Advertising Rates

The following rates for the insertion of materials in the *New Zealand Gazette* apply as from 1 January 1998:

Category 1

Single column notices, e.g.: Notices under the Companies Act, Insolvency Act, and Public Works Act—55c per word (no matter how big or small)*.

Category 2

Notices in table form or taking up two columns across the page, e.g.: Change of Company Name notices, Regulation Summaries—60c per word (no matter how big or small)*.

*Any word or group of alphas or numerals with a comma or full point imbedded in it will count as two words.

*Any word or letter ending with a full point, comma, shilling stroke (whether followed by a word space or no word space will count as one word, e.g., D.X. = 2 words, the end. = 2 words. The full point, comma, shilling stroke ends the word, and what follows starts another word.)

The appropriate rate to be applied to an advertisement will be determined at the time of setting up the notice for publication. Customers will be invoiced in accordance with standard commercial practices. Advertising rates are not negotiable.

All rates shown are inclusive of G.S.T.

Electoral Act 1993

Electoral Main Rolls Closing Notice 1998

Pursuant to section 104 (2) (b) of the Electoral Act 1993, the Chief Registrar of Electors gives the following notice.

Notice

1. Title—This notice may be cited as the Electoral Main Rolls Closing Notice 1998.

2. Date for closing of main rolls—The date for the closing of the main rolls is 28 August 1998.

Dated at Wellington this 27th day of July 1998.

ELMAR TOIME, Chief Registrar of Electors.

Explanatory Note

This note is not part of the notice, but is intended to indicate its general effect.

A main roll is printed each year for each electoral district so that it can be checked by members of the public. Each roll lists electors who are enrolled on a date specified for the closing of the rolls. This notice specifies 28 August 1998 as that date. The rolls will be printed as soon as practicable after that date.

Land Information New Zealand**Public Works Act 1981****Notice of Intention to Take an Easement for the Transmission of Electricity From Bombay to Pukekohe in Franklin District**

Notice is hereby given that it is proposed, under the provisions of the Public Works Act 1981, to take, on behalf of Counties Power Limited, an easement over the land described in the Schedule, which is required for the transmission of electricity and to permit the upgrading of the existing Bombay to Pukekohe transmission lines to 110 kV.

The taking is considered reasonably necessary as the existing 33 kV lines are no longer sufficient to meet increasing demand for power and must be upgraded to conduct 110 kV. The easement is necessary because the statutory protection to the existing lines will not extend to an upgrading.

Any person, having an estate or interest in the land may within 20 working days after the date of publication of this notice, send an objection to the Registrar, Environment Court, Tribunals Division, Department for Courts, Private Bag, Postal Centre, Wellington.

If any objection is made in accordance with this notice, a public hearing will be held, unless the objector otherwise requires, and each objector will be informed of the time and place of the hearing.

Accounting Standards Review Board

Financial Reporting Act 1993

Notice (No. 20) of Approval of Amendment to Financial Reporting Standard

Notice is hereby given, pursuant to section 29 of the Financial Reporting Act 1993 ("the Act"), that the Accounting Standards Review Board has approved, for the purposes of the Act, an amendment to Financial Reporting Standard 9, "Information to be Disclosed in Financial Statements" submitted to it by the Institute of Chartered Accountants of New Zealand.

The purpose of the amendment is to clarify an inadvertent ambiguity from paragraph 5.4 of FRS 9 with regard to

comparative data relating to prospective financial information.

The amended paragraph 5.4 of FRS 9 now reads:

5.4 Where an entity has published prospective financial information other than prospective financial information expressed solely in general terms, for the period of the financial report, the entity shall present a comparison of the prospective financial information previously published with the actual financial results being reported. Explanations for major variations shall be given.

A new explanatory paragraph 5.4A has been added. It reads:

5.4A FRS-29 Prospective Financial Information defines "prospective financial information" and gives guidance on the meaning of prospective financial information "expressed solely in general terms".

The amendment to FRS 9 is to take immediate effect.

A copy of the amendment may be purchased from the office of the Institute of Chartered Accountants of New Zealand, 40 Mercer Street (P.O. Box 11-342), Wellington and 27-33 Ohinerau Street (P.O. Box 3334), Remuera, Auckland.

Dated this 30th day of July 1998.

JOHN C. HAGEN, Chairman, Accounting Standards Review Board.

