1.1 For the purposes of clause 1 of the Second Schedule unless the context otherwise requires, the following terms shall have the following meanings:

(a) "Land Value" in relation to the Land as at the Commencement Date and any Review Date means the sum that the Land, if unencumbered by any mortgage or other charge thereon, might be expected to realise as at the Commencement Date or that Review Date (as the case may be) if offered for sale (and assuming such land is capable of being offered for sale) on such reasonable terms as a bona fide seller of the land might be expected to impose, but adjusted as may be necessary to take into account the terms and conditions of this Forestry Right including any restrictions imposed on the Grantee under the Forestry Right pursuant to the terms of the Lease to Watercare;

(b) "Land" means the Hunua Forest (but

excludes all trees and other improvements), as delineated on the plan annexed hereto but does not include any areas returned to the Grantor under clauses 4.13 (b) or 4.14 (d).

1.2 (a) Notwithstanding the Grantor and the Grantee acknowledge and declare that they have entered into this Forestry Right in the belief that the plan annexed hereto correctly defines the productive and unproductive areas within the Hunua Forest, it is accepted that the said plan may not accurately reflect the true extent of such productive and unproductive land and no warranty as to the correctness of the plan annexed hereto is expressed or implied on the part of the Grantor and no liability shall attach to the Grantor in respect of any error or misdescription contained therein.

(b) If any dispute or difference shall arise between the parties as to the correctness or accuracy of the said plan, such dispute or difference shall be referred to arbitration in accordance with clause 7 hereof.

1.3 (a) The Grantee shall pay to the Grantor during the Term of this Forestry Right a forestry licence fee of an amount per annum calculated in the manner described in clause 1 payable by equal yearly instalments in advance. The annual forestry licence fee payable during the period from the Commencement Date up to the first Review Date shall be calculated as seven per cent (7%) of the Land Value. The Land Value as at the Commencement Date shall be determined by the agreement of the Grantor and the Grantee or failing their agreement they shall each appoint a valuer (being a member of the New Zealand Institute of Valuers or its successor) to jointly determine the Land Value and the provisions of paragraphs (b) to (g) inclusive of clause 1.6 shall apply.

(b) The annual forestry licence fee calculated in accordance with paragraph (a) above shall be paid within seven days of the forestry licence fee being determined by the agreement of the Grantor and the Grantee or by the determination of the valuers or their umpire and the amount so determined shall bear interest, compounded on quarterly rests and computed from the Commencement Date until the date on which the actual payment is made in full at a rate that is 2% above the FRA mid point 30 day bank bill rate as at 10.45 a.m. on Reuters page BKBM (or its successor page) on the business day immediately preceding the date on which such amount is paid.

1.4 The Grantee shall (in addition to any other payments) pay to the Grantor upon demand any taxes paid or payable by the Grantor or accountable by the Grantor pursuant to the provisions of the Goods and Services Tax Act 1985 (being the tax thereby imposed or any similar tax levied in substitution therefor) in respect of any payments paid or payable by the Grantee under this Forestry Right or paid by the Grantor on behalf of the Grantee's obligations to make such payment under this Forestry Right.

1.5 The forestry licence fee shall be reviewed on the 1st of July 1997 and every third successive anniversary thereafter (each such date being herein called a "Review Date") in accordance with the following provisions so that the forestry licence fee payable for the next three (3) year period commencing on any Review Date will be 7% of the Land Value as at that date:

(a) At any time not earlier than three (3) months prior to each successive Review Date and no later than six (6) months after such Review Date the Grantor shall notify the Grantee in writing ("the Grantor's Notice") of the Grantor's assessment of the Land Value as at that particular Review Date;

(b) In the event that the Grantee does not agree with the

assessment of the Land Value contained in the Grantor's Notice, then the Grantee shall notify the Grantor in writing (the "Grantee's Notice") within twenty eight (28) days from the date of service upon them of the Grantor's Notice that it requires the Land Value to be determined in accordance with clause 1.6 and the Grantee shall set out in the Grantee's Notice the amount which it considers to be the Land Value;

- (c) Unless the Grantee's Notice is given within the 28 day period specified in clause 1.5 (b), then 7% of the amount stated in the Grantor's Notice as the Land Value shall become the forestry licence fee hereby reserved as from the Review Date.

1.6 Where the Grantee gives notice disputing the Grantor's assessment of the Land Value, the parties shall endeavour to resolve the dispute. Should agreement not be reached within fourteen (14) days (or such longer period as the parties shall agree upon) after the date on which the Grantee gives the Grantee's Notice then:

- (a) The parties shall, within twenty eight (28) days after the date on which the Grantee gives the Grantee's Notice ("the 28 day period"), each appoint a valuer (being a member of the New Zealand Institute of Valuers or its successor) to jointly determine the Land Value;
- (b) If either the Grantor or the Grantee fails to appoint a valuer within the 28 day period then determination of the Land Value shall be made by the sole valuer as nominated by either the Grantor or the Grantee, as the case may be, and such determination shall be final and binding on both parties as if the appointment had been by consent;
- (c) If both the Grantor and the Grantee have appointed valuers then, before proceeding with their determination, the said valuers shall agree upon and appoint an umpire (also qualified in the manner referred to in clause 1.6 (a)) and obtain the umpire's acceptance in writing of appointment;
- (d) Subject to clauses 1.6 (b) and (c), the valuers so nominated shall within fifty six (56) days after the expiration of the 28 day period jointly determine the Land Value as at the Review Date;
- (e) Each valuer shall provide to the other within twenty one (21) days after the expiration of the 28 day period a written assessment of the Land Value and will provide full details of the market evidence on which the assessment is particularly reliant;
- (f) If the said valuers are unable to agree upon a determination within fifty six (56) days after the expiration of the 28 day period then the Land Value shall be assessed by the umpire whose determination shall be final and binding on the parties hereto. The umpire shall give such determination and the reasons therefor in writing;
- (g) In assessing the Land Value, the valuer(s) and/or umpire shall be deemed to be acting as expert(s) and not as arbitrator(s).

