Dumping and Countervailing Duties Act 1988

Anti-Dumping Duties: Notice That Anti-Dumping Duties on Hog Bristle Paint Brushes From China are to Cease to Apply

Subject to section 14 (9) of the Dumping and Countervailing Duties Act 1988 (the Act), anti-dumping duties imposed on hog bristle paint brushes from China* will cease to apply to those goods on 2 April 1997 unless, at that date, the goods are subject to review under section 14 (8) of the Act.

Any interested party that might request the Secretary of Commerce to initiate a review before the termination date referred to above, should be aware that positive evidence justifying the need for a review must be provided to the Secretary.

If an application is received which provides positive evidence justifying the need for a review, the Secretary

must undertake a review investigation and report to the Minister of Commerce within 180 days on whether the anti-dumping duties should continue to be applied. Positive evidence justifying the need for a review would need to provide reasons for believing that the expiration of anti-dumping duties would see the recurrence of dumping of hog bristle paint brushes from China and for believing that such dumping would cause material injury to the New Zealand industry producing hog bristle paint brushes. The reasons should be supported by evidence and not based on mere allegations or assertions.

Further information is available from the Manager, Trade Remedies Group, Ministry of Commerce, P.O. Box 1473, Wellington, or on facsimile number (04) 499 8508.

Fisheries (Bycatch Trade-Off) Notice (No. 3) 1996 (No. F36)

Pursuant to section 28ZG of the Fisheries Act 1983 the Policy Manager North, Ministry of Fisheries (acting pursuant to delegated authority in accordance with section 41 of the State Sector Act 1988), hereby gives the following notice.

Notice

1. Title and commencement—(1) This notice may be cited as the Fisheries (Bycatch Trade-off) Notice (No. 3) 1996.

(2) This notice shall come into effect the day after the date of its notification in the *Gazette*, and shall expire on the 15th day of October 1996.

2. Interpretation—In this notice:

(a) Any reference to Quota Management Area means the appropriate Quota Management Area as defined in the Fisheries (Quota Management Areas, Total Allowable Catches and Catch Histories) Notice 1986*;

(b) Target species and bycatch species are specified by the way of fishstock codes, being Fishstock Codes defined in the Second Schedule of the Fisheries (Reporting) Regulations 1990†; and

(c) Methods are specified by way of method codes, being Method Codes defined in the Second Schedule of the Fisheries (Reporting) Regulations 1990†.

3. Offering a lease of quota in lieu of paying deemed value—(1) Subject to this clause, as from the date this notice comes into effect, any commercial fisherman who but for section 28ZG of the Fisheries Act 1983, could be required under section 28ZD of that Act to pay the deemed value of any fish that is specified as a bycatch species in this notice, may, not later than 15 days after the end of the month in which the fish were taken, by notice in writing, offer the Chief Executive of the Ministry of Fisheries a lease or sub-lease of the right to take fish, under any quota held or leased by that fisher that are specified in the Schedule to this notice as a target species in relation to that bycatch species.

(2) The ratios specified in the Schedule to this notice, are the ratios at which a lease or sublease of quota of the target species may be accepted in relation to the amount of the bycatch species for which the offer of quota is made, (e.g. if a fisher could be required to pay deemed value for 1 tonne of Gur 1 and wishes to offer a lease of Fla 1 then the amount that can be offered is 1 tonne \times 0.42 = 0.42 tonnes of Fla 1).

(3) The bycatch species must have been taken while fishing for the target species using the method or any of the methods specified in the Schedule, (e.g. in the case of the above example, the Gur 1 bycatch must have been taken using the method of setnetting).

(4) Any offers that relate to bycatch species as specified in this notice must relate to fishing that has occurred in the months of July, August or September 1996 respectively.

4. Revocation—The Fisheries (Bycatch Trade-off) Notice (No. 2) 1996 (No. F29) appearing in the *New Zealand Gazette* on 9 May 1996, No. 45 page 1243 is hereby revoked.