Notes to the Financial Statements for the Year Ended 31 March 1998**1. Statement of Accounting Policies**

The ASB Bank Community Trust ("the Trust") was formed on 30 May 1988 through the creation of a trust deed in compliance with the Trustee Banks Restructuring Act 1988. Under the terms of the trust deed the trust was settled with 60 million \$1 fully paid ordinary shares in ASB Bank Limited representing 100 percent of the issued capital. As at 31 March 1988 the net tangible asset backing of those 60 million shares was \$147,655,000. In 1989 45 million shares were sold to the Commonwealth Bank of Australia for \$252,000,000 which was then donated to the ASB Charitable Trust.

The measurement basis adopted is that of historical cost adjusted for the revaluation of certain assets. Reliance is placed on the fact that the trust is a going concern. The financial statements have been prepared in accordance with the requirements of the Financial Reporting Act 1993.

Bank

Bank is stated as the balance in the bank account rather than the balance as per the cash book.

Statement of Cash Flows

Cash comprises cash at bank and call deposits but excludes charitable purposes reserve fund cash at bank and call deposits.

Dividends

Dividends are recognised as income when they are received by the trust. They are recorded net of any imputation tax credits.

Donations

Donations are accounted for as they are distributed or committed to be distributed to eligible organisations as approved by the trustees.

Expenses

Some expenses are shared jointly with the ASB Charitable Trust. Whilst each trust bears its own specific costs, the joint expenses are allocated between each trust on the basis of the number of applications processed by each.

Joint expense allocations were:

	1998	1997
This trust	40 percent	40 percent
ASB Charitable Trust	60 percent	60 percent

Investments

Investments in shares are valued at the net tangible asset backing as disclosed in the latest published accounts. Any revaluation difference is transferred to the investment reserve.

Other investments are stated at market value. Any gains or losses are recognised in income and expenditure for the period.

Financial Instruments

All assets and liabilities of the trust are financial instruments and are recognised in the balance sheet. All financial instruments are recorded at market value or fair value or are not materially different from market value or fair value.

The quantitative disclosures required by FRS 31 disclosure of information about financial instruments, have been included throughout the financial statements where material.

Reserves

The investment reserve reflects both the realised and unrealised increase in the net tangible asset value of the shareholding in ASB Bank Limited and the increase in value realised through the receipt of the special dividend. It excludes the portion of the increases attributable to the charitable purposes reserve fund.

The charitable purposes reserve fund represents funds contributed by ASB Charitable Trust to enable the trust to participate in the issue of new equity by ASB Bank Limited. In order to maintain the non taxable status of this reserve, the trust is required to segregate these funds contributed from ASB Charitable Trust and the income attributable thereto. There are also certain restrictions on the distribution of income from this fund.

Transfers to other reserves from the unallocated surplus are made at the discretion of the trustees.

Taxation

Taxation includes both current and deferred tax. Deferred tax is calculated using the comprehensive liability method.

Changes in Accounting Policies

There have been no material changes in accounting policies during the period.

8. Financial Instruments*Currency Risk*

All financial instruments are held in New Zealand and therefore the trust is not subject to currency risk.

Interest Rate Risk

The trust invests in securities that are subject to interest rate risk. The trust actively monitors this risk and changes asset allocations and maturity profiles accordingly.

Credit Risk

The trust owns financial instruments that are subject to credit risk. The maximum credit risk exposure to the trust is the value of investments as disclosed in the financial statements.

Fair Values

All financial instruments are carried at market value.

KPMG Audit Report to the Trustees of ASB Bank Community Trust

We have audited the financial statements comprising the statement of income and expenditure, statement of movement in trust funds, the balance sheet, the statement of cash flows and the notes to these financial statements. The financial statements provide information about the past financial performance of the trust and its financial position as at 31 March 1998. This information is stated in accordance with the accounting policies included in the notes to these financial statements.

Trustees' Responsibilities

The trustees are responsible for the preparation of financial statements which give a true and fair view of the financial position of the trust as at 31 March 1998 and of the results of its operations and cash flows for the year ended on that date.

Auditors' Responsibilities

It is our responsibility to express an independent opinion on the financial statements presented by the trustees and report our opinion.

Basis of Opinion

An audit includes examining, on a test basis, evidence relevant to the amounts and disclosures in the financial statements. It also includes assessing:

- the significant estimates and judgments made by the trustees in preparation of the financial statements, and
- whether the accounting policies are appropriate to the trust's circumstances, consistently applied and adequately disclosed.

We conducted our audit in accordance with generally accepted auditing standards in New Zealand. We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatements, whether caused by fraud or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Other than in our capacity as auditors we have no relationship with or interest in the trust.

Unqualified Opinion

We have obtained all the information and explanations we have required.