1.7 Any variation in the forestry licence fee resulting from such determination of the Land Value shall take effect on and from the Review Date applicable thereto.

1.8 Where a review of the forestry licence fee is uncompleted on the Review Date, then:

- (a) Pending completion of the review, payment of the forestry licence fee shall be made on the Review

Date at 7% of the Land Value nominated in the Grantor's Notice for the next year; and

- (b) On completion of the review, either the Grantor shall refund any overpayment to the Grantee or the Grantee shall pay any deficiency to the Grantor. Any such refund or payment shall bear interest compounded on quarterly rests and computed from the Review Date until the date at which such refund or payment is made in full at a rate that is 2% above the FRA midpoint 30 day bank bill rate as at 10.45 a.m. on Reuters page BKBM (or its successor page) on the date on which such amount is payable.

1.9 Prior to the review of the forestry licence fee due on the 1st of July 2003 in accordance with clause 1.5 and prior to every ninth successive anniversary thereafter (each such date being herein called a "General Review Date") the basis for fixing the forestry licence fee may be reviewed in accordance with the following provisions:

- (a) At any time not earlier than nine (9) months prior to each successive General Review Date but no later than six (6) months after each successive General Review Date either party ("the Initiator") may notify the other party ("the Recipient") in writing ("the General Review Notice") that it wishes the basis for fixing the forestry licence fee (initially based on 7% of the Land Value) to be amended either by a change to the specified percentage or by making such other changes as are considered appropriate to determine a market rental for the use of the Land, such market rental to take account of the terms and conditions of this Forestry Right;
- (b) Any such General Review Notice shall set out in full the basis that the party giving such notice proposes should be used for fixing the forestry licence fee on the next Review Date and its reasons for the proposed change;
- (c) In the event that the Recipient does not agree with the proposed change contained in the General Review Notice, it shall notify the Initiator in writing within twenty one (21) days from the date of service of the General Review Notice that the Recipient does not agree with the proposal ("the Counter Notice");
- (d) Any such Counter Notice shall set out in full the reasons for the objection to the proposal in whole or in part and shall also set out in full the basis of and reasons for any counter proposal;
- (e) Unless such Counter Notice is given within such twenty one (21) day period, then the basis for determining the forestry licence fee set out in the General Review Notice shall be the basis upon which the licence fee will be fixed on the next Review Date;
- (f) Where a Counter Notice is given, the parties shall endeavour to reach agreement on the basis for fixing the forestry licence fee to apply from that particular General Review Date. Should agreement not be reached within twenty eight (28) days (or such longer period as the parties shall agree upon) after the date on which the Counter Notice is given, then:
- (i) The parties shall, within twenty eight (28) days after the date on which the Counter Notice was given ("the 28 day period"), each appoint a valuer being a member of the New Zealand Institute of Valuers or its successor) to

determine jointly the basis for fixing the forestry licence fee;

(ii) If either the Initiator or the Recipient fails to appoint a valuer within the 28 day period, then the determination of the basis for fixing the forestry licence fee shall be made by the sole valuer as nominated by either the Initiator or the Recipient, as the case may be, and such determination shall be final and binding on both parties as if the appointment had been by consent;

(iii) If both the Initiator and the Recipient have appointed valuers then, before proceeding with their determination, the said valuers shall agree upon and appoint an umpire (also qualified in the manner referred to in clause 1.9 (f) (i)) and obtain the umpire's acceptance in writing of appointment;

(iv) Subject to clauses 1.9 (f) (ii) and 1.9 (f) (iii), the valuers so nominated shall within fifty six days (56) after the expiration of the 28 day period jointly determine the basis for fixing the forestry licence fee as at the General Review Date;

(v) Each valuer will provide to the other within twenty one (21) days after the expiration of the 28 day period a written assessment of the basis for fixing the forestry licence fee and will provide full details of the market evidence on which the assessment is particularly reliant;

(vi) If the said valuers are unable to agree upon a determination within fifty six (56) days after the expiration of the 28 day period then the basis for fixing the forestry licence fee shall be assessed by the umpire whose assessment shall be final and binding on the parties thereto. The umpire shall give such determination and the reasons therefor in writing;

(vii) In assessing the basis for fixing the forestry licence fee, the valuer(s) and/or umpire shall be deemed to be acting as expert(s) and not as arbitrator(s);

(g) Any amendment to the basis for fixing the forestry licence fee resulting from any general review in accordance with clause 1.9 shall take effect on and from the General Review Date applicable thereto so that each successive three yearly review of the forestry licence fee that takes place on and from such General Review Date shall be completed by substituting in clauses 1.5 through to 1.8 (inclusive) the new basis for fixing the forestry licence fee.

1.10 In any case where the general review in accordance with clause 1.9:

(a) Has been completed within six (6) months after the particular General Review Date then unless the forestry licence fee payable from that General Review Date has been determined in conjunction with and is part of the foregoing general review provisions contained in clause 1.9, the forestry licence fee shall be reviewed and fixed in accordance with clause 1.5 through 1.8 (inclusive) as amended by clause 1.9 (g);

(b) Has not been completed within six (6) months after the particular General Review Date, then the Grantor may give the Grantor's Notice in accordance with clause 1.5 (a) of its assessment of the forestry licence fee determined in accordance with the basis applicable at the immediately preceding Review Date, but any

dispute arising from the Grantor's Notice shall be determined as part of the general review in accordance with clause 1.9 (f);

(c) Has not been completed on the General Review Date and the Grantor has given the Grantor's Notice pursuant to clause 1.10 (b) then:

(i) Pending completion of such general review, payment shall be made on the Review Date of the forestry licence fee nominated in such Grantor's Notice for the next year; and

(ii) On completion of such general review in accordance with clause 1.9, either the Grantor shall refund any overpayment to the Grantee or the Grantee shall pay any deficiency to the Grantor. Any such refund or payment shall bear interest, compounded on quarterly rests and computed from the Review Date until the date at which such refund or payment is made in full at a rate that is 2% above the FRA midpoint 30 day bank bill rate as at 10.45 a.m. on Reuters page BKBM (or its successor page) on the date on which such amount is payable.

