## Departmental Notices

### Accident Rehabilitation and Compensation Insurance Corporation

#### Accident Rehabilitation and Compensation Insurance Act 1992

##### Changes to ACC Premiums

Acting on behalf of the Minister for Accident Rehabilitation and Compensation Insurance (ARCI), ACC completed consultation with premium payers on proposed changes to ARCI Regulations (Employment Premiums, Experience Rating and Earner Premium).

ACC has now considered submissions received and has recommended to the Minister for ARCI changes to be made to the regulations for the 1999/2000 premium year. ACC is required by law to advertise to premium payers regarding its recommendations to government.

##### *Workers' Compensation (Employment Premium)*

###### Average premium rate

ACC recommended that the average 1999/2000 composite employer premium be \$1.93 per \$100 of liable earnings. This is 18% lower than the current 1998/99 average premium of \$2.35. The composite 1999/2000 premium recommendation comprises of the following components:

- an average "workers compensation insurance" full funded premium rate of \$1.33 (GST exclusive) per \$100 of liable earnings; and
- a "reserves surcharge" premium rate of \$0.60 (GST exclusive) per \$100 of liable earnings.

This reduction reflects the significant improvement in scheme performance and lower incidence rates for new claims.

##### Alterations to premium risk groups/premium classification units

ACC recommended that:

- premium risk group 590 is merged with premium risk group 610;
- the following premium classification unit is transferred from premium risk group 680 to premium risk group 681:
  - 93191 Professional Sports Playing (not elsewhere classified);
- the following premium classification units are transferred from premium risk group 682 to premium risk group 681:
  - 93182 Sports and Services to Sports - Skiing (Snow)
  - 93194 Sports and Services to Sports - Cricket
  - 93195 Sports and Services to Sports - Golf
  - 93196 Sports and Services to Sports - Horse riding
  - 93197 Sports and Services to Sports - Motor Cycling
  - 93198 Sports and Services to Sports - Motor Racing;
- the following premium classification units are transferred from premium risk group 682 to premium risk group 680:

- 93183 Sports and Services to Sports - Soccer
- 93184 Sports and Services to Sports - Softball, Baseball
- 93185 Sports and Services to Sports - Squash
- 93186 Sports and Services to Sports - Swimming
- 93187 Sports and Services to Sports - Tennis
- 93188 Sports and Services to Sports - Water Skiing
- 93192 Sports and Services to Sports - Boating/Yachting
- 93193 Sports and Services to Sports - Cycling
- 93199 Sports and Services to Sports - Netball

##### *Experience Rating*

ACC recommended that the ARCI (Experience Rating) Regulations 1993 are amended so that:

- Small employers are entitled to any 1998/99 experience rating discounts using the new experience rating formula, but are not charged any resulting loadings; and
- Experience rating assessments and any subsequent reassessments cease as follows:
  - On 31 March 2000 unless an application for review has been received or the assessment is undergoing some form of review or appeal process; and
  - By 30 September 2000 for all assessments and reassessments.

##### *Earner Premium*

ACC also completed consultation with premium payers as required by Section 167B on the premium for earners.

The ACC Board has recommended an increase in 1999/2000 earner premiums to the Minister for ARCI.

Cabinet has decided that the Earners' Account will move from a pay-as-you-go to a full funded reserving basis. As a consequence of this change in reserving the ACC Board is now required to recommend that for the 1999/2000 premium year the composite earner premium increase by 17% from the current 1998/99 level of \$1.20 to \$1.40 per \$100 of liable earnings, GST inclusive.

The change to a full funded reserves policy now requires premiums to be assessed in two components:

- a full funded insurance premium for new claims from 1 April 1999; and
- a "reserves" surcharge that will fund the costs of existing claims at 31 March 1999.

The earner premium was increased last year from \$0.70 to \$1.20 in anticipation of the move to full funding. The key difference in the recommended earner premium for next year is the addition of the "reserves" surcharge portion to fund existing claims at 31 March 1999.

##### *Earner Premium Rate*

ACC recommendation increase the earner premium from its current level of \$1.20 to \$1.40 (GST inclusive) per \$100 of liable earnings for the 1999/2000 premium year. This premium comprises a base premium amount of \$1.21 and a reserves portion of \$0.19. The revised earners premium of \$1.40 will be effective from 1 April 1999.

##### For more information

Employers and other interested parties who made

submissions to the ACC will receive an individual copy of the document outlining ACC's recommendations. Others who would like a copy of this document, copies of the draft regulations, or the Annual Report, please contact Trish

Millward at the ACC Corporate Office on (04) 918 7304 or 0800 222 776.

### Electoral Act 1993

#### Declaration by Chief Electoral Officer That Gilbert Myles be Elected a Member of Parliament

On Tuesday 24 November 1998 I received a warrant from the Speaker of the House of Representatives to supply a member of Parliament to fill a vacancy created by the resignation of Deborah Morris.

Pursuant to section 137 (2) of the Electoral Act 1993 I have determined that Gilbert Myles was the next unelected candidate whose name was included in the same party list as the member whose seat has been declared vacant and that it was Gilbert Myles's name which stood highest in the order of preference.

Pursuant to section 137 (3) of the Electoral Act 1993 I have inquired of the Secretary of the political party on whose list Gilbert Myles's name appeared whether he remains a member of that party and I have been informed by the Secretary of that political party that Gilbert Myles remains a member of that party.

Pursuant to section 137 (4) of the Electoral Act 1993 I have inquired of Gilbert Myles whether he is willing to be a member of Parliament and he has indicated his willingness to be a member of Parliament.

Therefore, I, Philip Raymond Whelan, Chief Electoral Officer, declare that Gilbert Myles is elected as a member of Parliament.