In our opinion the financial statements:

- comply with generally accepted accounting practice;
- give a true and fair view of the financial position of the trust as at 31 March 1998 and the results of its operations and cash flows for the year ended on that date.

Our audit was completed on 25 May 1998 and our unqualified opinion is expressed as at that date.

KPMG, Auckland.

Notes to the Financial Statements for the Year Ended 31 March 1998

1. Statement of Accounting Policies

The ASB Charitable Trust ("the trust") was formed on 31 May 1989 through the creation of a trust deed by the ASB Bank Community Trust and a donation of \$252,000,000.

The measurement basis adopted is that of historical cost adjusted for the revaluation of certain assets. Reliance is placed on the fact that the trust is a going concern. The financial statements have been prepared in accordance with the requirements of the Financial Reporting Act 1993.

Bank

Bank is stated as the balance in the bank account rather than the balance as per the cash book.

Statement of Cash Flows

Cash comprises cash at bank and call deposits but does not include cash or deposits held by the fund managers. Therefore the statement of cash flows does not reflect the cash flows within the fund managers' portfolios.

Depreciation

Depreciation is provided over the useful life of the assets. Buildings are depreciated on a straight line basis. Vehicle, office equipment and furniture are depreciated on a diminishing value basis. The rates used are those recommended by the Inland Revenue Department.

Dividends

Dividends are recognised as income when they are received by the trust and exclude imputation tax credits.

Donations

Donations are accounted for as they are distributed or committed to be distributed to eligible organisations as approved by the trustees.

Expenses

Some expenses are shared jointly with the ASB Bank Community Trust. Whilst each trust bears its own specific costs, the joint expenses are allocated between the trusts on the basis of the number of applications processed by each.

Joint expense allocations were:

	1998	1997
This trust	60 percent	60 percent
ASB Bank Community Trust	40 percent	40 percent

Fixed Assets

Fixed Assets are valued at cost less accumulated depreciation.

Foreign Currencies

All amounts denominated in foreign currencies are converted to New Zealand dollars at balance date and all realised and unrealised gains and losses are recognised in income and expenditure for the period.

Investments

Investments are stated at market value. Any gains or losses are recognised in income and expenditure for the period.

Investment transactions are recorded by the fund managers on a settlement date basis. Unsettled transactions are disclosed in the notes as commitments.

Financial Instruments

All assets and liabilities of the trust with the exception of fixed assets are financial instruments and are recognised in the balance sheet. All financial instruments are recorded at market value or fair value or are not materially different from market value or fair value.

The trust uses financial instruments with off balance sheet risk to reduce exposure to fluctuations in foreign currency exchange rates. Forward exchange contracts are entered into to hedge foreign currency transactions. These are converted to the New Zealand dollar rate at balance date with all realised and unrealised gains and losses being recognised in the income and expenditure statement.

The quantitative disclosures required by FRS 31 disclosure of information about financial instruments, have been included throughout the financial statements where material.

Reserves

Transfers to the capital maintenance reserve are based on the annual movement in the consumer price index.

Transfers to all other reserves from the unallocated surplus are made at the discretion of the trustees.

Taxation

The trust has been accorded tax exempt status in New Zealand and Australia but is liable to taxation on investment income in some other overseas countries. Tax on overseas income is accounted for as a reduction of that income.

Changes in Accounting Policies

There have been no material changes in accounting policies during the period.

8. Commitments*Investments*

Net investment transactions payable by the fund managers but unsettled prior to year end total \$2,535,554 (1997 \$513,383).

9. Financial Instruments*Currency Risk*

The trust invests in securities that are denominated in foreign currencies and therefore result in a currency risk. In order to minimise the currency risk, foreign currency assets are hedged.

	1998 \$000	1997 \$000
Foreign currency denominated assets	246,931	175,754
Less foreign currency contracts	172,236	117,997
	<u>\$74,695</u>	<u>\$57,757</u>

Interest Rate Risk

The trust, through its fund managers, invests in securities that are subject to interest rate risk. The trust actively monitors this risk and changes asset allocations and maturity profiles accordingly.

Credit Risk

The trust in the normal course of business enters into arrangements with other parties. These arrangements give rise to credit risk for the trust and hence policies and procedures are maintained so that this risk is minimised.

For all classes of financial assets held by the trust the maximum credit risk exposure to the trust is the carrying value as disclosed in the financial statements at balance date.

Due to the diversification of the investment portfolio and the policies and procedures in place, there is no significant concentrations of credit risk.

Fair Values

All financial instruments are carried at market value.