1.11 Without prejudice to the other rights powers and remedies of the Grantor hereunder if any forestry licence fee or other moneys owing by the Grantee to the Grantor on any account whatsoever pursuant to this Forestry Right shall be in arrear and unpaid for fourteen (14) days after the same shall have become due or demanded, whichever is the later, then such moneys shall bear interest compounded on quarterly rests and computed from such due date until the date of payment in full of such moneys at a rate that is 5% above the FRA midpoint 30 day bank bill rate as at 10.45 a.m. on Reuters page BKBM (or its successor page) on the date on which such amount is payable and the said interest shall be recoverable in like manner as the moneys so unpaid.

1.12 Where the interest rate formula referred to in clauses 1.3 (b), 1.8 (b), 1.10 (c), 1.11 and 4.5 can no longer be used to calculate an interest rate as a result of the information ceasing to be available the Grantor and the Grantee will agree upon a basis for determining the interest rate which will best achieve the result achieved under the existing method of determination and failing such agreement will refer the matter to arbitration.

2. Outgoings

(a) The Grantee will during the Term of this Forestry Right duly and punctually pay all general, water, special and other rates and all taxes (including land tax if any) and all other assessments, charges or imposts of a like nature or kind levied upon or payable in respect of the commercial forest within the Hunua Forest irrespective of the ownership thereof but excluding income tax or any tax on rents or licence fees or other tax assessed in respect of the income or profits of the Grantor.

(b) Where the Hunua Forest is separately rated the Grantor shall be entitled to supply the Grantee's name to the appropriate authority for inclusion in the rating roll.

(c) If such rates, taxes and assessments shall not be separately levied or assessed in respect of the commercial forest within the Hunua Forest, then the Grantee will upon demand by the Grantor pay a share of the total of such rates, taxes and assessments in the proportion the land area of the commercial forest within the Hunua Forest bears to the land area subject to such rates, taxes, assessments or imposts. Solely for the purposes

of this paragraph (c), the area of the commercial forest as at the date of commencement of this Forestry Right is deemed to be 2469 hectares.

- (d) If such levy or assessment is for a period extending either before or after the date of commencement or termination of this Forestry Right as the case may be then the Grantee will pay its fair proportion of such part of the levy or demand as may be applicable to the commercial forest within the Hunua Forest for the period falling within the term of this Forestry Right.

- (e) The Grantor and the Grantee will consult as to any noxious animal or invasive plant control programs that either party proposes to implement in and/or around the Hunua Forest during the Term. Where:

(i) the Grantor requests the Grantee to join in any such program, the Grantee shall not unreasonably withhold its agreement to join in that program. Where the Grantee agrees to join such a program, the Grantee will pay a proportion of the cost of that program equal to the share that the part of the Hunua Forest land area subject to the program bears to the total land area subject to the program;

(ii) the Grantee requests the Grantor to join in any such program, the Grantor shall not unreasonably withhold its agreement to join in that program. Where the Grantor agrees to join in such a program, the Grantor will pay a proportion of the cost of that program equal to the share that the Reserves and immediately adjacent parkland (immediately bounding the Hunua Forest) bears to the combined area of the Hunua Forest and adjacent parkland subject to the program.

General Terms and Conditions

(i) if such grazing is prohibited under the ARC Management Plan then in force; and

(ii) so long as the loans under the Forestry Encouragement Agreements have not been repaid, unless the agreement of the Crown to grazing has first been obtained by the Grantor or the Grantee, where such agreement is required in terms of the Forestry Encouragement Agreements and the plans of operation thereunder.

- (e) In considering whether to permit grazing in the Hunua Forest and subject to paragraph (d) above, the Grazing Committee shall determine the weighting to be given to all factors including:

(i) any proposals of the Grantor and the Grantee to avoid, mitigate, or remedy any adverse effects of grazing;

(ii) the economic impact which a prohibition of grazing might have on the forestry operation carried out under this Forestry Right;

(iii) the effect which a prohibition of grazing might have on fire risk in the Hunua Forest and surrounding areas.

- (f) If the Grazing Committee has consented to grazing of animals in any part in the Hunua Forest, the Grantor shall not unreasonably withhold consent to such grazing but may impose such conditions as are necessary to comply with and achieve the objectives of the ARC Management Plan for the Hunua Regional Park.

- (g) If grazing of animals in the Hunua Forest is consented to by the Grazing Committee and the Grantor, the Grantee will maintain adequate fencing to ensure that any animals grazed within the confines of the commercial forest within the Hunua Forest are kept out of the Reserves, the Excluded Land and the Grantor's and third parties' adjacent land and will indemnify the Grantor against any damage, cost or expense resulting from the Grantee being in breach of this clause.

- (h) If the Grantor grazes animals in the parkland adjoining the Hunua Forest, the Grantor will maintain adequate fencing to ensure those animals are kept out of the commercial forest within the Hunua Forest and will indemnify the Grantee against any damage, cost or expense resulting from the Grantor being in breach of this clause.

3.2 Other Forestry Produce. The Grantee shall not bring onto the Hunua Forest for processing or storage any forest produce from outside the forest.

