Citizens Initiated Referendum (Appointed Day) Order 1999

MICHAEL HARDIE BOYS, Governor-General
ORDER IN COUNCIL

At Wellington this 4th day of March 1999

Present:

THE HON. WYATT CREECH PRESIDING IN COUNCIL

Pursuant to section 22(1) of the Citizens Initiated Referenda Act 1993, His Excellency the Governor-General, acting by and with the advice and consent of the Executive Council, and following the presentation to the House of

Representatives on 17 February 1999 of an indicative referendum petition, which had been promoted by Mrs Margaret Robertson and which had been certified correct under section 18(1)(a) of that Act, makes the following order.

Order

1. Title and commencement—(1) This order may be cited as the Citizens Initiated Referendum (Appointed Day) Order 1999.

(2) This order comes into force on the day after the date of its publication in the *Gazette*.

2. Appointed day—Saturday, 18 December 1999, is appointed as the day on which an indicative referendum is to be held under the Citizens Initiated Referenda Act 1993 on the following question, namely,—

Should the size of the House of Representatives be reduced from 120 members to 99 members?

MARIE SHROFF, Clerk of the Executive Council.

Explanatory Note

This note is not part of the order, but is intended to indicate its general effect.

This order appoints Saturday, 18 December 1999, as the day on which an indicative referendum is to be held under the Citizens Initiated Referenda Act 1993 on the following question, namely,—

Should the size of the House of Representatives be reduced from 120 members to 99 members?

The intention is that the referendum be held in 1999 on the polling day for the general election.

Saturday, 18 December 1999, is the last possible polling day for the general election.

If the writ for the general election appoints a polling day earlier than 18 December 1999, this order may be revoked and the earlier polling day may be appointed as the day for the holding of the referendum.

Notwithstanding this order or any other order made under section 22 of the Citizens Initiated Referenda Act 1993, the House of Representatives may, under section 22(4)(b)(ii) of that Act, pass a resolution requiring the indicative referendum to be held on the polling day for the general election.

The referendum results from a petition promoted by Mrs Margaret Robertson (which petition was presented to the House of Representatives on 17 February 1999 after it had been certified correct by the Clerk of the House of Representatives).

Overseas Investment Commission

Overseas Investment Act 1973

3 March 1999

Chairman

Overseas Investment Commission

P.O. Box 2498

WELLINGTON

Dear Mr Webb

Overseas Investment Policy, Delegation and Criteria

1. This letter conveys the Government's general policy approach to overseas investment (investment) and indicates a new level of delegated authority for the Overseas Investment Commission (the commission) and its staff to determine applications and related matters as from the date of this letter.

General Policy Approach

2. Section 9 (2) of the Overseas Investment Act 1973 (the Act) requires the commission to "*comply with the general policy of the Government...transmitted in writing...by...the*

Minister [Treasurer] and the Minister of Lands". We wish to convey the following general policy of the Government in relation to the exercise of the commission's functions, powers, and duties:

(a) The Government recognises the need for overseas capital and welcomes and encourages investment. Our policy reflects the need to develop strong international linkages and that the inflow of investment typically provides a net benefit to the New Zealand economy.

(b) The Government is committed to an open and facilitative investment regime. Accordingly:

- (i) The investment criteria applications must meet should be interpreted in a manner that facilitates rather than impedes investment;
- (ii) Proposals that satisfy the investment criteria should be approved unless good reason exists to refuse them; and
- (iii) Any regulations made under the Act should be applied in a clear, consistent and efficient manner.

(c) The commission's operating procedures should be consistent with the Government's intention to facilitate positive investment. Accordingly, the commission should:

- (i) Perform its functions in a timely, consistent and efficient manner;
- (ii) Seek to minimise the compliance and transactions costs to the private sector of the investment regime;
- (iii) Continue to make its decisions based largely upon material supplied to it by investors. It should regard the information as having been provided in good faith unless the commission has good reason to believe otherwise;
- (iv) Continue to advise Ministers on proposals with the presumption that the investment will be compatible with the policy of the Government relating to any other matter;
- (v) Seek to recover its operating costs, through fees that must be approved by the Treasurer, from persons who use its services;
- (vi) Continue to monitor compliance with any conditions of approval, consent, permission, or exemption granted under the regulations with an approach that seeks a balance between the objectives of ensuring compliance with any conditions and providing the commission with more accurate statistics on investment, and the desire to maintain a welcoming approach to investment; and
- (vii) Continue the practice of the commission's staff performing the commission's day-to-day functions, with the commission's role being primarily one of governance and overview.

3. We are aware that the commission compiles information on investment in New Zealand in the course of performing its functions. To the extent that existing resources permit, the commission, in conjunction with other relevant agencies, should:

- (a) Disseminate information on investment in New Zealand;
- (b) Seek to raise public awareness about the usefulness of investment; and
- (c) Publicise and explain the nature of our regulatory regime to potential overseas investors.

Delegation

4. The Treasurer delegates to the commission and its staff the power to determine all applications under Part II of the Overseas Investment Regulations 1995 (the regulations).

5. The Treasurer and the Minister for Food, Fibre, Biosecurity and Border Control (the Ministers) delegate to the commission and its staff, in relation to Part III of the regulations:

(a) their powers to determine applications which do not involve "sensitive" land as described in the First Schedule to the Act and regulations under the headings of **Islands**, and **Foreshore, lakes and reserves** and **Land over 0.4 hectares on certain islands**;

(b) notwithstanding (a) above, their powers to determine land applications:

- (i) which do not involve a freehold estate or other estate or interest in land equivalent to a freehold estate; or
- (ii) which are part of a purchasing programme previously approved by the Ministers under the Overseas Investment Regulations 1985 and 1995 or the Land Settlement Promotion and Land Acquisition Act 1952, where each acquisition is consistent with any conditions established for the programme; or
- (iii) involving land that is "sensitive" solely because it includes or adjoins a marginal strip that extends along and abuts any river or any stream.

6. The Ministers also delegate to the commission and its staff the following related matters:

- (a) their powers under regulation 12 to specify information and particulars to be supplied by applicants;
- (b) their powers under regulation 14 in respect of applications:
 - (i) which have been delegated in terms of paragraphs 4 and 5 above; or

(ii) which have been initially considered by the Ministers and that require an administrative amendment.

(c) their powers under regulation 16 in respect of applications that have been delegated in terms of paragraphs 4 and 5 above.

(d) their powers under regulation 16 in respect of adding entities to or deleting entities from the Schedules to the Overseas Investment Exemption Notice 1995;

(e) their powers under regulation 17 in respect of any matter delegated;

(f) their powers under section 15 of the Act in respect of applications that have been delegated; and

(g) in each case where a power has been delegated, the power of delegation under section 16 of the Act.

Criteria

7. In considering any applications under delegation the commission and its staff must take into account the matters provided for under section 14A of the Act.

Revocation of Existing Delegation

8. The existing delegation conferred on the commission and its staff on 21 December 1995 is hereby revoked as from the date of this letter.

RIGHT HON. W. BIRCH, Treasurer.

HON. JOHN LUXTON, Minister for Food, Fibre, Biosecurity and Border Control.