Medical Council of New Zealand

Medical Practitioners Act 1995

Medical Practitioners (Election of Medical Members of Council) Rules 1996

Pursuant to section 125 (2) (a) of the Medical Practitioners Act 1995, I, Jennifer Mary Shipley, Minister of Health, hereby approve the Medical Practitioners (Election of Medical Members of Council) Rules 1996, made by the Medical Council of New Zealand.

Dated at Wellington this 5th day of August 1996.

HON. JENNY SHIPLEY, Minister of Health.

Medical Practitioners (Election of Medical Members of Council) Rules 1996

1. Title and commencement—(1) These rules may be cited as the Medical Practitioners (Election of Medical Members of Council) Rules 1996.

(2) These rules shall come into force on the day the rules, as approved by the Minister of Health, are published in the *Gazette*.

2. Interpretation—The terms used in these rules and defined in the Medical Practitioners Act 1995 have the same meaning as in that Act.

3. Dates on which election of members of Medical Council to be held—The election of 4 members of the Medical Council for the purposes of section 124 (c) of the Act shall be carried out at elections to be held—

(a) during the month of November 1996; and

(b) during the month of November in every third year after that year,—

on a date in that month to be fixed by the President, who shall also fix the hour at which the poll will be closed.

4. Returning Officer for elections—The Registrar shall be the Returning Officer for any such election.

5. Eligibility to be elected—A medical practitioner is eligible for election to the Council if, on the date nominations close for election, the practitioner is registered.

6. Notice of election to be sent to registered medical practitioners—At least 90 clear days before the date on which an election is to be held, the Returning Officer shall send to each registered medical practitioner a notice setting out—

(a) the date of the election and the hour the poll will close;

(b) the date and the hour on which the nomination of candidates will close; and

(c) the prescribed form for nominations, as set out in rule 7 below.

7. Candidates for election—(1) Every candidate for election must be nominated in writing on a form specified by the Council, with respective registration number indicated, by 15 other registered medical practitioners eligible to vote.

(2) The nomination form—

(a) shall contain the registration number, full name and registered address of the registered medical practitioner nominated, the written consent of the nominee and a biographical sketch (maximum 150 words) in a format specified by the Council, and

(b) may also include a statement to voters (maximum 100 words) prepared by the nominee and a recent photograph, and

(c) shall be forwarded to the Returning Officer so as to reach him or her not later than 60 clear days before the date of the election. Any nomination not received within that time shall be invalid and shall be disregarded.

(3) Information supplied by candidates will be edited to comply with a standard format and sent out to electors with the voting papers.

8. Position where only four nominees—(1) If at any election only four candidates are nominated for election, the Returning Officer shall declare the candidates so nominated to be duly elected.

(2) Every such declaration shall be made by notice in the *Gazette* as soon as practicable after the date upon which the nominations close.

9. Position where more than four nominees—(1) If at any election more than four candidates are nominated for election, an election shall be conducted by postal ballot in accordance with the following provisions:

(a) The register of medical practitioners as it stands on the day, and at the time, on which nominations close shall be used as the register for the purposes of the election, and each name in the register shall be distinctively numbered for the purposes of the election:

(b) The Returning Officer shall, immediately after the day on which nominations close, prepare ballot papers according to subclauses (2) and (3) below:

(2) Every ballot paper shall—

(a) contain the full names of each candidate, and

(b) list the candidates in the order determined by lot by the Returning Officer in the presence of a member of the Council, and

(c) list the names of each candidate with the family name first.

(3) Ballot papers shall be in a form specified by the Council, and shall state that to be a valid vote it must reach the Returning Officer by the time and date fixed for holding the election.

(4) The Returning Officer shall as soon as possible after the ballot papers have been prepared, and not less than 30 days before the date fixed for the election, send one ballot paper, together with an envelope addressed to the Returning Officer, Medical Council, Wellington, marked "ballot paper", by post to every registered medical practitioner on the electoral roll:

(5) No ballot paper shall be valid unless it is received by the Returning Officer, in the envelope issued with the ballot paper, before the time and date fixed for the election.

