Advertising Rates

The following rates for the insertion of materials in the *New Zealand Gazette* apply as from 1 July 1996:

Category 1

Single column notices, e.g.: Notices under the Companies Act, Insolvency Act, and Public Works Act—48c per word (no matter how big or small)*.

Category 2

Notices in table form or taking up two columns across the page, e.g.: Change of Company Name notices, Regulation Summaries—54c per word (no matter how big or small)*.

*Any word or group of alphas or numerals with a comma or full-point imbedded in it will count as two words.

*Any word or letter ending with a full-point, comma, shilling stroke (whether followed by a word space or no word space will count as one word, e.g., D.X. = 2 words, the end. = 2 words. The full point, comma, shilling stroke ends the word, and what follows starts another word.)

The appropriate rate to be applied to an advertisement will be determined at the time of setting up the notice for publication. Customers will be invoiced in accordance with standard commercial practices. Advertising rates are not negotiable.

All rates shown are inclusive of G.S.T.

Use of Aspartame

An information paper titled *Aspartame: Information for Consumers* has been developed by the authority addressing recent media reports of health concerns arising from the consumption of the intense sweetener aspartame. The paper is available from the authority upon request.

Matters Before Council

The authority has completed inquiries into the variations to standards prepared at full assessment of the following application and proposal and has made recommendations to the Australia New Zealand Food Standards Council that the variations be adopted into the Australian Food Standards Code:

Dithiocarbamates (A313). An application from the National Registration Authority for Agricultural and Veterinary Chemicals to rationalise the existing MRL entries for a number of chemicals.

Imitation Cream (P130). A proposal to delete Standard G3—Imitation Cream, and make consequential amendments to Standard A3—Food Additives.