3.3 Treaty of Waitangi Claims. This Forestry Right shall be subject to any existing claims under the Treaty of Waitangi Act 1975 affecting any part of the Hunua Forest provided that the Grantor will not agree to any recommendations or determinations which the Grantee acting reasonably considers will have a material detrimental affect on the rights of the Grantee under this Forestry Right unless such recommendations or determinations are imposed by an authority having the power to bind the Grantor or are approved by the Grantee in writing.

3.4 Protective Covenant. The Grantee covenants:

- (a) To at all times observe the requirements of the Historic Places Act 1993 in relation to any Archaeological Site, Historic Place, Historic Area or Wahi Tapu Area, as such terms are defined in that Act, and shall cause such requirements to be observed by any contractor, servant or agent of the Grantee;

- (b) Not to destroy, damage or modify any Archaeological Site or Historic Place without first obtaining the approval of the Grantor which approval shall be deemed to have been given on the delivery by the Grantee to the Grantor of a letter from the New Zealand Historic Places Trust ("the Trust") consenting to such destruction or damage or modification taking place;

- (c) Where any previously unknown Archaeological Site, Historic Area or Historic Place is discovered as a result of any operations or activity on site in the Hunua Forest to cease any further disturbance of

such site, area or place immediately and the Grantor and the Trust are to be advised of the discovery. Any operations or activity on such site, area or place may only continue with the approval of the Grantor which approval shall be deemed to have been given on the delivery by the Grantee to the Grantor of a letter from the Trust stating that such operations or activity may continue;

- (d) That where any land within the Hunua Forest is land of special spiritual, cultural or tribal significance to Maori the Grantee will consult with Maori to determine appropriate modifications to the Grantee's operations to protect such land.

3.5 Protection of Human Bones and Artefacts. If the Grantee becomes aware of any human bones or Maori artefact on the Hunua Forest then the Grantee shall forthwith consult with Maori regarding the reinterment of such bones or disposal of such artefact as the case may be. Pending such consultation, the Grantee shall treat the bones or Maori artefact with respect and shall make proper provision for their protection and preservation.

3.6 ARC Approvals. This Forestry Right shall not oblige the Grantor to provide any permits or consents or approvals under any Act, regulation, bylaw or ordinance, in its capacity as a regulatory body.

3.7 Further Assurances. The Grantor and the Grantee shall at the request of the other party execute and deliver any further documents and do all acts and things as either party may reasonably require to achieve the true intent and meaning of this Forestry Right.

3.8 Registration of Forestry Right.

- (a) The Grantor and the Grantee will use their best endeavours to achieve the registration of this Forestry Right as soon as reasonably possible following execution.
- (b) To the extent any area of Hunua Forest is reduced from time to time pursuant to clauses 4.14 or 4.15 the parties will enter into a registrable variation of the Forestry Right providing for such changes in area.

3.9 Registration of Watercare Lease. The Grantee acknowledges the right of priority to registration of the Lease to Watercare and in the event of Watercare seeking registration of the Lease or any lease issued in accordance with the provisions of the Lease the Grantee will co-operate in and sign all necessary documents to ensure the Lease has priority on registration to this Forestry Right.

3.10 Variation to Watercare Lease. The Grantor shall not permit any variation of the Lease which has a material detrimental affect on the benefits to the Grantee arising under this Forestry Right unless such variation is imposed by an authority having power to bind the Grantor.

3.11 Lease. The rights and ancillary rights conferred upon the Grantee under this Forestry Right are subject FIRSTLY to the prior rights of the Crown under the Forestry Encouragement Agreements and the plans of operation thereunder, and SECONDLY to the prior rights of Watercare under the Lease.

4. Grantee's Obligations

4.1 Forestry Operations Plan

- (a) The Grantee shall consult with the Grantor and prepare and provide to the Grantor prior to 31 March in each year an annual forestry operations plan in respect of the Grantee's operations in the Hunua Forest for the purpose of

either party avoiding breaching their obligations under this Forestry Right.

- (b) Until such time as the loans under the Forestry Encouragement Agreements have been repaid or the obligations to repay the same have been otherwise discharged or cancelled, every annual forestry operations plan should comply with all provisions of the Forestry Encouragement Agreements and the plans of operation thereunder.
- (c) Each annual operations plan shall apply for the 12 month period from 1 July in one year to 30 June in the following year. To the extent that any matters are already dealt with in any Resource Management Act application they shall not be required to be included in an operations plan except to the extent the Act permits the Grantee to exercise a discretion.
- (d) Subject to the foregoing the annual operations plan will provide for:
- (i) felling operations;
 - (ii) replanting and regeneration;
 - (iii) maintenance of roads, tracks, road signs, and other facilities;
 - (iv) public recreation;

- (a) The Grantor and Watercare and their respective servants and agents or any agents in substitution thereof for the purpose of carrying on their lawful business and/or any business associated with the supply of bulk water to the Auckland region;
- (b) Until such time as the loans under the Forestry Encouragement Agreements have been repaid or the obligations to repay the same have been otherwise discharged or cancelled, the Crown in accordance with the provisions of the Forestry Encouragement Agreements and the plans of operation thereunder which apply to the Hunua Forest;

4.3 Public Access. During the Term, the Grantee shall allow the public to enter and use the Hunua Forest for recreational purposes. The Grantor and the Grantee shall consult from time to time in relation to such public access. For the minimum time necessary the Grantee may close roads, tracks or other areas within the Hunua Forest where required to ensure the health and safety of the public or of those working on the land or the protection of the forest. Whenever practical the Grantee shall give the Grantor at least one week's notice of any limitation on public access necessary pursuant to this clause.