10. Voting—(1) Voting shall be by the single transferable vote method, which requires voters to place candidates in

order of preference, by writing as a minimum "1" next to the name of the most preferred candidate, and then "2" next to the name of the second most preferred candidate, "3" next to the name of the third most preferred candidate and "4" next to the name of the fourth most preferred candidate and so on:

(2) Each candidate may, by notice in writing to the Returning Officer, appoint one scrutineer to be present when the envelopes containing the voting papers of the election in which he or she is a candidate are opened and the votes counted. If no scrutineer is nominated by any candidate as invited, the Returning Officer shall appoint one scrutineer to be present at the opening and counting of the votes:

(3) (a) Envelopes sent in by voters shall be opened and ballot papers validated against the Electoral Roll (by electronic means as necessary) to ensure that only those eligible to vote have done so, and

(b) Voting preferences shall then be entered on the database ready for electronic counting when the poll has closed, and

(c) All informal votes have been rejected.

(4) A voting paper shall be rejected as informal—

(a) if it had not been received by the Returning Officer by the time of the closing of the poll; or

(b) if it does not clearly indicate the candidate or candidates for whom the elector desires to vote; or

(c) if it contains any means (other than electronic code) by which the name of the voter may be identified; or

(d) if the number "1" is marked opposite the name of more than one candidate; or

(e) if the number "1" is not marked opposite the name of one candidate.

(5) When the poll has closed and all valid votes have been entered in the database, the Returning Officer (or agent appointed by the Returning Officer for the purpose of counting votes, to be known as the Counting Officer) shall count the votes recorded in the ballot papers received by him or her after rejecting informal ballot papers (by electronic means as necessary) and the required number of candidates, taking into account preferential votes according to the rules set out in the Schedule to these rules, shall be elected:

11. Declaration—The Returning Officer shall cause to be published in the *Gazette*, as soon as practicable after the date upon which the election is held, a rank ordered list of candidates, indicating which candidates have been elected.

12. Returning Officer to be sole judge of regularity of election—(1) The Returning Officer shall be the sole and absolute judge of the regularity and propriety of all matters connected with any election, and no election shall be called in question on the ground that—

(a) A ballot paper or an addressed envelope was not forwarded to any voter; or

(b) A ballot paper from any voter was not received by the Returning Officer; or

(c) A ballot paper prepared by the Returning Officer was irregular in form; or

(d) Any vote was irregularly cast; or

(e) Any other irregularity occurred in connection with any election, unless in the opinion of the Returning Officer any such irregularity materially affected the result of the election and occurred otherwise than in good faith.

(2) If any election is called in question under subclause (1) of this rule, including any extraordinary circumstance where the electronic database of voting preferences is corrupted during entry or counting of the votes, by events

outside the Returning Officer's control, the Returning Officer shall either—

(a) Recount the votes after—

(i) Including any vote that was not previously counted due to the irregularity; and

(ii) Rejecting any vote that was irregularly cast; and

(iii) Rejecting informal ballot papers; or

(b) If the Returning Officer considers it necessary, declare the election void and arrange for another election to be held.

(3) Any person who is elected to be a member of the Council as a result of a recount of votes in accordance with subclause (2) (a) of this rule, but who is not the candidate who is finally elected, shall be deemed not to be elected.

(4) If the irregularity occurred by reason of any registered medical practitioner acting otherwise than in good faith, the Returning Officer may report the matter to the President of the Council.

13. Commencement of office—Every person elected to be a member of the Medical Council shall come into office on the day after the publication in the *Gazette* of the results of the election, such publication to be not more than 15 working days after the date of the election.

14. Filling of vacancies—(1) If the seat of an elected Council member becomes vacant before the expiry of the member's term of office, the Council shall instruct the Registrar to—

(a) Leave the seat vacant; or

(b) appoint as an elected member the candidate who would have been the next successful candidate amongst those who were unsuccessful in the last election of Council members.

(2) The term of office of a member appointed under subclause (1) (b) of this rule expires when the former Council member's term would have expired.

15. Notices to be sent to address in register—Every notice required to be sent to a registered medical practitioner pursuant to rule 6 of these rules, and every ballot paper required to be sent to a registered medical practitioner pursuant to rule 9 of these rules, shall be sent to the medical practitioner at his or her address set out in the register.

