The following information is supplied pursuant to sections 38 and 45 of the Electoral Act 1993 and for the assistance of the public:

1. From 10 a.m. on Thursday, 26 March 1998 the public may inspect, without charge, at the places listed in the Schedule hereto:

- (b) a summary, in respect of each proposed district, of the reasons why the boundaries described are being proposed; and
- (c) a classification of the proposed districts for the purposes of the Higher Salaries Commission Act 1977.

The above descriptions in text form only can be viewed on <http://www.govt.nz/elections> 1998 Proposed Boundaries.

2. The Representation Commission will receive written objections to the proposed boundaries and to the proposed classification, if in the hands of the Commission not later than Wednesday, 29 April 1998.

3. Objections must be in writing and should clearly state:

- (i) the name, address and telephone contact number (day and night) of the objector,

- (iii) the specific provision objected to,
- (iv) the grounds of the objection,

(iv) whether the objector wishes to speak briefly to their objection before meetings of the Commission to be held at Auckland, Wellington, Christchurch, Dunedin as required and possibly other locations in mid-June 1998.

Notes: Where objection is taken to different proposals of the Commission a separate objection should be filed in respect of each proposal.

A suggested format for objections is available at the Places of Inspection.

5. Late objections cannot be considered, i.e. those received after Wednesday, 29 April 1998.

6. Objectors to electoral boundaries are requested to relate the grounds of their objections, and the precise changes suggested by them, to the following statutory considerations:

All electorates must contain electoral populations varying not more than 5 percent from the following quotas:

	Quota	5% Allowance
North Island General Electorates	53,690	+/- 2,684
South Island General Electorates	54,105	+/- 2,705
Maori Electorates	56,166	+/- 2,808

Within those allowances, the Commission is required by law to give due consideration to certain criteria.

In the case of General electoral districts these criteria are the existing boundaries of the General electoral districts, community of interest, facilities of communications, topographical features, and any projected variation in the General electoral population of those districts during their life.

In the case of Maori electoral districts these criteria are the existing boundaries of the Maori electoral districts, community of interest among the Maori people generally and members of Maori tribes, facilities of communications, topographical features, and any projected variation in the Maori electoral population of those districts during their life.

7. All objections will be published in a summary form (which will include the objector's name) and will be open for public inspection for the purpose of allowing counter-objections to be filed. A public notice inviting counter-objections is expected to be Gazetted on 8 May 1998.