4.4 Maintenance of Internal Roads

- (a) The Grantee shall maintain all internal roads and tracks within the Hunua Forest including roads used by the Grantor, its contractors, servants and agents and Watercare subject to the right to recover costs of maintenance and repair pursuant to paragraph (e) of this clause 4.4. Notwithstanding the foregoing, the Grantor will be entitled to carry out maintenance and repair of any roads within the Hunua Forest in which event it will notify the Grantee accordingly and the Grantee will contribute a fair proportion of the reasonable cost of such maintenance and repair equivalent to its use of such roads. Designated main roads or routes through the Hunua Forest will be maintained to comply with accepted road engineering standards for that class of forest road. Subject to clause 4.4 (d) (iv), road term maintenance shall be undertaken in accordance with the New Zealand Forestry Code of Practice 1993—2nd Edition.
- (b) The Grantee may at any time during the Term advise the Grantor that it has ceased using any internal road or track in the Hunua Forest and will no longer carry out the maintenance of such road or track. In that event the Grantor will be entitled to carry out such maintenance provided that the Grantee contributes to the cost of such maintenance to the extent it continues to use such road or track. If the Grantee recommences use of any such road or track on a regular basis, the Grantee will at the request of the Grantor resume responsibility for the maintenance of such road or track.
- (c) Subject to clause 4.4 (a) and (b) the maintenance and repair obligations in respect of such internal roads and tracks shall mean maintenance up to but not exceeding the standard of the relevant road or track as at:
- (i) the Commencement Date of this Forestry Right; or
 - (ii) the date of completion of development of any new roads or tracks; or
 - (iii) the date of completion of redevelopment of any existing roads or tracks and shall include only the costs of maintaining the Carriageway and culverts, excluding any verges or other ancillary areas.
- (d) Where the Grantee is responsible for the maintenance and repair of any internal road or track, the Grantee:

 - (iv) may trim the overhanging or adjoining trees or vegetation within or adjacent to any

Reserve subject to the reasonable approval of the Grantor;

(v) shall use its best endeavours to keep such roads and tracks open at all times.

- (e) The Grantor will indemnify the Grantee against the reasonable cost of the maintenance and repair of any roads or tracks in the Hunua Forest used and maintained by the Grantee, which is required as a result of significant or predominant use of the same by the Grantor or any contractor or servant or agent of Watercare (other than the Grantee) or members of the public (except where those members of the public are invited into the Hunua Forest by the Grantee), proportionate to the extent of use by such party of the roads or tracks.

4.5 Maintenance of Access Roads

- (a) The Grantor in its sole discretion shall have the right to prevent or restrict access to and along any Access Roads in an emergency or (on a temporary basis) in order to undertake work necessary for the safe and efficient operation of the Grantor's lawful business and of Watercare's bulk water supply business. The Grantor shall use its best endeavours to give not less than one week's notice of its intention to prevent or restrict access in order to undertake such necessary work and shall use its best endeavours to minimise disruption to the right of use of Access Roads and where practical shall provide alternative access.
- (b) Subject to clause 4.5 (e), the Grantor will be responsible for maintaining or procuring the maintenance of all Access Roads used by the Grantee up to but not exceeding the standard of the relevant road or track as at:
- (i) the Commencement Date of this Forestry Right; or
 - (ii) the date of completion of any new Access Roads; or

- (c) Where the Grantor is responsible for or responsible for procuring the maintenance and repair of any Access Roads, the Grantor:
- (i) may close those Access Roads for vehicular access as shall be reasonably necessary for maintenance or repair, but shall endeavour to give reasonable written notice to the Grantee prior to effecting any such road closures and shall use its best endeavours to minimise the period of closure and if practically possible shall provide alternative access;
 - (ii) shall use its best endeavours to keep such Access Roads open at all times.
- (d) The Grantee will be liable to the Grantor for the cost of maintaining any Access Roads to the extent of the Grantee's use of such roads. The Grantor will after consulting with the Grantee provide the Grantee, on a periodic basis as such costs arise, with an assessment of the maintenance costs for which the Grantor considers the Grantee should be responsible. The Grantee will forthwith pay such costs to the Grantor. If the Grantee disagrees with the assessment it may refer such matter to arbitration subject to the Grantee first having paid the amount of the assessment to the Grantor. Following the determination of any such

arbitration either the Grantor shall refund any over payment to the Grantee or the Grantee shall pay any under payment to the Grantor. Any such refund or payment shall bear interest from the date of assessment to actual payment, compounded with quarterly rests at the rate that is 2% above the FRA mid point 30 day bank bill rate as at 10.45 a.m. on Reuters BKBM (or successor page) on the date of assessment.

- (e) The Grantor may at any time during the Term advise the Grantee that it has ceased using any Access Road and will no longer carry out the maintenance of such road. In that event the Grantee will be entitled to carry out such maintenance provided that the Grantor contributes to the cost of such maintenance to the extent it continues to use the Access Road. If the Grantor recommences use of any such Access Road on a regular basis, the Grantor will at the request of the Grantee resume responsibility for the maintenance of that Access Road.
- (f) Ottau Mountain Road and Moumoukai Hill Road. The Grantee shall pay a proportion (commensurate with use) of all costs and expenses payable by the Grantor pursuant to a certain agreement dated the 19th day of October 1959 between the Auckland City Council and Manukau County Council, which agreement relates to the maintenance of the Ottau Mountain Road and Moumoukai Hill Road.