KPMG Audit Report to the Trustees of ASB Charitable Trust

We have audited the financial statements comprising the statement of income and expenditure, statement of movement in trust funds, the balance sheet, the statement of cash flows and the notes to these financial statements. The financial statements provide information about the past financial performance of the trust and its financial position as at 31 March 1998. This information is stated in accordance with the accounting policies included in the notes to these financial statements.

Trustees' Responsibilities

The trustees are responsible for the preparation of financial statements which give a true and fair view of the financial position of the trust as at 31 March 1998 and of the results of its operations and cash flows for the year ended on that date.

Auditors' Responsibilities

It is our responsibility to express an independent opinion on the financial statements presented by the trustees and report our opinion.

Basis of opinion

An audit includes examining, on a test basis, evidence relevant to the amounts and disclosures in the financial statements. It also includes assessing:

- the significant estimates and judgments made by the trustees in preparation of the financial statements, and
- whether the accounting policies are appropriate to the trust's circumstances, consistently applied and adequately disclosed.

We conducted our audit in accordance with generally accepted auditing standards in New Zealand. We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatements, whether caused by fraud or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Other than in our capacity as auditors we have no relationship with or interest in the trust.

Unqualified Opinion

We have obtained all the information and explanations we have required.

In our opinion the financial statements:

- comply with generally accepted accounting practice;
- give a true and fair view of the financial position of the trust as at 31 March 1998 and the results of its operations and cash flows for the year ended on that date.

Our audit was completed on 25 May 1998 and our unqualified opinion is expressed as at that date.

Chairperson's Report for the Year Ended 31 March 1998

It is a pleasure to present the tenth annual report of The Community Trust of Otago. The year past has seen significant milestones reached. The years ahead contain wonderful opportunities for us to really make a difference in the community of Otago. We are in the midst of a most exciting time.

Highlights of the year included:

- achieving a gross income from investments of over \$25 million, representing an 18.8 percent return,
- committing over \$10 million in donations, compared with last year's \$4.3 million,
- installing new fund managers,
- seeing some of our previously committed donations coming to effect,
- moving into our new building,
- thinking hard about the future, and
- seeing continued excellent working relationships within the trust.

Trustees view themselves as accountable to the public for the wise exercise of their duties. This includes making effective donations, obviously, but first it requires the execution of a sound investment strategy. I would like to explain what lies behind our donations and investment policies so that people can more easily understand what we do.

Investments

The trust's investment objective is to obtain the maximum return for an acceptable degree of risk. All "risk" means is that we expect our income to be volatile, to vary from year to year. We don't want our donations budget to be unpredictable, so we must manage this risk. The strategy we have adopted is to set aside reserves to cope with a degree of risk that allows also a higher average income.

Our asset allocations are still reasonably conservative for a long-term investor, our benchmark portfolio containing 35 percent in equity investments. Nevertheless, it is important to realise that we expect investment performance fluctuations perhaps twice as large as our donations budget.

In practice, our reserving policy is quite sophisticated. The graph below shows the band within which our funds must stay unless we are to take corrective action of some sort. The boundaries represent overall fund levels where the statistical probability of either losing capital or retaining excessive reserves have reached a certain (still rather low) level of significance.

Although trustees take full responsibility for choosing the overall strategy and the asset allocation and the fund managers, they do so only after obtaining advice from our investment advisors Frank Russell Limited. Russells also provide regular performance reports.

As I reported last year, trustees selected new managers for both our overseas equities and overseas fixed interest portfolios. We became fully invested with both Lazard Freres and Fischer Francis Trees and Watts by August 1997. At the same time we engaged Chase Manhattan Bank to provide custodial services for our overseas securities. AMP manages our New Zealand balanced portfolio.

The above discussion puts this year's performance in perspective. On the basis of our assets allocation, history, and average manager performance we are advised to expect an average gross nominal return of 8.3 percent. In fact we got 18.8 percent. We are delighted to report a very good year, but we expect both good and bad.

Although the trust will continue to keep all aspects of its operations under constant review, we are satisfied for the present that we have in place a sound policy on investments.

Donations

The single most significant feature of the year for the trust was that we committed \$10.2 million in donations. This eclipsed last year's total of \$4.3 million, itself a record. Details of the donations, both large and small, are contained elsewhere in this report.

We expect to continue donations at roughly the same level in the current year. As I have indicated, our average expected income is 8.3 percent of our capital. An estimated 2 percent must be added to our capital to maintain its real value, leaving 6.3 percent to spend. After deducting expenses, this leaves approximately \$9.5 million for distribution. Our healthy reserves position has allowed trustees to set a budget for the coming year of \$10 million.

