Dumping and Countervailing Duties Act 1988

Anti-Dumping Duties: Notice That Anti-Dumping Duties on Refined Sugar from Belgium, Denmark, Germany, Malaysia, the Netherlands and Thailand are to Cease to Apply

Subject to section 14 (9) of the Dumping and Countervailing Duties Act 1988 ("the Act"), anti-dumping duties imposed on refined sugar from Belgium, Denmark, Germany, Malaysia, the Netherlands and Thailand* will cease to apply to those goods on 3 November 1998 unless, at that date, the goods are subject to review under section 14 (8) of the Act.

Any interested party that might request the Secretary of Commerce to initiate a review before the termination date referred to above, should be aware that positive evidence justifying the need for a review must be provided to the Secretary.

If an application is received which provides positive evidence justifying the need for a review, the Secretary must undertake a review investigation and report to the Minister of Commerce within 180 days on whether the anti-dumping duties should continue to be applied. Positive evidence justifying the need for a review would need to provide reasons for believing that the expiration of anti-dumping duties would see the recurrence of dumping of refined sugar from Belgium, Denmark, Germany, Malaysia, the Netherlands and Thailand, and for believing that such dumping would cause material injury to the New Zealand industry producing refined sugar. The reasons should be supported by evidence and not based on mere allegations or assertions.