4.6 Insurance. The Grantee shall:

- (a)
- (i) insure all trees planted in Hunua forest from the time of planting to the time of severance against all usual risks including partial loss, destruction, injury or damage by fire and lightning for not less than the amount from time to time owing by the Grantor under the Forestry Encouragement Agreements;
- (ii) until such time as the loans under the Forestry Encouragement Agreements have been repaid or the obligations to repay the same have been otherwise discharged or cancelled procure completion of all relevant documents noting the respective interests of the Crown under the Forestry Encouragement Agreements, the Grantor and the Grantee;
- (iii) on demand by the Grantor produce to the Grantor a copy of such policy and receipts in respect of payment of the premiums for such insurance cover;

PROVIDED THAT the Grantee shall not be required to maintain insurance cover in respect of those areas of the Hunua Forest in respect of which insurance cover has been taken out by the Grantor and continues to be maintained pursuant to the terms of the said Forestry Encouragement Agreements and **PROVIDED FURTHER** that until such time as the loans under the Forestry Encouragement Agreements have been repaid or the obligations to repay the same have been otherwise discharged or cancelled the Grantee shall be liable to reimburse the Grantor for the annual cost of premiums paid by the Grantor in respect of such insurance cover;

- (b) The Grantee shall take out and keep in force with a reputable company in the joint names of the Grantor and the Grantee a public liability policy in respect of the exercise of the Grantee's rights

herein on usual commercial terms for cover of not less than \$10,000,000.

4.7 Statutory Requirements. Both the Grantor and the Grantee shall comply with all Acts, regulations, bylaws and ordinances relating to the Hunua Forest and the land, in respect of each party's use thereof.

4.8 Indigenous Vegetation

- (a) The Grantee shall leave standing and protect all indigenous vegetation on Reserves and along any waterways.
- (b) Where the Grantor in its reasonable opinion believes that there should be protection for any rare or endangered flora or fauna within the Hunua Forest then the Grantor and the Grantee shall consult on appropriate means of protecting such rare or endangered flora or fauna. At the Grantor's option the Grantee will comply with the protection requirements for such flora or fauna as the Grantor considers necessary provided that the Grantor will compensate the Grantee for all costs and losses resulting from such protection requirements.
- (c) The Grantee shall take all reasonable steps to fell and harvest trees on the Hunua Forest in such manner as will avoid any damage to indigenous vegetation growing on any Reserve.

4.9 Protection of Trees

- (a) The Grantee shall:
- (i) Protect the commercial forest within the Hunua Forest from fire, fungi, disease, insects, pests, weeds and other threats which can be economically prevented or treated;
- (ii) Tend, protect and manage the commercial forest within the Hunua Forest in accordance with good and prudent forestry practice.
- (b) The Grantor shall protect the Reserves and the parklands immediately adjacent to the Hunua Forest from fire, fungi, disease, insects, pests, weeds and other threats which can be economically prevented or treated.

4.10 Water Quantity and Quality

- (a):
- (i) As between the Grantor and the Grantee, the Grantor will be entitled to all natural water in the Hunua Forest.
- (ii) The Grantee will not take any action which will, or is reasonably likely to, have the effect of materially diminishing the quantity of water which would otherwise be collected in the Reservoirs situated in or adjacent to the Hunua Forest.
- (b):
- (i) In carrying on its forestry operations in the Hunua Forest the Grantee shall use its reasonable endeavours to minimise pollution or contamination of the Reservoirs and watercourses within the Hunua Forest. Pollution in this context includes turbidity from logging areas and roads as well as faecal coliforms, pesticides, chemicals and fertilisers.

(ii) Where pursuant to the Lease Watercare requests the Grantor to carry out preventative works in order to prevent or minimise any such pollution or contamination the Grantee will upon request of Watercare carry out such works at the cost of Watercare.

4.11 Use of Chemicals. The Grantee shall not use or

store any chemical substance or other hazardous substance in a manner or in any location which may damage water in any Reservoir or in any watercourse.

4.12 Maintenance of Buildings, Improvements etc.
The Grantee shall:

- (a) Maintain all forestry buildings, structures and improvements situated in or about the Hunua Forest and constructed or erected by the Grantee, its servants, agents or invitees in sound condition and of an appearance that does not detract from the environmental amenities of the surrounding area;
- (b) Upon the return of any land the subject of this Forestry Right pursuant to clause 4.13 or 4.14 or if any forestry buildings structures or improvements referred to in clause 4.12 (a) are no longer required by the Grantee, forthwith remove such forestry buildings, structures and improvements from the Hunua Forest, unless the Grantor agrees otherwise;
- (c) Indemnify the Grantor against all losses, costs, claims, actions, proceedings and demands associated with injury or damage to buildings, other improvements, vehicles or equipment or any other assets or undertakings owned by the Grantor or its agent or invitee and caused by any negligent act or omission on the part of the Grantee or its agent or invitee.

4.13 Replanting

- (a) Subject to clause 4.14 and 4.15, the Grantee shall replant in accordance with good forestry practice all commercial forest areas cleared of trees within a maximum period of 12 months after any such area is cleared of trees (unless good forestry practice dictates otherwise), in commercial forest using plantation species chosen for healthy growth.
- (b) Following completion of clear felling of any part of the Hunua Forest and where there is less than a full growth cycle prior to the expiry of the Term or where land is excluded the Grantee shall in accordance with prudent forestry management practice, remove and dispose of debris from felling and logging operations required to make such areas suitable for re-establishment of forests whereupon they shall be returned to the Grantor and the forestry licence fee and other outgoings shall abate rateably according to the proportion the areas so returned bear to the total area of the commercial forest within the Hunua Forest.
- (c) Subject to any agreement as to replanting the Grantee shall, prior to the return of areas as aforesaid or expiry of the Term, clear trees from the commercial forest within the Hunua Forest.
- (d) The Grantee shall have no right to plant any exotic or other trees in any part of the Hunua Forest not planted in commercial forest within the Hunua Forest at the date of commencement of this Forestry Right.
- (e) The Term is predicated on replantings for a sawlog regime (the current regime) and that regime shall not be varied without the consent of the Grantor who will not unreasonably withhold approval to a change in the frequency of replanting unless the proposed change would materially, detrimentally affect the actual or potential recreational use of the Hunua Forest existing as at the Commencement Date.

