**Advertising Rates**

The following rates for the insertion of materials in the *New Zealand Gazette* apply as from 1 January 1998:

**Category 1**

Single column notices, e.g.: Notices under the Companies Act, Insolvency Act, and Public Works Act—55c per word (no matter how big or small)\*.

**Category 2**

Notices in table form or taking up two columns across the page, e.g.: Change of Company Name notices, Regulation Summaries—60c per word (no matter how big or small)\*.

\*Any word or group of alphas or numerals with a comma or full-point imbedded in it will count as two words.

\*Any word or letter ending with a full-point, comma, shilling stroke (whether followed by a word space or no word space will count as one word, e.g., D.X. = 2 words, the end. = 2 words. The full point, comma, shilling stroke ends the word, and what follows starts another word.)

The appropriate rate to be applied to an advertisement will be determined at the time of setting up the notice for publication. Customers will be invoiced in accordance with standard commercial practices. Advertising rates are not negotiable.

All rates shown are inclusive of G.S.T.

### **Radiocommunications (Radio) Regulations (General Licence for Personal Handy Phone System) Notice 1998**

Pursuant to regulation 13 of the Radiocommunications (Radio) Regulations 1993 ("the regulations"), and acting under delegated authority from the Secretary of Commerce, I hereby give the following notice:

#### **N o t i c e**

**1. Short title and commencement**—(1) This notice may be cited as the Radiocommunications (Radio) Regulations (General Licence for Personal Handy Phone System) Notice 1998.

(2) This notice shall come into force on 1 March 1998.

**2. Interpretation**—For the purposes of this notice:

(a) "Wireless local loop" means a telecommunications system which provides wireless access to a network for a number of handsets or terminals or data terminals, typically to serve a residential area, but does not include a system which allows for the automatic switching of handsets or terminals or data terminals between telecommunications systems.

(b) "Public service" means a system which enables a subscriber to use a handset or terminal or data terminal to access a network and to make and/or receive telephone calls in public places where base stations have been installed and includes a system which allows for the

automatic switching of handsets or terminals or data terminals between telecommunications systems.

(c) "Home cordless" means any radio apparatus designed to provide a wireless extension to a telephone or terminal or data terminal which is connected to a network, but does not include a wireless PABX.

(d) "Wireless PABX" means any radio apparatus designed to provide a wireless extension to PABX equipment.

(e) "PABX" and "Network" have the meaning given to those terms by section 2 of the Telecommunications Act 1987.

**3. General licence**—A licence under regulation 13 of the Radiocommunications (Radio) Regulations 1993 is hereby granted for the installation, operation, and use by persons in New Zealand of radio apparatus known as the Personal Handy Phone System (PHS) intended for radiocommunications within New Zealand.

**4. Terms, conditions and restrictions**—(1) The range of frequencies available for use under this licence are 1895 MHz to 1920 MHz.

(2) This licence applies only to radio apparatus that complies with the Association of Radio Industries and Businesses (ARIB) Standard, Version 2, RCR STD-28 and subsequent amendments and in respect of which a declaration of conformity has been submitted to the Secretary under regulation 43 of the Radiocommunications (Radio) Regulations 1993.

(3) Installation, operation, and use of wireless PABX apparatus, wireless local loop systems and home cordless apparatus is permitted.

(4) Installation, operation, and use of a public service is not permitted.

(5) Installation, operation, and use of radio apparatus under the licence is not permitted within the geographical areas described in the Schedule.

(6) Frequency use is on a shared basis and the Secretary does not accept any liability under any circumstances for any loss or damage of any kind occasioned by the unavailability of frequencies or interference to reception.

(7) Power output is limited to 160 mW Pk equivalent isotropically radiated power.

**5. Period of validity of licence**—This licence shall expire on 31 January 1999.

#### Schedule

**Installation, operation and use not permitted**—(a) Radio apparatus under this licence must not be installed, operated, or used within the minimum distance, in kilometres, of a path between the transmitter location and associated receiver location specified in Table 1.

(b) The transmitter location and receiver location in Table 1 are to be read in conjunction with the associated grid reference taken from the Infomap 260 series of maps published by Land Information New Zealand.

Dated at Wellington, 20 February 1998.

I. R. HUTCHINGS, Manager, Radio Spectrum, Operations and Risk Management Branch, Ministry of Commerce.

#### Explanatory Note

*This note is not part of the notice, but is intended to indicate its general effect.*

This notice prescribes that, pursuant to regulation 13 of the Radiocommunications (Radio) Regulations 1993, a general licence is granted in respect of the installation, operation, and use of radio apparatus on frequencies specified in this notice. The licence only applies to radio apparatus which complies with technical specification ARIB Standard, Version 2, RCR STD-28 and subsequent amendments and in respect of which a declaration of conformity has been submitted to the Secretary under regulation 43 of the Radiocommunications (Radio) Regulations 1993. This notice comes into effect on 1 March 1998.

### Australia New Zealand Food Authority

#### Australia New Zealand Food Authority Act 1991

#### Australia New Zealand Food Authority— Food Standards

The Australia New Zealand Food Authority advises progress on the following matters relating to the Australian *Food Standards Code*.

You can get further information on these matters in information papers which are available from:

The Information Officer  
Australia New Zealand Food Authority  
P.O. Box 10-559  
WELLINGTON 6036  
Telephone: (04) 473 9942  
Facsimile: (04) 473 9855  
Email: anzfa.nz@anzfa.gov.au

#### Matters at Full Assessment

The authority has developed the following proposal and will now make a full assessment of it:

**Claims About Foods (P169).** A proposal to assess voluntary claims and representations made about food. The proposal assesses a range of representations: including slimming claims, negative claims and emphasis of ingredients but does not assess health claims or nutrient/nutrition claims which will be assessed in separate proposals. The information paper on this matter provides further information, including advice on the authority's policy regarding submissions.

You are invited to present written submissions to the authority on matters relevant to this proposal, including the potential regulatory impact on consumers, industry and government, by **27 April 1998**.

#### Matters at Inquiry

The authority will conduct an inquiry into the draft variations to standards prepared at full assessment of the following application:

**Folic Acid in Supplementary Foods (A337).** An application received on 25 March 1997 from Peter and Brownes Group to permit folic acid to be added to the Schedule to Standard R9—Supplementary Foods at a maximum claimable level of 100 µg per reference quantity (200 ml).

You are invited to present written submissions to the authority on matters relevant to this inquiry, including the potential regulatory impact on consumers, industry and government, by **10 April 1998**. The information paper on this matter provides further information, including advice on the authority's policy regarding submissions.

#### Matters Before Council

The authority has completed inquiries into the draft standards and variations to standards prepared at full assessment of the following application and proposal and has made recommendations to the Australia New Zealand Food Standards Council that the variations be adopted into the *Food Standards Code*. Details of the recommended standards and the reasons for them are available from the authority.

**Moisture Absorbent Sachets (A345).** An application from Drypac Pty Limited to include a provision for the use of cross-linked sodium polyacrylate in moisture absorbent sachets for food packages.

**Foods Produced Using Gene Technology (P97).** A proposal to establish a standard for foods produced using gene technology.
