Dumping and Countervailing Duties Act 1988

Cessation of Anti-Dumping Duties: Notice That Anti-Dumping Duties on Lead Acid Batteries From Indonesia, Korea, Malaysia, Singapore and Taiwan are to Cease to Apply

Subject to section 14 (9) of the Dumping and Countervailing Duties Act 1988 ("the Act"), anti-dumping duties on lead acid batteries from Indonesia, Korea, Malaysia, Singapore and Taiwan* will cease to apply to those goods on 21 June 1999 unless, at that date, the goods are subject to review under section 14 (8) of the Act.

Any interested party that might request the Secretary of Commerce to initiate a review before the termination date referred to above, should be aware that positive evidence justifying the need for a review must be provided to the Secretary.

If an application is received which provides positive evidence justifying the need for a review, the Secretary must undertake a review investigation and report to the Minister of Commerce within 180 days on whether the anti-dumping duties should continue to be applied. Positive evidence justifying the need for a review would need to provide reasons for believing that the expiration of anti-dumping duties would see the continuation or recurrence of dumping of lead acid batteries from Indonesia, Korea, Malaysia, Singapore and Taiwan, and for believing that such dumping would be likely to cause the continuation or recurrence of material injury to the New

Zealand industry producing lead acid batteries. The reasons should be supported by evidence and not based on mere allegations or assertions.

Social Welfare

Social Security Act 1964

New Employment Transition Grant Programme

Pursuant to section 124 (1) (d) of the Social Security Act 1964, I, Roger Morrison Sowry, Minister of Social Services, Work and Income, establish and approve the following welfare programme to take effect on 1 February 1999.

Dated this 9th day of December 1998.

HON. ROGER SOWRY, Minister of Social Services, Work and Income.

1. Title

1.1 This programme is called the New Employment Transition Grant Programme.

2. Interpretation

2.1 In this programme, unless the context otherwise requires,—

“Act” means the Social Security Act 1964;

“Cash Assets”, in relation to any person, means the assets of that person and his or her spouse (if any) that can be readily converted into cash and include—

- (a) Shares, stocks, debentures, bonus bonds, and other bonds;
- (b) Bank accounts, including fixed and term deposits with any bank, friendly society, credit union, or building society;
- (c) Money invested with or lent to any bank or other financial institution;
- (d) The net equity held in any property or land not used as the person's home;
- (e) Building society shares;
- (f) Mortgage investments and other long term loans;
- (g) Bills of exchange or promissory notes;
- (h) The applicant's share in any partnership;—

but do not include—

- (i) The motor vehicle principally used by the applicant for his or her personal use;
- (j) A caravan, boat, or other vehicle—
 - (i) The net equity in which is less than \$2,000; or
 - (ii) Which is used by the person or a member of his or her family for day to day accommodation;

(k) The personal effects of the person and his or her spouse (if any):

“Eligible Parent” means a sole parent—

(a) Who received a benefit under the Act at a Sole Parent Rate; and

(b) Who, within the last 6 months, has had that benefit cancelled due to employment, or suspended under section 80 (6) of the Act due to temporary employment; and

(c) Whose Cash Assets do not exceed four times the appropriate weekly rate of an invalids benefit under the Act,—

but does not include a sole parent whose employment has ceased:

“Employer” means the employer of an Eligible Parent:

“Sole Parent Rate”, in relation to a benefit, means a rate of benefit payable to an unmarried person with 1 or more children:

“Transition Grant” means the assistance available under this programme.

2.2 The terms otherwise defined in section 3 (1) of the Act have the meanings so defined.

2.3 Words referring to the singular include the plural and vice versa.

3. Application of the Social Security Act 1964

3.1 Sections 3 (1), 12, 62, 64, 66, 68, 70, 70B, 71, 71A, 73, 74, 74A, 77, 80 (1), 80A, 80BD (1), 81, 84, and 84A of the Act apply to this programme, and to applicants for assistance under this programme, as if the special assistance available under this programme were a benefit under the Act.

3.2 Nothing in Clause 3.1 limits any other provision of the Act.

4. Eligibility for Transitional Grant

4.1 The chief executive may pay a Transition Grant to an Eligible Parent during a period when that Eligible Parent is unable to attend work because—

4.1.1 The Eligible Parent is sick, or a dependent child of the Eligible Parent is sick, and the Employer does not

make paid sick leave available or the Eligible Parent has exhausted his or her entitlement to paid sick leave; or

4.1.2 There has been a break down in childcare arrangements for an Eligible Parent’s dependent child, and the Employer does not make paid sick leave or paid annual leave available to enable the Eligible Parent to care for the child, or the parent has exhausted his or her entitlement to paid sick leave or paid annual leave.

4.2 A Transition Grant may be paid only during the 6 month period commencing on the date the Eligible Parent’s benefit was cancelled or suspended because of employment.

5. Payment

5.1 The amount of a Transition Grant is the lesser of—

5.1.1 \$50 for each day the Eligible Parent is absent from work for a reason referred to in clause 4.1; or

5.1.2 The Eligible Parent’s actual loss of income for each such day.

5.2 Transition Grants totalling no more than \$500 may be paid to a sole parent during the 6 month period of eligibility referred to in clause 4.2.