4.14 Exclusion of Land from Replanting

- (a) For the purpose of determining areas within the Hunua Forest to be excluded from further planting after the harvest of the first crop of commercial forestry a committee of three persons having expertise in ecology, soil conservation and forest management respectively ("the Replanting Committee") shall be appointed. The parties shall consult with each other on the persons to be appointed to the Replanting Committee. In the event that the parties cannot agree on the composition of the Replanting Committee then the following provisions shall apply. The Grantee shall after consulting the Grantor appoint the forest management expert. The Grantor shall after consulting the Grantee appoint the ecology expert. The soil conservation expert will be appointed at the joint request of the Grantor and the Grantee by the New Zealand Forest Research Institute Limited. The Replanting Committee shall be appointed as soon as reasonably possible after but no later than three months after the commencement of the Term.
- (b) Subject to paragraph (h) below, the Replanting Committee shall carry out its function within a period of 9 months following its establishment and the decision of the Replanting Committee will be binding on the Grantor and the Grantee.
- (c) In determining which areas of the Hunua Forest shall not be replanted with exotic trees in the future, the Replanting Committee shall:
 - (i) Determine the size of and exclude areas which:
 - (aa) are too difficult for effective control of sediment run-off as a consequence of their steepness;
 - (bb) adjoin watercourses, in order to establish a buffer zone for replanting in native vegetation;
 - (cc) directly adjoin Reservoirs; and
 - (ii) Consider and recommend to the Grantor for confirmation, whether or not areas need to be set aside—
 - (aa) to allow existing pockets of native vegetation to be linked to the main body of native forest;
 - (bb) for the use and appreciation of parkland;
 - (cc) where conflict recreation under exotic land use would adversely impact on conservation and operational requirements of park management;
 and the size of those areas; and
 - (iii) Consider the economic impact on the forestry operation of the proposal to exclude particular areas and the extent to which this factor should be considered when making final decisions on the discretionary factors in (ii) above;
 - (iv) In making its decisions on (i) to (iii), the Replanting Committee shall consult with the Grantor and the Grantee, and shall not contradict provisions of the ARC Management Plan but shall not be required to undertake any process of public consultation.
- (d) Any land excluded from replanting by the Replanting Committee under clause 4.14 (c) (i) and under clause 4.14 (c) (ii) (if confirmed by the Grantor)

shall be returned to the Grantor in accordance with clause 4.13 (b).

(e) Where the Forestry Right is transferred by the Grantee to Regional Forests Limited or any other assignee for consideration negotiated at arms length, Regional Forests Limited or that assignee shall be compensated for:

(i) diminution in expected value of this Forestry Right arising from the exclusion of land from replanting pursuant to clause 4.14 (c) (ii) if that transfer occurs before the areas to be excluded from replanting have been determined; and

(ii) Management Costs incurred by Regional Forests Limited or that assignee in respect of the areas excluded from replanting pursuant to clause 4.14 (c) (ii) except to the extent that the:

(aa) Management Costs relate to the growing, tending and harvesting of the existing crop of commercial trees; or

(bb) intended benefits of the expenditure of those Management Costs; remain available to the Grantee.

(f) If the consideration to be paid for the transfer of the Forestry Right from the Grantee to Regional Forests Limited has not been negotiated and agreed at arms length then to the extent that full market consideration has not been paid or deemed not to be paid, the compensation otherwise payable will be reduced to pro rata. In the event of a dispute as to whether or not the consideration has been negotiated and agreed at arms length, the dispute shall be determined by the Audit Office and its decision shall be final and binding on the parties.

(g) Where the Grantee has incurred Management Costs in respect of any area of the Hunua Forest excluded from replanting under clause 4.14 (c) (ii), then the Grantee shall not be compensated for diminution in expected value of this Forestry Right but shall be compensated for those Management Costs except to the extent that the:

(i) Management Costs relate to the growing, tending and harvesting of the existing crop of commercial trees; or

(ii) intended benefits of the expenditure of those Management Costs remain available to the Grantee.

(h) Notwithstanding the provisions of paragraph (b) above, the Grantor and the Grantee agree:

(i) to use their best endeavours to establish the Replanting Committee as soon as possible following the date of the signing of this Agreement; and

(ii) to use their best endeavours to encourage and assist the Replanting Committee to give an urgent determination of the matters the Replanting Committee are required to determine under this clause 4.14 so that the area to be excluded from replanting will be known as soon as reasonably possible.

(i) "Management Costs" means for the purpose of clause 4.14, all costs incurred by the Grantee in connection with the management of the Hunua Forest including any monies payable pursuant to this Forestry Right, other reasonable outgoings, interest and reasonable overheads.

(j) For the purpose of identifying the proportion of

Management Costs to be compensated to the Grantee pursuant to clause 4.14 (e) and (g), the areas excluded shall be expressed as a percentage of the total area in respect of which the costs were expended or incurred.

4.15 Exclusion of Additional Service Land. The Grantee acknowledges that the Grantor is required to comply with the provisions of clause 9.1 of the Lease (the provisions of which are set out in the Fifth Schedule) pursuant to which the Grantor may be required to extend the Service Land. The Grantor will consult with the Grantee upon receiving any such request from the said Lessee.

5. Assignment

5.1 In the event that the Grantee wishes to assign or transfer this Forestry Right in whole or wishes to part with its rights under this Forestry Right, then it shall not do so without first obtaining the prior written consent of the Grantor which shall not be unreasonably or arbitrarily withheld where the conditions listed in clause 5.2 have been satisfied.

