Rodney District Council

Public Works Act 1981

Notice of Intention to Take Land Near Haruru Road, Kaukapakapa for Road

Notice is hereby given that The Rodney District Council, under the provisions of the Public Works Act 1981, intends to take that part of the land described in the Schedule hereto marked “A” on S.O. Plan 68944 for road, to be used for the realignment of Haruru Road.

The reasons why The Rodney District Council considers it is necessary to take the interest in the land are as follows:

- (a) to legalise the formed road which has been formed since at least 1927 and which has been used by the public and maintained by the council for many years;
- (b) the cost of forming the legal road to straighten

Haruru Road is considerably higher than the cost of legalising the already formed road and therefore of economic benefit to the ratepayers. The taking is considered reasonably necessary for the safe and convenient use of the road.

Any person having an interest or estate in the land may, within 20 working days after the date of this notice, send an objection to the Registrar, Environment Court, Fifth Floor, 49 Ballance Street (P.O. Box 5027), Lambton Quay, Wellington.

If any objection is made in accordance with this notice, a public hearing will be held, unless the objector otherwise requires, and each objector will be informed of the time and place of the hearing.

Schedule

72.1352 hectares, more or less, being part Allotment 183 of the Parish of Makarau and being more particularly shown on a plan deposited in the Land Registry Office at Auckland as No. 21233 and being all the land comprised and described in certificate of title 475/63 (North Auckland Registry).

Dated this 28th day of August 1997.

BRIAN DENYS SHARPLIN, General Manager of The Rodney District Council.

The Third Schedule of the Trade Wastes Bylaw 1991 is amended by repealing Clause 5 and substituting the following clause:

5 (1) Where trade wastes are mixed with domestic sewage discharged from trade waste premises and are not independently measured, the following provisions shall apply:

- (a) A credit calculated in accordance with sub-clause (2) of this clause shall be given against the amount of trade waste charge calculated in respect of the premises in accordance with Clause 4 hereof;

(2) Credit shall be given by Watercare Services Limited (as successor to the Auckland Regional Council in respect of trade wastes pursuant to section 707ZF of the Local Government Act 1974) for that part of the charge made by a territorial authority, Local Authority Trading Enterprise or other company for the provision of wastewater services

to the premises which are considered to relate to the reception, treatment and disposal of domestic sewage by Watercare Services Limited. When calculating the amount of the credit, Watercare Services Limited shall have regard to the following factors:

- (a) The portion, if any, of the territorial authority rates assessment of the premises, which relates to the reception, treatment and disposal of domestic sewage by Watercare Services Limited;
 - (b) The total annual costs incurred by Watercare Services Limited of providing services for the reception, treatment and disposal of domestic sewage per head of total population connected to the wastewater system;
 - (c) The number of people employed at the trade premises in question as at the date on which the trade waste measurement is taken; and
 - (d) The amount currently or proposed to be charged by a LATE or other company for the provision of wastewater services to the trade premises in question.
- (3) Where trade wastes are measured independently of domestic sewage, no credit will apply.
- (4) This clause takes effect from 1 October 1997.
