Dumping and Countervailing Duties Act 1988

Notice of Initiation of Duty Reassessment for Plasterboard from Thailand

Pursuant to section 14(6) of the Dumping and Countervailing Duties Act 1988 ("the Act"), and under delegated authority from the Secretary of Commerce, I hereby give notice that I have initiated a reassessment of the amount of anti-dumping duty in respect of imports into New Zealand of the goods described in the Schedule.

The purpose of the reassessment is to take account of the recent significant devaluation in the Thai baht, and to give effect to an agreement between Winstone Wallboard Limited and the Minister of Commerce, the Secretary of Commerce and the Ministry of Commerce. The reassessment will reassess the rate or amount of anti-dumping duty.

The reassessment initiated on 27 January 1997 with the purpose of ensuring that any changes in the elements between the non-injurious market price and the non-injurious FOB price which may have occurred, were incorporated into the anti-dumping remedy, has been terminated.