5.2 The conditions referred to in clause 5.1 are as follows:

(a) The proposed assignment or transfer relates to all the Grantee's rights and obligations under this Forestry Right and not to any part or parts thereof less than the whole;

(d) The Grantee procures the execution by the assignee of a covenant with the Grantor that the assignee will at all times during the continuance of the term of this Forestry Right duly pay the forestry licence fee at the times and in the manner herein provided and observe and perform all the covenants and conditions herein contained on the part of the Grantee to be observed and performed and such covenants shall make provision for a like covenant in the event of any subsequent transfer or assignment;

(e) The Grantee and the assignee comply with the Grantor's requirements in relation to the documentation, stamping and registration of the intended assignment or transfer, such documentation, stamping and registration to be at the cost in all respects of the Grantee;

(g) The Grantee provides to the assignee a copy of the Watercare Lease.

5.3 Notwithstanding anything herein contained or implied or any rule of law to the contrary, the obligation of an existing Grantee to pay the forestry licence fee and observe and perform the other covenants and conditions on

the part of the Grantee herein contained or implied shall not expire upon any assignment but shall continue and be enforceable in the event of any default of any future assignee to comply with the terms of this Forestry Right.

- (a) Any change or rearrangement in the beneficial ownership of the shareholding of the Grantee or its Holding Company; or
- (b) Any alteration in the Memorandum or Articles of Association or Constitution of the Grantee or its Holding Company; or
- (c) Any other agreement, covenant, arrangement or grant of power or authority;

which has the effect of altering the effective control of the Grantee or any Holding Company of the Grantee shall be deemed a proposed total assignment hereunder and shall require the consent of the Grantor accordingly under clause 5.1.

5.5 In the event that this Forestry Right is assigned in whole the Grantor agrees for the benefit of any person who continues to be liable to the Grantor under clause 5.3:

- (a) That it will give to such person copies of any notices that the Grantor gives to the incoming or new licensee under clause 5 hereof at the same time as any such notices are given; and
- (b) The Grantor will not exercise any of the remedies conferred upon it by clause 5 without first giving to such person fourteen (14) days' notice of its intention to exercise any of such remedies to enable any such person (if it so elects) to take steps to remedy the alleged default within that period.

5.6 Notwithstanding the forgoing provisions of this clause 5, the assignment of the whole of the Grantee's interest in this Forestry Right to Regional Forests Limited so long as it is at the time of the assignment in the majority ownership and control of the Grantee shall be permitted subject to the conditions set out in clauses 5.2 (b) to (e) inclusive and (g).

6. Default

6.1 If either party shall be in breach of any provision hereof expressed or implied the other party may serve on that party a notice in writing requiring that party to remedy such breach. Upon service of any such notice the party in default shall remedy the breach within three calendar months from the date of service of the notice (excluding the day of service) and in that respect time shall be of the essence. If the party in default does not rectify the breach within the time allowed then without prejudice to any other remedy available to the other party:

- (a) The other party may cancel this Forestry Right; or
- (b) Where the default relates to work which the party in default is required to carry out, the other party may perform the work and recover the costs thereof from the party in default; or
- (c) Claim damages in respect of the loss caused by the default.

6.2 Notwithstanding clause 6.1, the Grantee irrevocably appoints the Grantor, in the event of default by the Grantee resulting in cancellation of this Forestry Right by the Grantor, as the attorney of the Grantee to execute all such documents and do all such things as may be required on the part of the Grantee in order to register a forfeiture or surrender of this Forestry Right.

7. Mediation and Arbitration

7.1 The parties shall use their best endeavours to resolve any disputes or differences between them concerning this Forestry Right ("Unresolved Issues") by consultation and negotiation. However, either party may instigate a mediation process, as follows:

- (a) Either party may by written notice ("the Mediation Notice") require that any Unresolved Issues between the parties be referred to mediation;
- (b) Following reference to mediation, the parties shall continue to seek resolution of the Unresolved Issues by consultation and negotiation;
- (c) If the Unresolved Issues remain unresolved after fourteen (14) days from the date of the Mediation Notice, the parties shall within a further seven (7) days agree upon a suitable person to act as mediator. If the parties cannot agree upon a mediator within such time, the parties will require the President for the time being of the Auckland District Law Society to nominate a suitable person to act as mediator PROVIDED THAT either party at any time may resolve that the matter be referred to arbitration in accordance with clause 7.2 in which case the mediation process will be deemed to have terminated;
- (d) The parties shall within seven (7) days of agreement or nomination appoint the agreed or nominated person as mediator to consult with the parties and assist the parties to reach agreement in respect of the Unresolved Issues;
- (e) The mediator shall, in consultation with the parties, settle the procedures to be adopted during the mediation. The decision of the mediator on any issue relating to procedural matters shall be binding on the parties and, in particular the mediator shall be entitled to call any meeting between the parties at such times and places as the mediator considers appropriate;
- (f) After having given not less than 72 hours written notice to the parties of his or her intention to do so the mediator shall have the right to obtain an independent consultant's report on any aspect relevant to the Unresolved Issues;
- (g) The parties shall use their best endeavours to attend all meetings called by the mediator and at such meetings shall conduct their negotiations in good faith and shall use their best endeavours to reach an agreed solution which is acceptable to both parties;
- (h) All costs incurred in respect of the mediation, including the mediator's fees and the costs of any consultant's reports, shall be borne equally by the parties, who shall be jointly and severally liable to the mediator in respect thereof. This clause 7.1 (b) confers benefits or rights on the mediator and such benefits and rights shall, for the purposes of section 4 of the Contracts (Privity) Act 1982, be enforceable.

7.2 All disputes and differences between the parties concerning this Forestry Right shall be submitted to the arbitration of a single arbitrator if the parties can agree upon one but otherwise to two arbitrators (one to be appointed by each party) and their umpire (who shall be appointed prior to their entering upon the arbitration) such arbitration to be carried out in accordance with the provisions of the Arbitration Act 1996 or any then subsisting statutory provisions relating to arbitration provided that no person who has been appointed mediator pursuant to the provisions of clause 7.1 shall be appointed arbitrator.
