USING THE GAZETTE

The *New Zealand Gazette*, the official newspaper of the Government of New Zealand, is published weekly on Thursday. Publishing time is 4 p.m.

Closing time for lodgment of notices under the Companies, Partnership, Insolvency and Land Transfer Acts is 12 noon on Monday (except where that day is a public holiday, in which case the deadline will be noon on the last working day of the preceding week). **All other notices must be lodged at the Gazette Office by 12 noon, Tuesday in the week of publication.**

Notices are accepted for publication in the next available issue, unless otherwise specified.

Notices being submitted for publication must be repro-

duced copies of the originals. Dates, proper names and signatures are to be shown clearly. A covering instruction setting out requirements must accompany all notices.

Copy will be returned unpublished if not submitted in accordance with these requirements.

Notices for publication and related correspondence should be addressed to:

Gazette Office,
Department of Internal Affairs,
P.O. Box 805,
Wellington.
Telephone (04) 495 7200.
Facsimile (04) 495 7289.

Cancelled Notices

Notices cancelled after being accepted for publication will be subject to a charge of \$55 to cover setting up and deleting costs. The deadline for cancelling notices is 3 p.m. on Wednesdays.

Advertising Rates

The following rates for the insertion of materials in the *New Zealand Gazette* apply as from 1 July 1996:

Category 1

Single column notices, e.g.: Notices under the Companies Act, Insolvency Act, and Public Works Act—48c per word (no matter how big or small)*.

Category 2

Notices in table form or taking up two columns across the page, e.g.: Change of Company Name notices, Regulation Summaries—54c per word (no matter how big or small)*.

*Any word or group of alphas or numerals with a comma or full-point imbedded in it will count as two words.

*Any word or letter ending with a full-point, comma, shilling stroke (whether followed by a word space or no word space will count as one word, e.g., D.X. = 2 words, the end. = 2 words. The full point, comma, shilling stroke ends the word, and what follows starts another word.)

The appropriate rate to be applied to an advertisement will be determined at the time of setting up the notice for publication. Customers will be invoiced in accordance with standard commercial practices. Advertising rates are not negotiable.

All rates shown are inclusive of G.S.T.

General

Australia New Zealand Food Authority

Australia New Zealand Food Authority Act 1991

Australia New Zealand Food Authority—Food Standards

The Australia New Zealand Food Authority advises progress on the following applications and proposals for the development or variation of standards in the Australian Food Standards Code.

You can get further information on each of these matters in information papers which are available from:

The Information Officer
Australia New Zealand Food Authority
P.O. Box 10-559
The Terrace
WELLINGTON 6036
NEW ZEALAND
Telephone: (04) 473 9942
Facsimile: (04) 473 9855

Matters at Full Assessment

The authority has made preliminary assessments, accepted the following applications, and will now make full assessments of them:

Fresh and frozen poultry meat temperatures (A332). An application received on 12 December 1996 from the Poultry Industry Association of New Zealand Incorporated, to decrease the temperature to which fresh poultry meat may be stored from -2°C to -4°C .

Lactose free food for specific dietary use (A333). An application received on 2 January 1997 from Harvey Fresh (1994) Limited to define lactose free milk.

You are invited to present written submissions to the authority on matters relevant to these applications, including the potential regulatory impact on consumers, industry and government by **3 April 1997**.

Matters at Inquiry

The authority will conduct an inquiry into the variations to standards prepared at full assessment of the following application:

Dithiocarbamates (A313). An application from the National Registration Authority for Agricultural and Veterinary Chemicals to allow for the rationalisation of maximum residue limits (MRLs) for existing uses of dithiocarbamates in Australia.

You are invited to present written submissions to the authority on matters relevant to these applications, including the potential regulatory impact on consumers, industry and government by **3 April 1997**.

With respect to this application the authority is satisfied that the application raises issues of minor significance and complexity and has decided to omit to invite public submissions prior to making a full assessment.

Matters Before Council

The authority has completed inquiries into the variations to standards and new standards prepared at full assessment of the following applications and has made recommendations to the Australia New Zealand Food Standards Council that the variations be adopted into the Australian Food Standards Code:

Reduced fat peanut butter and peanut paste (A297). An application from Kraft Foods Limited to include provision for reduced fat peanut butter in Standard M2—Peanut Butter or Peanut Paste.

Residues in food (A301). An application from the National Registration Authority for Agricultural and Veterinary Chemicals (NRA) to include a maximum residue limit (MRL) for dimethoate in litchi of 5 mg/kg.

Edible coatings on cheese (A302). An application from the Australian Food Industry Science Centre requesting permission to use all of the Group I (vegetable gums) and Group IV (emulsifiers) modifying agents in Table 1 of Standard A10, as well as glycerin, sorbic acid and natamycin, in edible coatings on cheese and cheese products.

Testing for *Pseudomonas aeruginosa* (A305). An application from the Australasian Soft Drink Association in conjunction with the International Bottled Water Association Australian Chapter to refer to an updated Australian standard methodology of testing for *Pseudomonas aeruginosa* in mineral water, packaged water and packaged ice.

Residues in food (A307). An application from the National Registration Authority for Agricultural and Veterinary Chemicals (NRA) to include new or amended maximum residue limits (MRLs) for a number of chemicals.
