### Specific Accounting Policies

#### *Depreciation:*

Depreciation has been charged in the financial statements using rates which will write off the cost of assets less their estimated residual value over their estimated economic lives.

The depreciation rates used are:

Buildings—construction . . . . .	3% c.p.
Buildings—furniture and fittings . . . . .	4-40% d.v.
Computer equipment/software . . . . .	28-36% c.p.
Office equipment . . . . .	6-48% c.p.
Motor vehicles . . . . .	18-22% c.p.

#### *Fixed Assets:*

Fixed assets are recorded at cost less accumulated depreciation.

#### *Investments:*

Investments are shown at market value. Net income including realised and unrealised gains or losses from holding or trading these investments are recorded in the statement of financial performance.

#### *Donations, Special Projects and Community Loans:*

Donations, special projects and community loans are accounted for on an accruals basis.

#### *Dividend Income:*

Dividend income is included in the statement of financial performance when it is received.

## 9. Segmental Reporting:

The trust operates as a charitable trust in the Canterbury, Marlborough and Nelson areas.

As all operations occur within New Zealand, segmental reporting is not required.

## 10. Related Party:

In the normal course of business the trust has no related parties with any entity. In the previous year the trust had related parties with WestpacTrust (1997 interest received \$7,605,270, 1997 balance date bank balance \$13,514,076 and deposits \$97,227,768)

## 11. Financial Instruments:

Investments are stated at estimated market value at balance date. Accrued interest, accounts payable, community loans, and donations approved not yet paid are stated at the amounts expected to be received or paid.

Accordingly, the trustees consider that the fair value of each class of financial assets and financial liabilities is the same as the carrying value in the statement of financial position.

## Concentration of Investments

Ninety-seven percent of the assets of the trust are represented by investments held with a range of financial institutions. However the trustees consider the risk of non-recovery of these investments to be minimal.

## Currency Risk

The trust incurs currency risk as a result of investment transactions entered into by fund managers.

**Interest Rate Risk**

The following investments of the trust are sensitive to changes in interest rates: Bank call accounts and deposits, governments and local authority and securities held by fund managers.

Loans and advances with related parties do not carry interest and therefore do not hold any interest rate risk.

**Auditors' Report**

We have audited the consolidated financial statements. The consolidated financial statements provide information about the past financial performance and financial position of the trust and subsidiaries as at 31 March 1998. This information is stated in accordance with the accounting policies set out therein.

*Trustees' Responsibilities:*

The trustees are responsible for the preparation of the consolidated financial statements which give a true and fair view of the financial position of the trust and subsidiaries as at 31 March 1998 and the results of its operations and cash flows for the year ended on that date.

*Auditors' Responsibilities:*

It is our responsibility to express an independent opinion on the financial statements presented by the trustees and report our opinion to you.

*Basis of Opinion:*

An audit includes examining, on a test basis, evidence relevant to the amounts and disclosures in the financial statements. It also includes assessing :

- the significant estimates and judgments made by the trustees in the preparation of the financial statements; and
- whether the accounting policies are appropriate to the trust and subsidiaries' circumstances, and are consistently applied and adequately disclosed.

We conducted our audit in accordance with generally accepted auditing standards in New Zealand. We planned and performed our audit so as to obtain all the information and explanations which we considered necessary to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatements, whether caused by fraud or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements. Other than in our capacity as auditors we have no relationship with or interests in the Trust.

*Unqualified Opinion:*

We have obtained all the information and explanations we have required. In our opinion:

- proper accounting records have been kept by the trust and subsidiaries as far as appears from our examination of those records; and
- the consolidated financial statements
  - comply with generally accepted accounting practice; and
  - give a true and fair view of the financial position of the trust and subsidiaries as at 31 March 1998 and the results of their operations and cash flows for the year ended on that date.

Our audit was completed on 16 June 1998 and our unqualified opinion is expressed as at that date.
