence, for the establishment of these values.

Since the original determination, Normal Value (Value for Duty Equivalent) amounts have been established for additional suppliers and exporters, and further oil filters have been added to the schedules relating to the suppliers investigated.

Following the review and reassessment the same system remains available to suppliers and exporters.

Normal Value (Value for Duty Equivalent) amounts established by the Secretary of Commerce following such requests will be advised to the suppliers or exporters concerned, and to New Zealand Customs.

Public notice of the establishment of additional or updated schedules of Normal Value (Value for Duty Equivalent) amounts will be given as necessary by notice in the New Zealand Gazette.