Schedule

Rules for Counting the Votes

A Counting First Preferences—(1) The number of first preferences recorded for each candidate shall be counted.

(2) The aggregate number of first preferences so recorded shall be divided by one more than the number of candidates required to be elected, and the quotient increased by one, disregarding any remainder, shall be the quota, and (except as provided in rule G of this Schedule), a candidate who does not obtain a number of votes equal to or greater than the quota shall not be elected.

(3) A candidate who has, after the first preferences have been counted, a number of such preferences equal to or greater than the quota shall be declared elected.

B First Preferences Equal to or in Excess of Quota—(1) If the number of first preferences obtained by a candidate is equal to the quota, the whole of the voting papers on which a first preference is recorded for that candidate shall be set aside as finally dealt with.

(2) If the number of first preferences obtained by a candidate is in excess of the quota, the proportion of those preferences in excess of the quota shall be transferred to the other candidates not yet declared elected, next in the order

of the respective preferences of the electors, in the following manner—

(a) all the voting papers on which a first preference is recorded for the elected candidate shall be re-examined, and the number of second preferences, or, in the case provided in rule I of this Schedule, third or next consecutive preferences, recorded for each unelected candidate shall be counted; and

(b) the surplus of the elected candidate shall be divided by the total number of votes obtained by the candidate on the counting of the first preferences, and the resulting fraction shall be the transfer value; and

(c) the number of second or other preferences, ascertained in paragraph (a) to be recorded for each unelected candidate, shall be multiplied by the transfer value; and

(d) the resulting number, disregarding any fractional remainder, shall be transferred to each unelected candidate, and added to the number of votes obtained by that candidate on the counting of the first preferences.

C Surpluses—(1) Where, on the counting of the first preferences or on a transfer, more than one candidate has a surplus, the largest surplus shall be dealt with first, and if at that stage more than one candidate has a surplus, the then largest surplus shall be dealt with, and so on, but if one candidate has obtained a surplus at a count or transfer previous to that at which another candidate obtains a surplus, the surplus of the former shall be dealt with first.

(2) Where 2 or more surpluses are equal, the surplus of the candidate who was the highest on the poll at the count or transfer at which they last had an unequal number of votes shall be dealt with first, and, if they have had an equal number of votes at all preceding counts or transfers, the candidate to be dealt with first shall be decided by lot.

D Increase in Vote Equal to or in Excess of Quota—(1) If the number of votes obtained by a candidate is increased to a number which is equal to, or exceeds, the quota by a transfer, the candidate shall be declared elected.

(2) In a case to which subclause (1) of this rule applies, notwithstanding the fact that the candidate may have reached the quota, the transfer shall be completed, and all the votes to which the candidate is entitled from the transfer shall be transferred, but no votes of any other candidate shall be transferred to that candidate.

(3) If the number of votes obtained by a candidate is increased to a number which is equal to the quota by a transfer, the voting papers on which such votes are recorded shall be set aside as finally dealt with.

(4) Where the number of votes obtained by a candidate is increased to a number which exceeds the quota by a transfer, that surplus shall be transferred to the candidates next in the order of the respective preferences of the voters, in the following manner—

(a) the voting papers on which are recorded the votes obtained by the elected candidate after the last transfer shall be re-examined, and the number of third, or, in the case provided for in rule I to this Schedule, next consecutive preferences recorded for each unelected candidate counted; and

(b) the surplus of the elected candidate shall be divided by the total number of voting papers mentioned in paragraph (a), and the resulting fraction shall be the transfer value; and

(c) the number of third or other preferences, ascertained in accordance with paragraph (a) as having been recorded for each unelected candidate, shall be multiplied by the last mentioned transfer value; and

(d) the resulting number, disregarding any fractional remainder, shall be credited to each unelected candidate,

and added to the number of votes previously obtained by that candidate.