This is not a rigid figure. The trust is not yet experienced in managing this level of disbursement. We do not know how large or how volatile or of what quality will be the demand. We will need to be flexible while both the trust and the community become used to the level of donations that we can now make.

The trust does not usually generate projects itself. Having money to distribute does not give us any special insights, and we do not wish to impose our ideas on the community. Thus, we generally prefer to foster self-reliance and to back projects that already have proven support. However, we do find ourselves in a position where we can see the big picture, where we can see the need to think strategically, and where sometimes we need to provide leadership. I mention some examples that demonstrate these points.

During the year past, our very large support for the 150th anniversary celebrations broke new ground. The trust decided that the outcome of raised spirits, although not measurable, justified investment.

The International Science Festival was an example where our risky entry at the very beginning paid off by allowing other support to be generated.

We are moving more towards funding activities rather than infrastructure. Thus, for example, we might support the production of a play rather than new lighting for a theatre. Theatres are for productions, not lighting, and if the production is successful then the lighting can be bought, so long as it really is the top priority.

Trustees monitor the distribution of donations, both by location and by category. Doing this has triggered 2 initiatives that promise much, for opposite reasons.

The trust invests heavily in sport, and we need to do better than just respond to applications in an ad hoc way. We are working on providing an overall framework to maximise the effectiveness of this substantial investment.

On the other hand, trustees observed that our donations to "culture" were consistently low. The trust has thus initiated a dialogue to help us understand why this is so and what we can do about it. We are pleased with the process and the outcome could be excellent.

The trust now has the means to make a considerable difference in the life of the province. This requires a new level of thinking about both the opportunities and the risks of what we do, about vision and about philosophy. Trustees welcome that challenge.

The Trust

The year past has seen the trust established in its new premises, with which we are very pleased.

We have no desire to advertise ourselves, and decline to provide what is normally understood by sponsorship. Nevertheless we want to be accountable. Thus, we are thinking about our communication with the public, in both directions.

During the year we lost 2 trustees and gained 2. David Polson had been a leading member of the trust since its inception. His service was conspicuous when the trust moved from the position of holding ownership only in Trustbank New Zealand to what it is today. Dave Pasley has been missed for both his good company and his telling contribution.

Gail Tipa and Ele Ludemann have both provided significant input since their appointments.

The trust is very lucky to have such good staff. In Rugby parlance, I "rate" Chief Executive Keith Ellwood. Carol Melville has had a big first full year as donations assessor. She is more than a mere employee! Heather Wyatt and Fay Jackson are just great in the front office.

Trustees have worked really well together. I thank them for what I believe has been a very good year.

CLIVE MATTHEWSON, Chairperson.

Notes to the Consolidated Financial Statements for the Year Ended 31 March 1998

Basis of Preparation

These are the consolidated financial statements of The Community Trust of Otago, Otago Community Charities Limited and Fillmor House Limited. The Community Trust of Otago was incorporated as a charitable trust in accordance with the provisions of the Trustee Banks Restructuring Act 1988.

The financial statements have been prepared to comply with the Financial Reporting Act 1993 and comprise consolidated statements of the following: Financial performance, movement in trust funds, financial position, cash flows, as well as notes to these financial statements.

The financial statements are prepared on the basis of historical cost, except for the revaluation of managed funds.

Specific Accounting Policies

Income

Income from managed funds includes both realised and unrealised income and is recorded gross of fund management expenses.

Interest is recognised on an accrual basis.

Donations

Donations are accounted for as they are distributed.

Foreign Currencies

All amounts denominated in foreign currencies are converted to New Zealand dollars at balance date. All realised and unrealised gains and losses are recognised in the statement of financial performance.

Taxation

Income tax is recognised on the surplus available for distribution before taxation, adjusting for differences between taxable and accounting income.

Fixed Assets

Fixed Assets are recorded at cost less accumulated depreciation.

Depreciation

Depreciation has been charged to the financial statement using rates, which will write off the cost of assets less their estimated residual value over their estimated economic lives. The depreciation rates used are:

Buildings	4 percent
Office furniture and equipment	12-48 percent

G.S.T.

A subsidiary of The Community Trust of Otago, Fillmor House Limited, is registered for G.S.T. Accordingly its financial performance and financial position have been consolidated within the financial statements on a G.S.T. exclusive basis.

Subject to the above, the trust is not registered for G.S.T. purposes and therefore the financial statements have been prepared on a G.S.T. inclusive basis.