Explanatory Note

This note is not part of the welfare programme but is intended to indicate its general effect.

This programme comes into effect on 1 February 1999, and provides for Transition Grant payments to be made to sole parents who cease receiving a benefit to commence employment. A payment may be made during a period when the sole parent is unable to work because of sickness or a dependent child’s sickness and paid sick leave is unavailable to the parent, or because of a breakdown in childcare arrangements and paid sick leave or annual leave is unavailable to the parent to care for the child. There is a 6 month period of eligibility, and no more than \$500 may be paid in that period.

Accounting Standards Review Board

Financial Reporting Act 1993

Notice (No. 22) of Approval of Amendment to Financial Reporting Standard

Notice is hereby given, pursuant to section 29 of the Financial Reporting Act 1993 ("the Act"), that the Accounting Standards Review Board has approved, for the purposes of the Act, an amendment to Financial Reporting Standard 2, "Presentation of Financial Reports" submitted to it by the Institute of Chartered Accountants of New Zealand.

The purpose of the amendment is to remove an inadvertent ambiguity from paragraph 5.15 as to the requirements when restating comparative figures to align with current period classifications.

The amendment involves a wording change in paragraph 5.15 and the addition of a commentary paragraph 5.15A.

The amended paragraph 5.15 of FRS 2 now reads:

5.15 Comparative figures for the prior period shall be given for all items in the financial statements. In meeting this requirement, the figures for the prior period shall be reclassified, where necessary, so that such information corresponds to the classification presented for the current period. Where there has been a reclassification of prior period amounts, the nature of, and the reason for, the reclassification shall be disclosed.

The amendment to FRS 2 is to take immediate effect.

A copy of the amendment may be purchased from the office of the Institute of Chartered Accountants of New Zealand, 40 Mercer Street (P.O. Box 11-342), Wellington and 27-33 Ohinerau Street (P.O. Box 3334), Remuera, Auckland.

Dated this 17th day of December 1998.

Australia New Zealand Food Authority

Australia New Zealand Food Authority Act 1991

Australia New Zealand Food Authority Food Standards

The authority advises progress on the following matters relating to food standards. You are invited to present written submissions to the authority on these matters, including the potential regulatory impact on consumers, industry and Government, by the dates indicated. The information papers on these matters provide further information, including advice on the authority's policy regarding submissions. You can get these information papers from:

The Office Administrator,
Australia New Zealand Food Authority,
P.O. Box 10-559,
Wellington 6036.
Telephone: (04) 473 9942.
Facsimile: (04) 473 9855.
Email: nz.reception@anzfa.gov.au

Matters at Full Assessment

The authority has made a preliminary assessment and accepted the following application, developed the following proposal, and will now make full assessments of them:

Maximum Residue Limits (A366) An application received on 12 November 1998 from the National Registration Authority to amend Australian Maximum Residue Limits (MRLs) for a number of agricultural chemicals as currently prescribed in the Australian Food Standards Code. Submissions close **5 February 1999**.

Review of Maximum Residue Limits (P194) A proposal to review and develop the current provisions for MRLs in Australia, as set out in Standard A14 of the Food Standards Code.

Food sold in New Zealand which is either domestically produced or imported (other than from Australia) must comply with the MRL provisions in the New Zealand Food Regulations 1984. Food imported from Australia must comply with either the New Zealand MRLs or the Australian MRLs in the Food Standards Code.

Matters at Inquiry

The authority will conduct inquiries into the draft standards prepared at full assessment of the following proposals reviewing current Australian and New Zealand regulations in order to develop joint Australia New Zealand standards:

Ice Cream (Proposal P149)

Representational Issues - Labelling Foods with Directions for Use and Purpose (Proposal P165)

Frozen Confection and Ice Confection (Proposal P171)
Confectionery (Proposal P172)

Food Additive Numbering System (Proposal P193)

Submissions on these proposals close **5 February 1999**. With respect to Proposal P193 the authority is satisfied that it raises issues of minor significance and complexity and that to omit to invite public submissions prior to having

made its full assessment would not have a significant adverse effect on the interests of any person or body. The authority therefore did not invite public submissions prior to making a full assessment of this proposal, but now does so in order to undertake its inquiry into the matters decided at full assessment.

Proposal Abandoned

Following its full assessment of **Proposal P134 - Review of Standard A14 - Maximum Residue Limits** the authority has decided to abandon this proposal. Since the raising of the proposal in October 1995 the relationship between the authority and the National Registration Authority has altered significantly and arrangements are currently being developed to streamline the processes of setting MRLs in Australia.

Given the above and further consideration of what the review of standard A14 entails, the issues originally envisaged to be considered by Proposal P134 now need to be supplemented by:

- rewording standard A14 to permit the use of approved chemicals that do not require MRLs;
- identifying temporary and trial MRLs; and
- correcting spelling errors of agricultural and veterinary chemical names.