E Lowest Polling Candidate—(1) Where, after the first preferences have been counted and all surpluses, if any, have been transferred, no candidate, or fewer than the number of candidates required to be elected, has or have obtained the quota, the candidate who, at that time, is lowest on the poll, shall be excluded, and all the votes obtained by that candidate shall be transferred to the candidates next in the order of the respective preferences of the electors, in the same manner as provided by rule B (2) to this Schedule.

(2) (a) The votes obtained by an excluded candidate as first preferences shall be transferred first.

(b) The transfer value of each of those votes shall be "1".

(3) The other votes of an excluded candidate shall then be dealt with in the order of the transfers in which, and at the transfer value at which, they were obtained.

(4) Each of the transfers which takes place under subclauses (2) or (3) of this rule shall be deemed for all purposes to be a separate transfer.

F Transfer of Votes—(1) If the number of votes obtained by a candidate is increased to a number which is equal to, or exceeds, the quota by a transfer, the candidate shall be declared elected.

(2) If subclause (1) of this rule applies, notwithstanding the fact that the candidate may have reached the quota, the transfer shall be completed, and all the votes to which the candidate is entitled from the transfer shall be transferred, but no other votes shall be transferred to that candidate.

(3) If the number of votes obtained by a candidate is increased to a number of votes which is equal to, but does not exceed, the quota by a transfer, the voting papers on which those votes are recorded shall be set aside as finally dealt with.

(4) If the number of votes obtained by a candidate is increased to a number which exceeds the quota by a transfer, the surplus shall be transferred to the candidates next in the order of the respective preferences of the electors in the same manner as provided by rule D (4) to this Schedule, but that surplus shall not be dealt with until all the votes of the excluded candidate have been transferred.

(5) If a surplus exists, it shall be dealt with before any other candidate is excluded.

G Transfer of Votes of Excluded Candidates—The process of excluding the candidate who has polled the next lowest number of votes at the election and transferring to other candidates the votes of the excluded candidate shall be repeated until all the candidates, except the number required to be elected, have been excluded, and the non-excluded candidates who have not already been declared elected shall then be declared elected.

H Candidates with Equal Numbers of Votes—If it becomes necessary to exclude a candidate, and 2 or more candidates having the same number of votes are at the time, the lowest on the poll, then whichever of those candidates was recorded as having the lowest number of votes at the last count or transfer at which they had an unequal number of votes shall be excluded first, and if those candidates have had an equal number of votes at all preceding counts or transfers, the candidate to be excluded first shall be decided by lot.

I Order of Preferences—In determining which candidate is next in the order of preference of an elector, any candidates who have been declared elected or who have been excluded shall not be considered, and the order of the preference shall be determined as if the names of those candidates had not been on the voting paper.

J Exhausted Voting Papers—(1) If on a transfer it is found that on a voting paper there is no candidate opposite whose name a number is placed, other than a candidate who has already been either declared elected or excluded, the voting paper shall be set aside as exhausted.

(2) Where the preferences of an elector have been indicated in any way other than solely by the use of numbers the voting paper shall be set aside as exhausted after the counting of—

(a) the first preference indicated by the voting paper, if ‘‘1’’ is the only number used; or

(b) the preferences indicated by a sequence of numbers beginning with ‘‘1’’.

(3) If the same number is recorded opposite the name or more than one candidate or if a number within the sequence of preferences indicated is missing, the voting paper shall

be set aside as exhausted immediately before preferences indicated by that number are considered.

Treaty of Waitangi Act 1975 State-Owned Enterprises Act 1986

Public Notice

The Treaty of Waitangi Act 1975

The State-Owned Enterprises Act 1986

This notice concerns the former Matakana Post Office, Matakana Valley Road, Matakana and Maori claims under the Treaty of Waitangi Act 1975.

The land on which the former Matakana Post Office is situated is described in legal terms as all that parcel of land containing 926 square metres, more or less, being Lot 4, Deposited Plan 42253 and being part Allotment 5, Parish of Matakana, being all of the land comprised and described in certificate of title 71D/160, and subject to:

1. Section 27B of the State-Owned Enterprises Act 1986;
2. Mortgage C. 689272.4.

The land was once owned by the Crown. It was transferred to a State Owned Enterprise under the State-Owned Enterprises Act 1986.