Capital Maintenance Reserve

The capital maintenance reserve represents the additional amount necessary to preserve the real value of the capital allowing for inflation as measured by the consumers' price index (CPI).

Investments

Investments are valued at year end market value. All realised and unrealised gains and losses are recognised in the statement of financial performance.

Hedging Instruments

The trust through its investment managers enters into hedging instruments such as futures, options and forward exchange contracts. These are converted to the New Zealand dollar rate at balance date with all realised and unrealised gains and losses being recognised in income and expenditure as income from managed funds.

Statement of Cash Flows

Cash comprises cash at bank and call deposits but does not include cash or deposits held by the fund managers.

Changes in Accounting Policies

There have been no changes in accounting policies during this accounting period.

Changes in Comparative Figures

Where applicable, certain comparatives have been restated to comply with the accounting presentation adopted for the current period.

This information is stated in accordance with the accounting policies set out.

Trustees' Responsibilities

The trustees are responsible for the preparation of consolidated financial statements which give a true and fair view of the consolidated financial position of the trust as at 31 March 1998 and of the consolidated results of operations and cash flows for the year ended 31 March 1998.

Auditors' Responsibilities

It is our responsibility to express an independent opinion on the consolidated financial statements presented by the trustees and report our opinion to you.

Basis of Opinion

An audit includes examining, on a test basis, evidence relevant to the amounts and disclosures in the consolidated financial statements. It also includes assessing:

- the significant estimates and judgments made by the trustees in the preparation of the consolidated financial statements, and
- whether the accounting policies are appropriate to the trust's circumstances, consistently applied and adequately disclosed.

We conducted our audit in accordance with generally accepted auditing standards in New Zealand. We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the consolidated financial statements are free from material misstatements, whether caused by fraud or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the consolidated financial statements.

Our firm carries out other assignments for the trust in the area of special consultancy projects. The firm has no other interest in the trust.

Unqualified Opinion

We have obtained all the information and explanations we have required. In our opinion:

- Proper accounting records have been kept by the trust as far as appears from our examination of those records; and
- The consolidated financial statements:
 - comply with generally accepted accounting practice;
 - give a true and fair view of the consolidated financial position of the trust as at 31 March 1998 and the consolidated results of its operations and cash flows for the year ended on that date.

Our audit was completed on 3 July 1998 and our unqualified opinion is expressed as at that date.

West Coast Community Trust

Trustee Banks Restructuring Act 1998

West Coast Community Trust

The West Coast Community Trust gives notice that the Minister of Finance has directed each trust that it need not publish the full list of grants in the *New Zealand Gazette*, but will provide a copy of its lists of grants to anyone upon request from the Secretary, West Coast Community Trust, P.O. Box 190, Hokitika.

The West Coast Community Trust Chairperson's Annual Report 1997-98 Year

Trustees

James Keenan, Hokitika; Jan Coll, Westport; Stanley Dawson, Hokitika; Jean Doland, Hokitika; Ashley Groom, Greymouth; Frances Hunter, Reefton; Margaret Moir, Hokitika; Brenda Monk, Lake Paringa; and Roy Munn, Greymouth.

Secretary

Alison Alldridge, Hokitika.

On behalf of the trustees of the The West Coast Community Trust I am pleased to present the tenth annual report to the people of the West Coast.

The trust continues its good relationship with a large number of organisations serving our West Coast community and our annual public meetings over recent years have been well attended by representatives of many recipient organisation.

Grants

During the year under review a total of \$177,500 was granted to 206 organisations operating within the trust's specified area and these are set out in the schedule of grants published as part of the financial statements for the year ended 31 March 1998. Since its inception on 1 June 1988 the trust has made 1966 grants totalling \$1,277,193 representing an average grant of approximately \$650. Due to lack of funds in its formative year only one grant was made in the 1988-89 year and that was by way of a \$10,000 grant to the West Coast Flood Relief Appeal administered by the West Coast United Council. In the 9 years following, the trust has therefore made on average 218 grants per annum with the average amount being \$650 per grant allocated. These donations again covered a wide spectrum of the services and activities which our communities provide and enjoy.