There is a special notice or "memorial" on the certificate of title for the land which provides that, if the Waitangi Tribunal recommends it, the land shall be resumed by the Crown and returned to Maori ownership (see sections 27A and 27B of the State-Owned Enterprises Act 1986).

The current owners of the land, Brian James Reid and Elizabeth Anne Reid, have applied to the Waitangi Tribunal to have this notice removed. The application has been made under section 8D of the Treaty of Waitangi Act 1975.

ANY MAORI PERSON WHO CONSIDERS THAT THEY, OR ANY GROUP WHICH THEY BELONG TO, HAS A CLAIM TO MAKE TO THE WAITANGI TRIBUNAL ABOUT THIS LAND, SHOULD SUBMIT THEIR CLAIM TO THE WAITANGI TRIBUNAL BEFORE THE 1ST DAY OF NOVEMBER 1996.

Section 6 of the Treaty of Waitangi Act 1975, describes what a claim is. Claims may be posted or sent to the Registrar, Waitangi Tribunal, Seabridge House, 110 Featherston Street (P.O. Box 5022), Wellington.

Wanganui District Council

Local Government Official Information and Meetings Act 1987

Wanganui Health Task Force

In November 1995, Mr Garry Kerr requested the Ombudsman to:

“Investigate and review under the provisions of the Local Government Official Information and Meetings Act, the council’s decision to decline to release certain information he requested.”

In the Ombudsman’s opinion the minutes of the Wanganui Health Task Force were deemed to be held by The Wanganui District Council and accordingly the minutes in question should be released to Mr Kerr in accordance with

the time-frame of the Local Government Official Information and Meetings Act. This required the council to make a decision by 24 July 1996.

At the Works and Transport Committee meeting (convened as a committee of the whole council) held on Tuesday, 23 July 1996, it was resolved:

THAT the Health Task Force minutes of its meetings of 25 August, 1 September and 8 September 1995, be released to Mr Kerr after suitable deletions have been made, as recommended by the chairman of the health task force to protect confidential and personal information and effective conduct of public affairs in terms of section 7 (2) (a), 7 (2) (c), 7 (2) (f) and section 16 of the Local Government Official Information and Meetings Act 1987.

The West Coast Community Trust gives notice that the Minister of Finance has directed each trust that it need not publish the full list of grants in the *New Zealand Gazette*, but will provide a copy of its lists of grants to anyone upon request from the secretary, West Coast Community Trust, P.O. Auditor Report

To the readers of the financial statements of West Coast Community Trust:

We have audited the financial report of the trust. The financial report provides information about the past financial performance of the trust and its financial position as at 31 March 1996. This information is stated in accordance with the accounting policies set out.

Trustees’ Responsibilities

The trustees are responsible for the preparation of a financial report which gives a true and fair view of the financial position of the trust as at 31 March 1996 and of the results of operations for the year ended 31 March 1996.

Auditors’ Responsibilities

It is our responsibility to express an independent opinion on the financial report presented by the trustees and report our opinion to you.

Basis of Opinion

An audit includes examining, on a test basis, evidence relevant to the amounts and disclosures in the financial report. It also includes assessing:

- the significant estimates and judgments made by the trustees in the preparation of the financial report, and
- whether the accounting policies are appropriate to the trust’s circumstances, consistently applied and adequately disclosed.

We conducted our audit in accordance with generally accepted auditing standards in New Zealand. We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial report is free from material misstatements, whether caused by fraud or error. In forming our opinion we also evaluated adequacy of the presentation of information in the financial report.

Other than in our capacity as auditors we have no relationship with or interests in the trust.

Unqualified Opinion

We have obtained all the information and explanations we have required.

In our opinion:

- proper accounting records have been kept by the trust as far as appears from our examination of those records; and
- the financial report
 - complies with generally accepted accounting practice;
 - gives a true and fair view of the financial position of the trust as at 31 March 1996 and the results of its operations for the year ended on that date.

Our audit was completed on 4 July 1996 and our unqualified opinion is expressed as at that date.