Again the trust continued its policy of making 3 district grants each of \$15,000 and a regional grant of \$10,000 to an organisation/s that serve the whole region. The trust allocated these grants to:

	\$
Buller District Council area—	
Karamea Aerodrome Inc	8,000
Clarion Management Committee	3,500
Royal NZ Plunket Society—Westport Branch	2,000
Reefton Rotary Club	1,500
Grey District Council area—	
Greymouth High School	3,750
West Coast Theatre Trust	2,250
Order of St John—Greymouth area	2,000
Greymouth Municipal Band	2,000
Greymouth Heritage Trust	5,000
Westland District Council area—	
Heritage Hokitika Inc	3,750
Hokitika Angling Club	3,750
Hokitika Free Kindergarten	2,000
Franz Josef Glacier School	1,000
Carnegie Restoration Committee	3,000
Whataroa Gym Club	1,500
West Coast Regional Grant—	
Cancer Society of NZ Canterbury/West Coast Division	2,500
Order of St John, WC District Ambulance Service	2,500
Life Education Trust	2,500
Solid Energy International Sports Trust	2,000

To mark the tenth anniversary of the trust which occurs on 1 June 1998 it was agreed that a special award of a one off grant or grants of \$10,000 be granted within each of our 3 district council areas.

The trustees took the opportunity of inspecting a number of projects which the trust had assisted throughout the past year.

Capital Investment

The trust again increased its capital from \$4,238,104 to \$4,432,972 at 31 March 1998, an increase for the year of \$194,868, a result which, considering the low rates of interest, proved to be quite satisfactory.

The trust's investments at the end of the financial year were realising rates of interest ranging from 7.75 percent to 9.70 percent with maturity dates varying from 2 May 1998 to 15 April 2007 at 31 March 1998. These investments lie with 5 different investment organisations as scheduled below.

\$	
1,230,000	ASB Bank at 8.00 percent maturing on 5 April 1998
400,00	ASB Bank at 8.00 percent maturing on 10 April 1998
400,00	ASB Bank at 8.90 percent maturing on 2 May 1998
305,745.56	Bank of New Zealand at 8.90 percent maturing on 2 May 1998
660,000	ASB Bank at 8.85 percent maturing on 5 May 1998
940,000	Westpac Banking Corporation at 7.77 percent maturing on 13 May 1998
400,000	Wrightson Finance at 7.75 percent maturing on 5 August 1998
47,226.95	Wrightson Finance at 8.25 percent maturing on 30 June 1999
50,000	TCNZ Finance at 9.70 percent maturing on 15 April 2007
<u>\$4,432,972.51</u>	Total investments as at 31 March 1998.

Conference of Community Trusts

The trust was for the first time represented at the conference held in Napier on 6 and 7 November 1997 and in my report to the trust I found that the discussions on such matters as "Issues with Sporting Trusts", "Funding NZ wide Organisations", "Investment Strategy", "Areas of Disadvantage", "Trustee Remuneration", "Trustee Liability Insurance", "Taxation Issues" and other items on the agenda very interesting, especially an address by the Right Hon. Bill Birch. Mr Birch made it quite clear to conference that trusts must differentiate between charitable and non-charitable grants. As a result, the trust accepted the generous offer of 2 trustees from Trust Bank Southland Community Trust, Messrs Colin Ballantyne (Chairperson) and Warwick Cambridge (Trustee) to come up to Hokitika and discuss the matter of forming a sub trust. This meeting held on 20 March proved quite fruitful and the trust very much appreciated the willingness of Messrs Ballantyne and Cambridge to help us understand what is required of us in this regard.

Trust membership

This remained static at nine (9) members but the terms of Stanley Dawson, Margaaret Moir and James Keenan expire on 31 May 1998 and the trust has recommended to the Minister of Finance that all of the above trustees be reappointed. I have, however, indicated to Mr Birch that I did not wish to continue as chairperson in view of my 9 year term in that role and the trust recommended Margaret Moir and Jan Coll for consideration as my replacement as chairperson.

Meetings

Although other trusts hold regular monthly meetings, this trust in the interest of economy continued to hold quarterly meetings. These were held at Shantytown, Hokitika, Greymouth and Reefton whilst the public meeting was held at Hokitika

on 9 July immediately following the ordinary meeting on that date. A special meeting at Hokitika to meet with Messrs Ballantyre and Cambridge was also held at Hokitika on 20 March 1998. All meetings were well attended.

Remuneration

Although a promise was made by a former Minister of Finance to pay trustees retrospective increases on honoraria over a period of 7 years the Right Hon. Bill Birch made it quite clear that this could not be done legally. However, effective from 1 September 1997 the honoraria for the chairperson has increased to \$3,000 per annum and for other trustees \$1,000 per annum and meeting fees have increased to \$360 for a full day for the chairperson and \$200 for all other trustees. The fees for a half day (less than 6 hours) are now \$250 for the chairperson and \$140 for trustees.

Obituary

It is with great sorrow that I refer to the passing of Mr John Stott, the trust's inaugural chairperson. It was John who played a very important part in the setting up of the trust and he steered this trust through a difficult first year with great skill. We have extended our condolences to his widow, Mary and her family and we are deeply appreciative of the fine contribution he made to the West Coast Community Trust.

Appreciation

As this will be my final annual report I wish to record my sincere appreciation to all trustees for their dedication and wise counsel that they have brought to the meetings and activities of the trust and for their support which they have accorded me. I wish to record my thanks to a wonderfully efficient secretary/treasurer in Alison Alldridge who has won the utmost respect not only of all of the trustees but by the many organisations which she has dealt with so competently and so helpfully.

In conclusion, I am delighted to have been associated with a trust which has given its community years of splendid service and with trustees whom I believe have performed their role in a very able manner.

The substantial increase in the funds which the trust manages and its allocation of over \$1.25 million splendid achievement and I am confident of the trust's continuing success.

J. F. KEENAN, Chairperson.

Dated this 17th day of April 1998.

Auditor Report

To the readers of the financial statements of West Coast Community Trust:

We have audited the financial report of the trust. The financial report provides information about the past financial performance of the trust and its financial position as at 31 March 1998. This information is stated in accordance with the accounting policies set out.

Trustees' Responsibilities

The trustees are responsible for the preparation of a financial report which gives a true and fair view of the financial position of the trust as at 31 March 1998 and of the results of operations for the year ended 31 March 1998.

Auditors' Responsibilities

It is our responsibility to express an independent opinion on the financial report presented by the trustees and report our opinion to you.

Basis of Opinion

An audit includes examining, on a test basis, evidence relevant to the amounts and disclosures in the financial report. It also includes assessing:

- the significant estimates and judgments made by the trustees in the preparation of the financial report, and
- whether the accounting policies are appropriate to the trust's circumstances, consistently applied and adequately disclosed.

We conducted our audit in accordance with generally accepted auditing standards in New Zealand. We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial report is free from material misstatements, whether caused by fraud or error. In forming our opinion we also evaluated overall adequacy of the presentation of information in the financial report.

Other than in our capacity as auditors we have no relationship with or interests in the trust.

Unqualified Opinion

We have obtained all the information and explanations we have required.

In our opinion:

- proper accounting records have been kept by the trust as far as appears from our examination of those records; and
- the financial report
 - complies with generally accepted accounting practice;
 - gives a true and fair view of the financial position of the trust as at 31 March 1998 and the results of its operations for the year ended on that date.

Our audit was completed on 8 July 1998 and our unqualified opinion is expressed as at that date.

West Coast Community Trust Notes to the Accounts for the Year Ended 31 March 1998

1. Formation

The West Coast Community Trust ("the trust") was formed on 30 May 1988, through the creation of a trust deed in compliance with the Trustee Banks Restructuring Act 1988. These accounts have been prepared in accordance with the 1993 Financial Reporting Act. The trust qualifies for the differential reporting because its revenue and number of employees fall below the threshold set by the differential reporting standards.

The trust has applied the differential reporting exemptions allowed with the exception of SSAP3—Accounting for Depreciation.

2. Measurement System

The measurement system adopted is that of historic cost.

3. Particular Accounting Policies

The particular accounting policies adopted in the statements which have a significant effect on the results and financial position disclosed are:

(a) *Income Determination:* Interest income has been accrued to balance date on a daily basis.

(b) *Valuation of Assets:*

(i) *Investments*—Investments are stated at cost.

(ii) *Fixed Assets*—All fixed assets are recorded at cost less accumulated depreciation to date.

(c) *Depreciation:* Depreciation has been charged on a straight line basis allocated over an estimated economic life of the assets. Depreciation has been calculated as follows:

Asset	Cost \$	Depn to Date \$	Estimated Life	Opening Value \$	Depn \$	Accum Depn \$	Closing Book Value \$
Typewriter	2,019	2,019	5 years	-	-	2019	-
Photocopier	2,756	1,883	5 years	873	551	2,434	332
	<u>\$4,775</u>	<u>\$3,902</u>		<u>\$873</u>	<u>\$551</u>	<u>\$4,453</u>	<u>\$322</u>

(d) *Goods and Services Tax*—The trust is exempt from registration for goods and services tax under section 14 (b) of the Goods and Services Tax Act.

These financial statements have therefore been prepared on a G.S.T. inclusive basis.

4. Changes in Accounting Policies

There have been no material changes in accounting policies.

5. Prior Year Adjustment

The prior year adjustment included in the 1997 financial statements related to grants disbursed during the year ended 31 March 1996, which were refunded to the trust.
